(i) That the Mayor, Treasurer and Clerk be authorized to sign the application forms as required by the Ministry of Transportation.

12. Mill Street Outfall Class Environmental Assessment (PW05136) - (Ward 15) (Item 8.7)

(a) That the General Manager, Public Works Department, be authorized and directed to file the Mill Street Outfall Class Environmental Assessment Project File Report with the City Clerk for a minimum 30 day public review period;
(b) That upon final approval of the 2006 Capital Budget, the General Manager, Public Works Department, be authorized and directed to proceed with the design and implementation of the proposed improvements to the Mill Street sewer and outfall, upon completion of the minimum thirty (30) day public review period; and,

(c) That the Real Estate Section of the Development and Real Estate Division of the Planning and Economic Development Department be authorized and directed to proceed with the acquisition of lands and easements required to implement the proposed improvements for the Mill Street storm sewer and outfall, subject to approval of the 2006 Capital Budget.

13. **Lease for Swing Space - 77 James Street North - Fercan Developments Inc. (PED05178/PW05132/CM05036) (City Wide) (Item 12.1)**

(a) That for the purpose of “swing space” required as a result of renovations to City Hall; the City of Hamilton enter into a lease agreement with Fercan Development Inc., subject to the following terms and conditions as set out in Report PED05178/PW05132/CM05036, for the property known as 77 James Street North, Hamilton.

(i) **Term:** Two (2) to Two and a half (2.5) year term (Minimum of Two Years) commencing in phases; December 1, 2006 for the larger space, shown as Area "J" as Appendix "B", and the second phase to commence by January 1, 2007, being Areas "F, G, and either H or I", as shown as Appendix "A" to Report PED05178/PW05132/CM05036. The Landlord will complete all the (Owner’s Work) and tenant improvement renovations in a good workmanlike manner by the aforesaid dates in order for the City to commence moving in its various Departments. If at the end of the 2.5 year term the City Hall renovations are not completed, then the lease with Fercan Development Inc. shall be extended upon providing the Landlord with 30 days notice, at the same terms and conditions including rental rate, until the City Hall renovations are complete. If the City Hall renovations are completed earlier than two years, then the minimum lease term shall be two years.

(ii) **Property:** 77 James Street North, Hamilton, being part of the Ground Floor of the former mall shown as Areas "F and "G" with either Area "H" or "I" used for the Tax Department" on the plan attached as Appendix "A" to Report PED05178/PW05132/CM05036, having an approximate area of 24,500 rentable square feet and part or all of Area
"J", third level of the former Eaton’s Department Store, having an area of 79,632 rentable square feet, as shown on Appendix "B". The final area will not be determined until the final floor layout plans have been determined, verified and adjusted in accordance with B.O.M.A. 1996 measurement standard. In order to keep the cost of the City Hall Project in line, the objective was to reduce the amount of square feet leased for the swing period from the current office area of City Hall (approximately 120,000) to an approximate range of 80,000 to 100,000 square feet. All budget projections for analysis purposes are calculated on the basis of 90,000 rentable square feet.

(iii) **Rental Rate:** Upon the commencement date, which means the date City Departments move into the space, the City shall pay rent based on $18.50 per square foot plus G.S.T. for the area occupied. All rent and additional operating costs shall be charged to Capital Account #540441442.

(iv) **Operating Costs:** The City shall be responsible for its share of the actual operating cost over the 2005 Base Year with any increases thereafter to be charged on a prorated basis, but not to exceed the cost of the Consumer Price Index (C.P.I.) subject to recommendation (v). The City shall be responsible for the costs of cleaning and hydro (separately metered, meters to be provided by the owner at its own costs) which are estimated at $2 per square foot.

(v) That the Legal Services Division be authorized to prepare a By-law, under Section 110 of the Municipal Act, to propose that this leased area become a City Capital Facility, whereby the City would be exempt from paying realty taxes at this location. Upon passing the By-law and the space becoming exempt from paying realty taxes, the Landlord shall reduce the City’s rent by the amount of realty taxes that would have been paid.

(vi) **Special Conditions:**

1. The City shall not be required to demolish the existing tenant improvements at the termination of the lease term.

2. The Landlord shall pay for the cost of retaining the City of Hamilton’s approved architectural and engineering consultants at a specified amount of $3.80 per rentable square foot for the area that the
Tenant proposes to occupy. The Landlord shall provide a credit for this amount in the way of free rent (approximately 2.5 months) applied at the commencement of the lease.

(3) The Landlord shall renovate the building, at its own cost, in accordance with the following conditions and specifications. Said specifications and conditions shall form part of the final lease agreement.

(i) The Landlord shall carry out all Leaseholds at the Landlord's own cost in a good workmanlike manner; the space shall be completed as standard commercial office space (e.g. this will include new ceiling tile and paint all walls to the Tenant's specifications) and in accordance with all other specifications and plans prepared by the City's architect with consultation with the Landlord's architect, R. F. Lintack Architect Inc. The lease shall not be executed until such time as all aspects of the City's specifications and that of the Landlord's standard commercial office space specifications are resolved to both parties, failing which this lease commitment is null and void. Due to the short term of the lease, both the Landlord and the Tenant agree to keep the Leaseholds improvements to a reasonable level, both parties shall be sensitive towards upgraded costs, without compromising the finished product in quality and function, keeping in mind the profile of the tenant, its employees and the public. The Landlord shall apply for and pay for all permits required in order to carry out the construction of the space.

(ii) **EXECUTIVE OFFICES:** Mayor's office, Executive Assistant and City Manager offices to be completed with 32oz. commercial grade carpet or equivalent valued floor covering as well as solid 8 foot wood double doors with steel frames. A private washroom, boardroom and kitchenette shall be installed for this group.

**COUNCILLOR OFFICES:** Individual private Councillors offices at a range of up to 10'x15' will be supplied and finished with 28oz. commercial grade carpet or equivalent valued
floor covering and standard 7’ doors with steel frames, one kitchenette area, both male and female washrooms and one 12’ x 12' meeting room for use by the Councillors.

GENERAL MANAGERS: General Manager’s offices to be finished to the same standard as City Councillors offices. The number of private offices for General Managers shall be defined once an interior design plan has been developed and subject to the Landlord's approval. A meeting room shall be provided for the General Managers in a location in close proximity to each General Manager’s office.

GENERAL OFFICE AREAS: To be finished with 28oz. commercial grade carpet or equivalent value floor covering, light fixtures, electrical outlets, both male and female barrier free washrooms to accommodate staff, as per the Ontario Plumbing and the National Plumbing Code of Canada, lunchroom and kitchen to be defined for location and size and extra meeting rooms to be determined by all parties which will allow the Tenant to carry out its day to day function. The Landlord shall supply, at its own cost, all electrical and computer conduits to facilitate the Tenant’s floor layout. Keeping in mind the high ceiling of the existing space, attempts shall be made to construct the aforesaid drops in areas where columns and office walls are located; however, because of the size of Area “J” some wiring and cabling will have to come from floor mounts. It is understood and agreed by the Tenant that the number of closed private offices, lunchrooms, meeting rooms, washrooms, kitchenettes and all upgrades (if any) requested by the Tenant, shall be subject to the Landlord’s approval once a floor plan is finalized.

The lease shall not be executed until the plans have been finalized and approved by both parties. The Mechanical systems shall be compatible and co-ordinated with the architectural, structural, electrical and other
project systems. All new or modified HVAC systems and equipment shall meet or exceed the performance criteria as outlined in the latest version of ASHRAE 90.1.

The building fire protection must meet the requirements of the Fire Commissioner of Canada. On the third level (former Eaton's Department Store, shown as Area “J”), the Landlord shall install, at its own cost, windows as shown on the plan attached as Appendix “B”, as well as skylights as determined by the Tenant. The windows are to be double-glazing units with thermal break and low-emissivity soft coating to achieve a minimum thermal resistance of RSI-0.53.

Entrances shall meet the City of Hamilton Barrier Free specifications; entrance lobbies and vestibule shall be of sufficient size to funnel traffic to and from interior corridors, elevators and stairs without crowding. The Landlord shall install, at its own cost, a new elevator in the location of the former escalator which will serve all levels. The elevator shall be provided fully automatic such that 15% of the building population may be transported up into the building in five minute period. It shall have be equipped with a card access system and designed in accordance with CAN/CSA-B651-95(2002) BARRIER FREE DESIGN.

Illumination levels throughout the entire term of the lease shall be provided and maintained at the following levels within the leased space and common areas. Required illumination levels shall be present on a plane 750mm above and parallel to the floor in the office areas and at floor level in all other areas.

325 Lux Entrances, foyers, elevator lobbies, washrooms
220 Lux Hallways, corridors, stairwells, elevators
200 Lux Exterior entrances to building and leased premises
400 Lux for offices, work station and meeting rooms

Signage including exterior signage indicating the presence of the City of Hamilton shall be provided at all entrances into the building by the Landlord, at its own cost, which clearly indicates the location of the various City Departments within the building. The Landlord shall, at its own cost, improve the exterior appearance of the building (window displays, flags and lighting similar to that indicated in the photo attached to Report PED05178/PW05132/CM05036 as Appendix "C").

The Landlord shall provide, at its own cost, roll-up mesh style blinds on all exterior windows. Colour, materials, patterns, textures, and specifications shall be approved by the Tenant.

(4) The lease shall contain a clause to state that if the Landlord is behind in the taxes during any period of the duration of this agreement for the 77 James Street North facility, then the City of Hamilton, as Tenant, shall have the right to direct any rent payments to the City of Hamilton, Tax Division, to pay down the outstanding taxes.

(5) The lease shall be prepared by the Landlord in accordance with the terms and conditions contained in the Offer to Lease and shall be signed subject to the tenant’s solicitor being completely satisfied with the terms and conditions contained in the lease.

(6) **Project Approval Process:**

The Tenant and the Tenant’s project consultants shall review and approve all the following actions prior to the Landlord proceeding to issue instructions on behalf of the Tenant. Any decisions or directions made without the Tenant’s written approval shall be the cost of the Landlord:

- Base Building Tender Documents
- Review of Costs Prior to Acceptance
- Approval Process Authorization

Council – November 23, 2005
• Cost Management and Review

(7) **Landlord Covenants:** The Landlord warrants and represents that, from and after the Commencement Date and throughout the Term of this lease, and any renewal or extension thereof, the Building shall be free of any defects or errors due to faulty materials, workmanship, or faulty design, including without limitation, any defects or errors relating to the Building’s foundations, structure, roof membrane and structure, and building envelope, and the Landlord shall immediately repair and rectify any such defects or errors as aforesaid; and the Landlord further covenants with the Tenant that it shall, indemnify and save harmless the Tenant from and against all loss, expense, damages, injury, actions, causes of action, suits, interest, claims, liens, costs and demands whatsoever on account of the construction and implementation of the Renovations, or on account of any defects or errors due to faulty workmanship, materials or design as aforesaid, or which may be incurred by reason, or in consequence of the execution or non-execution, or imperfect or negligent execution thereof, and shall pay to the Tenant, on demand, any expense, loss, costs, interest, or damages which may be sustained by the Tenant in consequence of any such action, suits, claim, lien or demand, and any monies paid by it in settlement or in discharge thereof, or on account thereof, and any monies so paid or payable by the Tenant may be deducted from any monies of the Landlord then remaining in the hand of the Tenant on account of this Lease including gross rent hereunder. Such warranty and indemnification shall extend to the entire Landlord’s Work and to Tenant improvements and renovations carried out by the Landlord on behalf of the Tenant. The Landlord shall transfer the warranties that it has received for those contracts entered into by the Landlord.

(8) **Abatement of Rent:** Without restricting any right of set-off given or implied by law, the tenant may set-off against the Rent, or against any other sum payable hereunder by the Tenant to the Landlord, any amount payable by the Landlord to the Tenant hereunder or under any other lease or contract, and without
restricting the generality of the foregoing, the Tenant may, when making payment of the Rent or of any other sum, withhold any amount which is then payable to the Tenant by the Landlord under this lease or which, by virtue of the right of set-off, may be retained by the Tenant. The Tenant shall only exercise its right to set-off under this clause after providing written notice to the Landlord of its intention to do so and only if the Landlord fails to cure its default within a period of five (5) days after having received such notice.

(b) That Council approve the transfer of City Hall operations and maintenance savings identified for the period of renovation, to the Hamilton City Hall Upgrade Capital Project #3540441442.

(c) That the Mayor, General Manager, Finance and Corporate Services and City Clerk be authorized and directed to execute the Lease in a form satisfactory to the Corporate Counsel.

(d) That during the renovation of City Hall, City Council and Standing Committee meetings shall take place at the Convention Centre with the Stoney Creek Council Chamber being the back up location.

FOR THE INFORMATION OF COUNCIL:

(a) Changes to the agenda (Item 1):

The Clerk advised of the following changes to the agenda which were approved:

(i) The following delegation requests were added:

(a) E-mails from Mrs. Julie Crowe and Ms. Laura Wolfson with respect to the proposed stop sign at the junction of McKay Road and McKay Court, Dundas, which is listed as Item 8.1 on today’s agenda. These requests were added as Items 4.3 and 4.4.

(b) E-mail from Bob Birnie of Thos R. Birnie & Sons Ltd requesting delegation status on behalf of the following contractors wishing to speak to Item 8.2, the staff update concerning the City’s new Sewer Lateral Policy. (This request was added as Item 4.5.)
1. Mr. Len Woods, Plugged Piper
2. Armand Pitton, Pitton Plumbing
3. Tom Gauthier, Gauthier Plumbing
4. Phil Groves, Phil Groves Sewer Service
5. Roy Birnie, Mr Rooter Plumbing
6. Jim Groves, William Groves Sewer Contractors
7. Bob Birnie, Thos.R.Birnie &Sons Ltd

(b) Declarations of Interest (Item 2)
None declared.

(c) Minutes (Item 3)
The Minutes of the November 7, 2005 meeting were approved as presented.

(d) Delegation Requests
(i) The delegation request from Mr. Neil Fisher, Account Manager of W. Ralston (Canada) Inc., respecting the use of biodegradable plastic bags for the City’s new organic waste composting program was referred (Ferguson/Jackson) to the Director of Waste Management for review and response to the writer.

(ii) The rules were waived (Jackson/Collins) to hear the delegation request today from Robert Spencer and Laura Bishop respecting damage to their property at 13 Clarence Street.

(iii) The Committee decided that the delegations from Mrs. Julie Crowe and Ms. Laura Wolfson were not necessary as they had already addressed Committee at the October 17, 2005 meeting and the staff recommendation in Report PW05138 is in support of their request for a stop sign. Mrs. Julie Crowe and Ms. Laura Wolfson agreed to withdraw their delegation request.

(iv) The delegation request from Joanne Adams respecting closure of the alley alongside 10 Weir Street North was approved (Jackson/Bruckler) to be heard at the next meeting.

(v) The decision with respect to the delegation request from Bob Birnie of Thos R. Birnie & Sons Ltd on behalf of seven contractors wishing to speak to Item 8.2 was deferred (Braden/Jackson) until after Committee heard the staff update.
(e) Public Hearings/Delegations

(i) Delegation from Robert Spencer and Laura Bishop respecting damage to their property at 13 Clarence Street (Added Item 6.3)

Mr. Spencer and Ms. Bishop expressed their frustration with their current living conditions and how long it is taking the City to address the problem. On August 19, 2005, their home incurred extensive damage following a heavy rain storm. Since then they have evacuated their home and are living in a trailer on their property.

Staff explained that part of the delay in addressing this matter was due to liability issues. All parties have now agreed to put the question of liability on hold and continue with the repairs to the house.

Mr. Spencer and Ms. Bishop argued that there is a major problem with their road and with Patterson Street, the neighbouring road and the City should expropriate the homes and do repairs to the whole area.

Staff indicated that as a short term solution, a contractor has been hired to put a proper footing in the basement and undertake the necessary repairs to the home so that the residents could move back in. This work should be completed by mid December. On the long term, staff will review the problems with the whole area and will report back to Committee with a plan.

Mr. Spencer and Ms. Bishop were offered other more suitable accommodations but they advised the Committee that they did not want to move from their property.

On a motion (McCarthy/Bruckler) the Committee received the delegation.

(ii) Delegation from Mr. William Mitchell respecting landscaping issues in public spaces. (Approved November 7, 2005) (Item 6.1)

Mr. Mitchell provided a hand-out containing photos of various vistas across the City including the view of the bay from Dundurn Park and from the adjoining Harvey Park and from various views from the Mountain Brow which are blocked by trees and other vegetation.
After some discussion, on a motion (Ferguson/Bruckler) the Committee directed that staff meet with Mr. Mitchell on site and discuss what can be done to improve the vistas and report back to Committee.

(iii) Presentation by the Hamilton Waterfront Trust, 47 Guise Street East, Hamilton respecting Projects update (Approved November 7, 2005) (Item 6.2).

Mr. Werner Plessl made a PowerPoint presentation providing an overview of the Hamilton Waterfront Trust projects. He provided a hand-out with respect to a Trolley proposal and indicated that the Trust hopes to implement it through various partnerships including a partnership with the City of Hamilton.

The Trust is hopeful that the City may provide a grant to cover the cost of the insurance.

The Committee discussed the proposal and on a motion (McCarthy/Jackson) the Committee received the presentation and referred it to staff to investigate the various issues discussed with respect to the trolley proposal (i.e. safety, environmental and budget issues) and report back to Committee.

(f) STAFF PRESENTATIONS

(i) Enforcement Strategy for Solid Waste Management By-law 05-190 (PW04034c) - (City Wide) (Item 7.1)

Beth Goodger, Director of Waste Management provided a brief introduction and Pat Parker, Manager of Solid Waste Planning made a PowerPoint presentation which provided an overview of the report. Staff also provided a hard copy of the presentation which was distributed.

After some discussion the Committee received the presentation and approved the staff report.

(g) Intersection Control - McKay Road and McKay Court (PW05138) - (Ward 13) - Public Works, Infrastructure & Environment Committee Agenda Outstanding Business List (Item 8.1)

On a motion (McCarthy/Jackson) the Item was lifted from the TABLE.

Councillor Samson spoke to the issue. He provided an update to committee with respect to the meetings that he held with residents and staff and indicated he is not contrary to the report.
The Committee approved the staff recommendation.

(h) Verbal update from the Senior Director of Water and Wastewater Division respecting the City’s New Sewer Lateral Management Policy. (Item 8.2)

Jim Harnum provided a verbal update to Committee with respect to the meetings held with the sewer contractors. He advised committee that four meetings were held in total to hear their concerns. As a result, staff made numerous concessions; however, the contractors wanted further changes. They were concerned with the $600.00 cap and with the fact that the City would receive the first response. Staff advised that with a $2 million budget, the City needs accountability.

On a motion (McCarthy/Jackson) the Committee did not approve the delegation request from the contractors as they had already expressed their concerns at the September 12, 2005 meeting.

(i) Intersection Control List, November 21, 2005 (PW05001f) (Item 8.4)

The Committee approved the staff recommendation and took no action with respect to the unwarranted location at Highland Road and Glenhollow Drive.
