Chair Whitehead advised the meeting of the following, in accordance with the provisions of the Planning Act,

a) If a person or public body does not make oral submissions at a public meeting or make written submissions to the Council of the City of Hamilton before the approval authority gives or refuses to give approval to the draft plan of condominium, the person or public body is not entitled to appeal the decision of the Council of the City of Hamilton to the Ontario Municipal Board.

b) If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Council of the City of Hamilton in respect of the proposed plan of condominium before the approval authority gives or refuses to give approval to the draft plan of subdivision, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

On a Motion (Pearson/Mitchell), Committee agreed to proceed without a staff presentation.

Danielle Fama was present to assist the Committee with the application.

No members of the public came forward to address Committee on this item.

Committee approved the staff recommendation.

Council – March 26, 2008
(k) Application for Modifications in Zoning for Lands Located at 594 and 598 Barton Street East and 134 Birch Avenue (Hamilton) (PED08061) (Ward 3) (Item 6.2)

A Public Meeting was held.

Chair Whitehead advised the meeting of the following, in accordance with the provisions of the Planning Act,

a) If a person or public body does not make oral submissions at a public meeting or make written submissions to the Council of the City of Hamilton before the Zoning By-law is passed, the person or public body is not entitled to appeal the decision of the Council of the City of Hamilton to the Ontario Municipal Board.

b) If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Council of the City of Hamilton before the Zoning By-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

On a Motion (Pearson/Mitchell), Committee agreed to proceed without the staff presentation.

Jennifer D’Andrade was present to assist Committee with the report.

Gary Zebroski, the applicant’s agent, advised that he supported the staff recommendation.

No members of the public came forward to address Committee on the application.

Committee approved the staff recommendation.

(I) Application for a Change in Zoning for a Portion of the Lands Located at 27 Oldoakes Place (Ancaster) (PED08069) (Ward 12) (Item 6.3)

A Public Meeting was held.

Chair Whitehead advised the meeting of the following, in accordance with the provisions of the Planning Act,
a) If a person or public body does not make oral submissions at a public meeting or make written submissions to the Council of the City of Hamilton before the Zoning By-law is passed, the person or public body is not entitled to appeal the decision of the Council of the City of Hamilton to the Ontario Municipal Board.

b) If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Council of the City of Hamilton before the Zoning By-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

On a Motion (Pearson/Pasuta), Committee agreed to proceed without a staff presentation.

Matthew Blevins was present to assist Committee with the report. It was noted that the applicant is in support of the staff recommendation.

No members of the public came forward to address Committee on the matter.

Committee approved the staff recommendation.

(m) Applications to Amend the Ancaster Official Plan and Zoning By-law No. 87-57, for Lands Located at 894 Golf Links Road (Ancaster) (PED08070) (Ward 12) (Item 6.4)

A Public Meeting was held.

Chair Whitehead advised the meeting of the following, in accordance with the provisions of the Planning Act,

a) If a person or public body does not make oral submissions at a public meeting or make written submissions to the Council of the City of Hamilton before the Official Plan Amendment and Zoning By-law Amendments are approved, the person or public body is not entitled to appeal the decision of the Council of the City of Hamilton to the Ontario Municipal Board.

b) If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Council of the City of Hamilton before the Official Plan Amendment and Zoning By-law Amendments are approved, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

On a Motion (Pearson/Ferguson), Committee decided to proceed without hearing the staff recommendation.

Council – March 26, 2008
Jason Thompson was present to assist Committee with the report.

Steve Spicer, the applicant’s agent, said that he supported the staff recommendation.

No members of the public came forward to address Committee.

Committee approved the staff recommendation.

(n) Airport Employment Growth District (AEGD) Community Liaison Committee’s Terms of Reference (PED08057) (City Wide) (Item 7.1)

James Goodram provided an overview of the staff report, with the aid of a powerpoint presentation. Copies of the presentation were distributed to the Committee.

Committee discussed the report and had additional information supplied by staff.

Committee raised a number of issues including the following:

- how was composition of CLC decided, why are there only 4 residents, selection process for citizens, selection process for other groups at the table
- how does this differ from other secondary planning processes
- how does Conflict of Interest operate for this type of group
- area around airport is agricultural, not “vacant”.

Staff explained that the Airport is one of the major economic development areas for the City, and so is different from other secondary planning processes, that there is good attendance at CLC meetings, and that process is moving forward.

Committee voted separately on the staff recommendations, and approved them.

Councillors McHattie, Pasuta and Clark requested that their opposition to Recommendation (a) be recorded.

(o) Private and Confidential (Item 12)

Ontario Municipal Board Hearing PL070212 respecting Employment Lands in Stoney Creek (Item 12.1)

Council – March 26, 2008
Committee approved the delegation request from Jack Restivo, representing Losani Homes.

Mr. Restivo addressed Committee and gave an overview of the severance applications. He explained why the City staff appeal of the severances was not needed, and should not be supported by Council, and noted that his client wished to move ahead with the severance applications.

Chair Whitehead thanked the delegation.

Committee moved into Closed Session at 11:15 am to consider a matter pursuant to Section 239 of the Municipal Act, 2001, respecting the following:

(a) litigation or potential litigation, including matters before administrative tribunals, affecting the municipality or local board, respecting Ontario Municipal Board Hearing PL070212 respecting Employment Lands in Stoney Creek; and

(b) advice that is subject to solicitor-client privilege, including communications necessary for that purpose.

On a Motion, Committee reconvened in Open Session at 12:25 pm.

Committee approved a Motion authorizing staff to continue with the appeal of the Losani Homes severance approvals of several properties along Barton Street.

Councillors Mitchell and Clark requested that their opposition be recorded.

On a Motion (Pearson/Pasuta), Committee recessed at 12:30 for a lunch break, and then reconvened at 1:00 pm.

(p) Verbal Introduction from the General Manager (Item 7.2)

Tim McCabe gave an overview of the work on the new Official Plan and the associated timelines. He noted that following the public input process there will be a report back to a Special COW in June, in order to meet the provincial requirements, and that the next report on the Airport would also come to COW.

Mr. McCabe noted that the Ministry is presently consulting with First Nations on our Rural Official Plan, and that Hamilton’s entire Official Plan would be finalized by June, 2009.

Councillor Pearson, seconded by Councillor Mitchell, moved that John Kaufman, SmartCentres, be allowed to speak to Committee.
In response, Chair Whitehead advised that today’s meeting was intended to hear staff and consultant presentations, and for the Committee to consider the information, and that it had not been advertised as a meeting at which the public would speak.

Committee agreed that no delegations would be heard today and that there will be ample opportunity for public input in the next stages of the process.

The Motion to hear the delegation was defeated.

(q) Review of Work Program – Official Plan (OP) and Zoning By-law (PED08074) (City Wide) (Item 7.3)

Bill Janssen gave an overview of the scope of the work involved in the preparation of the new Official Plan and Zoning By-law, in order to have the Official Plan approved by Council by June 2008. He provided details of the proposed public involvement process, and explained that each distinct policy area would be brought to Committee for endorsement, and then all would be presented at the statutory public meeting for approval. Mr. Janssen explained the timelines were intended to meet the target dates laid out by the Ministry in Places to Grow.

Committee asked questions of staff and had further information provided. The questions raised included:

- will Open Houses and Public Meetings be held around the entire City
- number of Public Meetings
- how would the various policies in the former area municipal Official Plans be harmonized, or would there be different policies in different parts of the City
- is the budget adequate for all the meetings needed.

Staff made a commitment to hold individual public meetings in all the former area municipalities to review housing/residential policies. Mr. Janssen said that the other major policy areas would be considered at meetings distributed around the City but that there would not be individual meetings in the former municipalities for each of these topics.

Staff confirmed that the budget was adequate to cover the public input process but that additional funds would be needed for any OMB appeals after the approvals.

Committee received the staff report.
Joanne Hickey-Evans gave an introduction to the background and purpose of the staff report, with the aid of a powerpoint presentation. Copies of the staff presentation were distributed to members of Committee.

Ms. Hickey-Evans noted the initiatives which had already been completed, including GRIDS, and highlighted the ongoing initiatives, noting that the presentations today would focus on the various employment lands issues and request authorization to consult with the public on the conversion areas of employment lands, and the updated Employment Land Supply/Budget.

Carolynn Reid introduced the Historical Land Use Inventory Study, and noted that the study’s conclusion was that there are 91 sites which are classified as brownfields.

Brian Betts and Andrea Ferguson Jones from MMM gave an overview of the study and its detailed conclusions, with the aid of a powerpoint presentation. Mr. Betts explained that the project objective was to develop a GIS-based tool to identify properties of interest. He said that the project had identified 1386 properties of interest, of which 91 have been identified as brownfields. He noted the brownfield definition included the wording “abandoned, vacant, derelict or under-utilized commercial or industrial property”.

Committee discussed the presentation and asked questions including the following:

- definition of brownfields/how arrived at
- what is “under-utilized”, is this subjective
- could number of brownfields increase over time
- issue of perception of brownfields in Hamilton, surprise that there are so few identified
- do we need more enforcement of Property Standards
- does brownfield number include Port Authority lands

Staff advised that the definition is well accepted; that under-utilized is a subjective word; the number of brownfields may increase over time; Property Standards is currently enforced on a complaint basis but this is under review; that the 91 sites comprise 376 acres, of which 56 are under 1 acre. In addition, some lands and buildings may look abandoned but are actually in use and paying taxes; Port Authority lands are included and that a functioning scrapyard is not a brownfield under this definition.
Councillor McHattie, seconded by Councillor Clark, made a Motion that staff report back on a new definition of brownfields, to include an additional category of employment lands which may become available within the 2031 planning timeframe.

Guy Paprella suggested that the Motion be held until the complete staff presentations had been made, and the Motion was not voted upon.

Joanne Hickey-Evans gave an overview of the peer review of the Hemson Comprehensive Employment Study, by MKI. MKI concluded that major office employment growth of 11,000 jobs to 2031 was optimistic and that a figure of 31 jobs per hectare was more realistic than the Hemson 37 jobs per hectare. Ms Hickey-Evans recommended that the Hemson figures be retained.

Committee discussed the presentation in detail and had additional information supplied by staff. Staff explained the importance of using Provincial targets.

Anthony Lorius, Hemson Consulting, gave an overview of Employment land, retention and conversion criteria with the aid of a powerpoint presentation. He explained the need for municipalities to comply with Provincial legislation and the particular importance of protecting employment land and adding more where possible. Mr. Lorius explained that conversion was possible for some scattered sites.

Committee discussed the presentation in detail and had further information supplied by the speaker.

Joanne Hickey-Evans addressed Committee respecting the proposed conversion sites, with the aid of a powerpoint presentation.

Committee discussed the proposed conversion sites. Councillor Ferguson requested that a site on Wilson Street in Ancaster be added to the list, and developed for commercial retail uses.

Committee discussed the matter and staff explained why this site is not recommended for conversion, how it does not meet the criteria developed by staff for conversion, and that the municipality should conclude its overall study, before considering further conversion sites.

Councillor Jackson suggested that an eleven acre site at the north-east quadrant of Pritchard and Stone Church Road East should also be considered for conversion to commercial use.

Committee discussed the request, and staff explained that further conversions would result in the need for extra employment lands around the airport.
On a Motion, (Mitchell/Pearson), Committee approved an amendment to the staff recommendation (c), to include the Pritchard/Stone Church Road East and Ancaster sites within the public consultation process as potential sites for conversion to commercial uses.

Ron Shishido, Dillon Consulting, gave an overview of the Land Supply / Budget.

Conclusions / Next Steps-City staff

Guy Paparella provided Committee with an overview of the afternoon’s presentations and confirmed that staff would be bringing a report, with the outcome of the public input process, to a special COW in June, 2008.

Committee then voted separately on the recommendations in PED08066, as previously amended. Councillor Clark requested his opposition to staff recommendations (a), (d) and (e) be recorded.

Committee agreed that due to the lateness of the hour, the reports on Brownfield Land Banking Study (PED07043(b)) and Private Waste Disposal Sites Study (PED08004), and the Motion respecting the former Royal Connaught Hotel, would be held over until the next meeting.

ADJOURNMENT (Item 13)

There being no further business, the Economic Development and Planning Committee adjourned at 6:05 p.m.

Respectfully submitted,
