   (a) That the Report from the Facilitator, attached as Appendix “A” of Report CM09006(e) be received and the recommendations outlined
(b) That staff be directed to evaluate, in addition to the West Harbour Precinct, a possible second option for the Pan Am stadium, identified in the Facilitator’s Report as the East Mountain precinct (Option B);

(c) That the evaluation be undertaken with the full participation of the Hamilton Tiger-Cats, the 2015 Pan Am Games Host Corporation and Infrastructure Ontario;

(d) That staff be authorized to send correspondence to the 2015 Pan Am Games Host Corporation, Federal Government, Ontario Realty Corporation and Metrolinx indicating that the City and Tiger-Cats are conducting further evaluation for the Pan Am stadium; and

(e) That Council endorse the recommendation contained in the Facilitator’s report under section 6.05 that the City give immediate consideration to initiating discussions with the Governments of Ontario and Canada and their agencies, with a view to linking its plans for a stadium for the Pan Am Games with:

(i) measures to support and accelerate specific initiatives to develop the Hamilton waterfront and downtown

(ii) measures to support the installation of GO Transit regional rail transit stations in the West Harbour / LIUNA area and in the QEW ‘eastern gateway’ vicinity, and refining the City’s urban rapid transit proposals; and,

(iii) measures that might be taken by senior levels of government and others, to offset the cost of expanding the seating capacity of the Pan Am Games stadium beyond the requirements of the Pan Am Games (originally suggested as seating for approximately 15,000), to produce an outstanding legacy facility for use by the Hamilton Tiger-Cats, professional soccer, spectator entertainment events and other purposes, serving Hamilton and its regional market.

(f) That the City of Hamilton, working with the Province of Ontario, and the Tiger Cats examine the feasibility of providing an exit ramp from the Redhill Valley Parkway to the proposed East Mountain stadium site and an exit ramp from the proposed East Mountain stadium site to the Redhill Valley Parkway to be funded by Infrastructure Ontario.

- The proposed Memorandum of Understanding with Katz should be considered separately from the Tiger Cats proposal;

- That staff re-examine the City’s financial commitment of $60M from the Future Fund;
- What effects zoning, environmental assessment, traffic patterns and geotechnical issues would have on the proposed precincts?
