SUBJECT: Removal of ‘H’ Holding Symbol from Lands Located at 187 Stone Church Road (Ancaster) (PED06095) (Ward 12)

RECOMMENDATION:

That approval be given to Zoning Application ZAH-06-06, The Governing Council of The Salvation Army, owner, for removal of the ‘H’ Holding symbol from the Institutional – Holding “I-469” – ‘H’ Zone, to permit the development of a new place of worship, on lands located at 187 Stone Church Road (Ancaster), as shown on Appendix “A” to Report PED06095, on the following basis:

(a) That the zoning of the subject lands be changed from the Institutional – Holding “I-469” – ‘H’ Zone to the Institutional “I-469” Zone.

(b) That the draft By-law, attached as Appendix “B” to Report PED06095, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council.

(c) That the proposed change in zoning is in conformity with the Hamilton-Wentworth Official Plan and the Ancaster Official Plan.

EXECUTIVE SUMMARY:

The purpose of the application is to remove the ‘H’ Holding symbol from the lands known municipally as 187 Stone Church Road (Ancaster), as shown on the attached Appendix “A”.

The proposal is consistent with the principles and policies of the Provincial Policy Statement and conforms to the Hamilton-Wentworth Official Plan and the Ancaster Official Plan. The conditions for removal of the ‘H’ Holding Symbol, which require an approved site plan application and submission of a Record of Site Condition, have been satisfied.

Based on the above, the Zoning Amendment application for the removal of the ‘H’ Holding symbol can be supported.

BACKGROUND:

Proposal

The applicant has applied to remove the ‘H’ Holding symbol from the subject lands (see Appendix “A”) in order to permit the development of a new church and 117 associated parking spaces, on lands located at 187 Stone Church Road.

Zoning Amendment Application ZAC-01-14

An application was submitted in 2001 for a change in zoning from the Agricultural “A” Zone to the Institutional – Holding “I-469” – ‘H’ Zone for the subject lands, known then as 3 Stone Church Road West. The application was approved and the lands were placed in a Holding Zone to prohibit the development of the lands until such time that the owner applied for, and received, approval of a Site Plan Control application and submitted a signed Record of Site Condition (RSC), to the satisfaction of the City of Hamilton.

The modification, which was included in the zoning, required a permanently maintained planting strip of a minimum width of 5.0 metres to be provided and maintained along the street line, except for aisles or driveways required for access to parking areas.

Site Plan Application DA-05-129

An application was submitted in 2005 for Site Plan approval to permit the development of a church upon the subject lands. The application was approved with conditions in January 2006 (see Appendix “C”)

ANALYSIS/RATIONALE:

In order to remove the ‘H’ Holding symbol, staff must be satisfied that the provisions for lifting the ‘H’ symbol in the Zoning By-law have been addressed. The ‘H’ Holding provision requires that prior to its removal, the owner apply for, and receive, approval of a Site Plan Control Application for the development of the subject lands, and submit a signed Record of Site Condition (RSC), to the satisfaction of the City of Hamilton. This ‘H’ Holding provision was placed upon the subject lands through a By-law amendment recommended in zoning application ZAC-01-14.

The subject lands are adjacent to an Environmentally Significant Area/Provincially Significant Wetland (ESA No. 46 – Tiffany Creek Headwaters). The impact of the development upon the ESA was investigated and assessed under Site Plan Application DA-05-129. Staff, in assessing a submitted Environmental Impact Study and a Phase 1 – Environmental Site Assessment, and from their own knowledge of the area through the approval of recent planning studies, were able to conclude that the proposed development not only ensured the ESA would be protected, but also that the results of the Phase 1 Environmental Site Assessment were considered acceptable to address the requirement for an RSC.
In addition, ESAIEG reviewed the EIS and concurred “that due to the previous activities and limited vegetation resources on site, it is reasonable to expect that there will be no significant impacts to the adjacent ESA. ESAIEG concurs with the conclusions and enhancement opportunities outlined in the EIS”.

As staff was satisfied that environmental, as well as other development requirements were adequate, the Site Plan Application was approved with conditions. The two provisions for lifting the ‘H’ Holding symbol have, therefore, been addressed and the present application can now be supported.

**ALTERNATIVES FOR CONSIDERATION:**

Development of the subject lands cannot occur until the ‘H’ Holding symbol has been removed by way of amending the Zoning By-law.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

Financial: N/A.

Staffing: N/A.

Legal: The Planning Act does not require a Public Hearing to be held for the removal of a Holding ‘H’ symbol. However, notice of the intent to pass the By-law must be given to the landowner and anyone who had requested notice. There is no appeal for the removal of a Holding ‘H’ symbol.

**POLICIES AFFECTING PROPOSAL:**

**Provincial Policy Statement**

This application is consistent with the principles and the policies of the Provincial Policy Statement. Staff notes that the issues of potential contamination and environmental impacts have been addressed in order to comply with the requirements for lifting of the ‘H’ Holding symbol.

**Hamilton Wentworth Official Plan**

The subject property is designated as “Urban Area” within the Hamilton-Wentworth Official Plan. Policy 3.1 outlines that a wide range of urban uses, defined through the Area Municipal Official Plans and based on full municipal services, will be concentrated in the Urban Areas. The proposal conforms to the Hamilton-Wentworth Official Plan.

In addition, the subject lands are located adjacent to an Environmentally Significant Area (ESA No. 46 – Tiffany Creek Headwaters). Following consultation with ESAIEG under Site Plan Application (DA-05-129), all environmental concerns related to the development have been resolved. The measures recommended by ESAIEG consisted of ensuring only native trees and shrub species were used for landscape plantings.
Town of Ancaster Official Plan

The subject property is designated as “Urban Area” on Schedule “A” and “residential” on Schedule “B”. The “Residential” designation permits uses such as churches, as stated in Section 4.4.1 of the Ancaster Official Plan. This application conforms to the Official Plan.

The site is also within the Meadowlands Mixed Use Secondary Plan Map 1. It is designated as “Residential” and “Special Study Area – ‘Part C’ (Institutional Use)”. These policies permit a church on this property.
