7.5 Community Improvement Plan for Creative Industries Study

Whereas the City has identified “healthy neighbourhoods” as a strategic priority and the City Manager has initiated a strategy to create healthy neighbourhoods;

Whereas the City fully supports the Arts and Culture through the Economic Development Strategy a new City of Hamilton Urban Official Plan;

Whereas the new Urban Official Plan provides policy direction for the encouragement and growth in the Arts and Culture sector by calling for the preparation of Community Improvement Project or community strategy to enhance and support the arts and culture sector;

Whereas the new Urban Official Plan provides policy direction for creative thought to be used in development adaptive reuse of existing buildings;

And whereas, the Ministry’s delay in approving the new Urban Official Plan, timing of the resolution of appeals provides uncertainty as to the timing of the implementation of the new Zoning By-Law,

Therefore be it resolved that the Planning and Economic Development Department be directed to initiate a study of a Community Improvement Plan for the creative industries cluster (Arts and Culture), together with a review of City policies and by-laws, including but not limited to the Official Plan, Zoning By-Law and incentive programs to grow the City’s Art and Culture industry.

Further that enforcement of the zoning and sign by-laws for Arts and Culture uses, at properties within the study area, where the use was in existence on October 13th, 2010, be suspended until the results of the study are presented to Council and any recommendations implemented.
Such suspension of enforcement shall not include any action that is presently before the courts or any violations/actions covered under the Ontario Building Code or Fire/Health related regulations.
