SUBJECT: Enterprise Zone Municipal Realty Tax Incentive Grant Program
Application for 170-176 Jackson Street West, Hamilton EZ07/01
(PED07050) (Ward 2)

RECOMMENDATION:

That Application EZ07/01 for the proposed redevelopment of 15 residential units at 170-176 Jackson Street West, be approved as an eligible project under the 10 Year “Enterprise Zone Municipal Realty Tax Incentive Grant Program”.

EXECUTIVE SUMMARY:

Report PED07050 summarizes an application under the “Enterprise Zone Municipal Realty Tax Incentive Grant Program” submitted by Aquino Construction Limited for the property located at 170-176 Jackson Street West, Hamilton, an existing apartment building (see Appendix “A” to Report PED07050). The proposed project involves the redevelopment of 15 residential units that are presently vacant. The proposed redevelopment meets the criteria and requirements of the EZ Program and is consistent with the designations and policy direction of the Downtown Hamilton Secondary Plan. Aquino Construction Limited is working with staff of the Planning and Economic Development Department through various permitting processes.
BACKGROUND:

On August 22, 2001, City Council approved an amendment to the Downtown Hamilton Community Improvement Plan which introduced the “Enterprise Zone – Municipal Realty Tax Incentive Grant Program” (“EZ Program”). Since that time, a number of program refinements have been approved by City Council. The EZ Program applies to properties within the Downtown Hamilton Community Improvement Project Area. The program authorizes for each approved grant application, a 9 year grant, the amount of which is subject to Council approval, in an amount not exceeding the increase in municipal realty taxes as a direct result of the development/redevelopment of the land and/or building. The total of each property’s 9 years of approved grants shall not exceed the costs of the property’s development/redevelopment. The grant does not exceed 100% of the municipal realty tax increase during the first five (5) years, 80% in year six (6), 60% in year seven (7), 40% in year eight (8) and 20% in year nine (9). One of the program enhancements approved since the original program was introduced is the ability of a developer of residential condominium units to pass the tax grant on to first residential condominium purchasers only. If the developer chooses to exercise this option the tax grant program is reduced from nine (9) years to five (5) years at 100%.

As applications have been received under the EZ Program since 2002, the Downtown Renewal Division has sought City Council’s initial approval of the proposed developments. Once the projects have been completed and reassessment by the Municipal Property Assessment Corporation (MPAC) has occurred, staff will submit a final report relating to the proposal recommending a program of tax grants as contemplated under the terms of the EZ Program.

ANALYSIS/RATIONALE:

Application EZ07/01 for the property located at 170-176 Jackson Street West is for the redevelopment of 15 residential units. The redevelopment cost is estimated at $100,000-$150,000. The subject property is within the Enterprise Zone boundary outlined in the Downtown Hamilton Community Improvement Plan.

The proposed redevelopment is consistent with the designation, intent and policy direction of the Downtown Hamilton Secondary Plan, which accommodates low-rise and mid-rise apartments in the Medium Density Residential designation. Multiple dwellings are a permitted use under the Downtown Zoning By-law’s “Downtown Multiple Residential (D6)” Zone.

ALTERNATIVES FOR CONSIDERATION:

The Enterprise Zone Municipal Realty Tax Incentive Grant Program enhances the financial viability of the proposed redevelopment at 170-176 Jackson Street West. In the event that the project was not to be considered for the program, the redevelopment would be faced with a significant financial difficulty.

**Staffing** - Administration of this application under the terms of the program can be accommodated by staff of the Downtown Renewal Division and the Corporate Services Department.

**Legal** – Upon City Council approval of the staff recommendation and reassessment of the property by the Municipal Property Assessment Corporation (MPAC), an Agreement between the City and the applicant will be negotiated and executed in a form satisfactory to the Director of Downtown Renewal and the City Solicitor.
