- (ii) Ron Lewis, respecting Permanent Closure and Sale of a Portion of Public Unassumed Alley Abutting 127 and 129 Simcoe Street East and 400 and 402 Mary Street, Hamilton

**(e) PUBLIC HEARINGS/DELEGATIONS (Item 6)****(i) Brenda Johnson, Project Manager, Environment Hamilton, to provide updates regarding garbage reduction at Woodward School and “Passport to Hamilton” Project**

Brenda Johnson, Project Manager of Environment Hamilton, appeared before the Committee to provide updates on the following programs:

**(aa) “Passport to Hamilton” Project**

- Project launched in July, 2008 at Bayfront Park with the anticipated goal to sell 800 passports between July and August, 2008; actual number of passes sold totaled 1,023
- Successes include: over 30% increase in day pass sales; 80 destinations now registered that will offer one or more of discounts/sell day passes; distribute maps and brochures
- Challenges: funding, staff time; time and resources needed to expand advertising on the 2009 map.

Ms. Johnson’s presentation also included the various methods and resources that are engaged to promote the “Passport to Hamilton” project, such as decals shown in the windows of participants who either distribute the maps, sell the passes or participate in the program. Brochures are also distributed throughout the City’s recreation facilities and civic museums.

Committee members also suggested other venues to make the public aware of this program, including involving the schools.

Ms. Johnson also acknowledged and thanked HSR staff for their assistance, including Don Hull, Director of Transit, Cindy Slinn, Marketing Co-ordinator, and Colin Kerr, Supervisor of Revenue and Accessibility. She also thanked Scott Stewart, General Manager of Public Works, and Joe-Anne Priel, General Manager of Community Services for all of their assistance and co-operation.

In providing the update to the Committee, Ms. Johnson stated that she wanted to leave doors open to make sure that the project does not slow down or loose momentum.

**(bb) Garbage Reduction at Woodward School**

Ms. Johnson outlined a program which was implemented at Woodward School to reduce their volume of garbage. The aim of the students was to make a positive contribution to Earth Day by minimizing waste, conserving energy and grooming the school.

In order to achieve their goals, the students:

- Brought litterless lunches to school;
- Recycled all of their paper products
- Used a green bin for food waste;
- Learned as much as they could about being Earth Keepers.

As a result of their efforts, Woodward School:

- Reduced 96 garbage bags per month to 4
- Beautified their surroundings
- Home Depot contribution of staff time, bird house kits and plantings
- Received the “Al Gore” Aware from Environment Hamilton
- Will be hosting an event on November 14 that will include a Principal, key staff member and caretaker from 10 Elementary Schools.

Environment Hamilton wants to share this success story and the lesson that it can be done if the right things are put into place.

Mayor Eisenberger and members of the Committee commended Ms. Johnson and EH for their achievement and suggested that a presentation be made to the City’s Joint City/Board Relations Committee. Once a meeting date is determined for the Committee, staff will contact Ms. Johnson to make the necessary arrangements.

On a motion, the presentations from Brenda Johnson, Project Manager, Environment Hamilton, respecting the “Passport to Hamilton” Project and garbage reduction at Woodward School were received.

**(ii) Ron Rambarran, Principal, Columbia International College, regarding traffic concerns respecting student crossing between 1003 and 1033 Main Street West**

Messrs. Ron Rambarran, Principal, and Jim Campbell, General Manager, of Columbia International College, appeared before the Committee to express their concerns respecting students crossing between 1003 and 1033 Main Street West.

In his presentation, Mr. Rambarran read from e-mails he has received over the years from a number of his colleagues/teachers at the school, all expressing similar concerns with the safety of the intersection.

He indicated that discussions have taken place with the Hamilton Police Service and the Public Works Department in the past; however, studies at that time did not reflect the number of near-miss accidents that occurred at that time and in fact, all accidents may not have been recorded in the public record.

On a motion, the following was put forward:

Whereas hundreds of Columbia College students daily cross the exit and entry ramps of the 403 moving between buildings at 1003 and 1033 Main Street West;

Whereas there have been many near misses over the past years;

Whereas Columbia College has offered to provide a school crossing guard, or have requested a flashing amber warning light to no avail;

Whereas in mid-September, two students were hit by a car, fortunately not being seriously injured.

Therefore Be It Resolved

- (a) That City Traffic staff be requested to convene a meeting with their counterparts at the MTO, in conjunction with the Ward Councillor and Columbia International College, to discuss mitigation options;
  - (b) That a copy of this resolution be forwarded to the Honourable Ted McMeekin, M.P.P., Ancaster-Dundas-Flamborough-Westdale.
- (iii) **Ron Lewis, respecting Permanent Closure and Sale of a Portion of Public Unassumed Alley Abutting 127 and 129 Simcoe Street East and 400 and 402 Mary Street, Hamilton**

Ron Lewis, residing at 400 Mary Street, Hamilton, appeared before the Committee to advise that he has been and still is opposed to the permanent closure of the alley behind his residence. A copy of Mr. Lewis' written submission providing his comments was distributed to the Committee and has been retained in the Office of the City Clerk for the public record. Mr. Lewis also provided the Committee with a real estate listing at 400 Mary Street from 2003 showing details of the property i.e., lot size, room dimensions, description, etc.

The Chair asked if there was anyone present wishing to speak to this issue. The following individuals spoke in support of Mr. Lewis:

- Royce Arnold
- Janice Lewis

- Kelly Blandin
- Rose Kriedemann
- Roger Boyer
- Sam Hammond
- Gary Robinson
- Jack Cote
- Ross Bowman
- Dale Auguste.:

Gord Ellis, residing at 129 Simcoe Street East, spoke in favour of the permanent closure

The Chair requested that those members wishing to speak provide their name, address and phone number on a sheet provided on the podium to become part of the public record.

Angela Storey, Supervisor of Operations Administration, provided the Committee with an overview of the closure of the alleyway. Karen Kelly, Solicitor, and Nick Anastasopoulos, Co-ordinator of Building Inspections, were also in attendance to respond to questions of the Committee.

Staff advised that an update will be provided to the Committee at the next meeting respecting the current review of alleyways, and that the final report will be presented to the Committee in February/March or 2009.
