Hamilton – City – Council

Thank you for placing your votes on the West Harbours.

You have done what is commendable to uphold social justice.

You have taken the directions that are vital for the prosperity and growth.

You also opened up ways for new comers in person and in business.

New ideas, new methods will frame the way to the future of our city.

I am certain that many will come to our city where social justice prevails.

Us who are already here will also benefit through this innovations.

I invite every one to take part in the revitalizations of our city and to support our City Councils directions that will bring prosperity on all levels for all of us.

Regards

Maria Rodriguez
