Chair Mitchell advised the meeting of the following, in accordance with the requirements of the Planning Act;

a) If a person or public body does not make oral submissions at a public meeting or make written submissions to the Council of the City of Hamilton before the approval authority gives or refuses to give approval to the draft plan of subdivision, or to the zoning by-law, the person or public body is not entitled to appeal the decision of the Council of the City of Hamilton to the Ontario Municipal Board.

Trevor Horzelenberg outlined the report to Committee. He noted some initial concerns on the part of existing residents, respecting grading, location of the temporary cul-de-sac, sidewalks and parking issues, and how these have been addressed.

Steve Fraser, A.J. Clarke and Associates, advised Committee that he supported the staff recommendation.

No members of the public came forward to address Committee on this matter.

Committee discussed the proposal and had additional information supplied by staff, including details of the storm water management arrangements for the site.

Committee approved the staff recommendation.

(i) City of Hamilton’s War of 1812 Bicentennial Commemoration Initiative (PED07257/ECS07069) (City Wide) (Item 8.1)

David Adames gave an overview of the staff report. He noted that the events would be in commemoration of the war, and did not constitute a celebration.

Ian Kerr-Wilson provided some further background.

Committee discussed the matter and had additional information supplied by staff. Staff explained that the commemoration initiative involved both the Federal and Provincial governments, as well as the areas of Niagara, Toronto, Windsor, Kingston, the Georgian Triangle and Hamilton, and that events would also take place in the United States. Mr. Adames noted that the main events would take place in 2013.

Committee approved the staff recommendation and agreed that the two Council members to sit on the Citizens’ Advisory Committee would be chosen at Council.
Petitions Requesting the Elimination of the Requirement for Sidewalks
Tanglewood Drive in “Jackson Heights, Phase 2”, Glanbrook, and Tevere
Place in “DiCenzo Gardens, Phase 7”, Hamilton Subdivisions
(PED07267)Wards 7 & 11 (Report to be distributed) (Item 8.2)

Chair Mitchell vacated the Chair and it was assumed by First Vice-Chair Whitehead.

Helen McArthur gave a brief overview of the staff report. She explained the
closeground to the Council approved sidewalk policy.

Councillor Duvall noted that the staff report was missing some of the information
respecting options, supplied by the residents in DiCenzo Gardens who supported
the petition. He explained that this information should be given to Committee
before a decision was made.

On a Motion (Duvall/Mitchell), the section of the staff report regarding the
sidewalks on Tevere Place, DiCenzo Gardens, was deferred to the next meeting,
and staff was directed to circulate the missing material, with the next Agenda.

Councillor Mitchell provided background to the development of the Jackson
Heights subdivision in Binbrook. He explained that while he is in favour of the
City policy on sidewalks, the subject situation is unique, and should be treated as
an exception. Councillor Mitchell noted points including, but not limited to, the
following:

- proximity of the subdivision to the Green Belt
- the need to preserve the character of the rural town
- how the areas surrounding this subdivision had been developed under the
  former Township of Glanbrook policies, which did not require sidewalks
- the need for this subdivision to blend in with its surroundings

He favoured Option 2 in the staff report.

Committee discussed the matter in detail, and had further information supplied by
staff. Staff confirmed that the sidewalk policy had been adopted in April 2003,
and that subdivisions approved prior to this date had been grandfathered.

Committee reviewed various ways of addressing the concerns raised by the
property owners, the legal and practical issues involved and the difficulties which
would arise if sidewalks were installed at a later date.

Councillor Whitehead vacated the Chair to Second Vice-Chair Pearson, to
address Committee and explained that a precedent for eliminating sidewalks had
already been set in Councillor Collins’ Ward. Councillor Whitehead then
resumed the Chair.

Council – October 10, 2007
Committee approved Option 2 in the staff report, as amended, and emphasized that the property owners, not the City, should bear the associated legal costs. Councillors Clark and Bratina requested that their opposition be noted in the record.

Councillor Duvall advised that he favoured the approval of Option 2 for the DiCenzo Gardens subdivision.

On a Motion (Duvall/Bratina), the tabling Motion respecting DiCenzo Gardens was withdrawn.

Committee then discussed the DiCenzo Gardens subdivision sidewalk issue. They agreed that there were differences between DiCenzo Gardens and Jackson Heights, and that the DiCenzo Gardens issue should be brought to the next meeting.

On a Motion (Duvall/Ferguson), the section of Report PED07267 respecting sidewalks in DiCenzo Gardens was tabled to the next meeting, and staff was directed to circulate the additional material from the residents, with the next Agenda.

(k) **Sound System in Hamilton Convention Centre for Committee Meetings**

Members noted that the portable sound system currently being used is of poor quality and does not function effectively.

The following Motion (Ferguson/McHattie) was passed;

That a more reliable sound system be provided for the Albion Room, and other rooms in the Hamilton Convention Centre, at the earliest time possible.

(l) **Appointment of citizens to the Ancaster Village Core Committee (Added Item 9.1)**

Councillor Ferguson explained that following consideration by the sub-committee formed for this task, recommendations on appointments to the Ancaster Village Core Committee had now been finalized. An appropriate Motion was passed.
Councillor McHattie introduced the following Motion:

That a letter be forwarded to the Premier of Ontario thanking him on behalf of the City and the Hamilton LACAC (Municipal Heritage Committee) for the Provincial funding which has been promised for the development of the Lister Block.

Councillor McHattie spoke to the Motion, and noted that it had been passed by LACAC, after the Provincial money for the Lister Block had been promised. Committee discussed the matter, and agreed that after the initial money had been promised by the Provincial government, some of the terms had been changed, and there was less certainty attached to the funding. Committee agreed that as the grant had not yet been made, it was not an appropriate time to thank the Province.

Councillor McHattie withdrew his Motion.

Councillor McHattie introduced his Motion:

WHEREAS, the historic building located at 225 James Street South, Hamilton is in danger of being demolished;
AND WHEREAS, the property and building thereon has been evaluated according to prescribed criteria in Ontario Regulation 9/06, Criteria for Determining Cultural Heritage Value or Interest under the Ontario Heritage Act as outlined in the attached report as Appendix C;
AND WHEREAS, the property meets the prescribed criteria 1.(2)1.i and ii; 1.(2)2.i; and, 1.(2)3.i and iii contained in Ontario Regulation 9/06, Criteria for Determining Cultural Heritage Value or Interest and satisfies those requirements under Subsection 29.(1)(a) of the Ontario Heritage Act;
AND WHEREAS, the said property is considered to be a property of Cultural Heritage Value and worthy of designation under Part IV of the Ontario Heritage Act;
AND WHEREAS, the municipal heritage committee has advised in this matter and has been consulted according to Subsection 29.(2) of the Ontario Heritage Act;

NOW, THEREFORE, THE COUNCIL OF THE CITY OF HAMILTON ENACTS AS FOLLOWS:

(a) That the designation of 225 James Street South, Hamilton, as a property of cultural heritage value pursuant to the provisions of Part IV of the Ontario Heritage Act, 1990, be approved.
(b) That the Statement of Cultural Heritage Value and Description of the Heritage Attributes, attached as Appendix A, be approved.
(c) That the City Solicitor be directed to take appropriate action to designate 225 James Street South, Hamilton, under Part IV of the Ontario Heritage Act, in accordance with the Notice of Intention to Designate, attached as Appendix B.

Councillor McHattie noted that he would like to defer the discussion of the Motion, as he was still in discussions with the owners of the building, and to defer the entire matter to Council.

Committee discussed the timing of the issue and the process being followed.

The following Motion (McHattie/Bratina) was moved:

That the matter respecting the proposed designation of 225 James Street South, Hamilton, be referred to the Council meeting of October 10, 2007, to permit further discussions to take place with the owners of the property.

On a Standing Recorded Vote, the referral Motion was defeated, on a tie vote.

Yeas: McHattie, Bratina, Duvall, Pearson
Total: 4
Nays: Clark, Whitehead, Ferguson Mitchell
Total: 4
Absent Pasuta

Committee continued to discuss how the matter should be addressed.

Councillor McHattie proposed that the Motion be withdrawn. The seconder of the Motion, Councillor Bratina, agreed.

Planning staff gave a brief overview of the issue. David Cuming explained that staff had met with representatives of the owners, St. Joseph’s, but that no conclusion had been reached.

Committee continued their discussion.

On a Motion (Clark/Duvall), Committee referred the matter of 225 James Street South to Committee of the Whole on October 9, 2007, and directed that staff invite Dr. Kevin Smith, or other representatives from St. Joseph’s Health Care, to attend the meeting and speak to the issue.
(o)  **Thumper Cars (Added Item 9.4)**

Councillor Whitehead requested an update on this issue, and the ways in which the problem could be addressed.

Marty Hazell explained that this type of nuisance is addressed under the Highway Traffic Act and the City’s Noise By-law. However, most of the nuisance is when the cars are being driven, and so enforcement has to be done by Police Services, as City staff have no authority to stop cars, or ask for identity of drivers.

Councillor Whitehead asked if staff could review the internet, for practice in other municipalities across Canada and the United States.

A Motion by Councillor, seconded by Councillor Duvall, to direct staff to report back on this matter was defeated.

Committee continued to discuss the matter. They gave direction to staff to obtain information from Police Services, on how thumper cars are being addressed, and bring this back to Committee.

(p)  **News from the General Manager (Item 11.1)**

Mr. McCabe noted that the new Economic Development website was having a live demonstration at 12:20 today, in the Convention Centre.

Mr. McCabe then updated Committee on changes in the department. He noted that Paul Mason had retired last week. Mr. McCabe explained that the Long Range Planning Division has been re-named as Strategic Services and Special Projects, with Bill Janssen as Acting Director, Al Fletcher as Manager of Zoning By-law Reform, and Joanne Hickey-Evans continuing as Manager of Policy Planning. Mr. McCabe then announced that Paul Mallard is now Director of Planning, David Cuming is Acting Manager of Community Planning and Design, and John Spolnik will remain as Acting Director in Building Services.

Mr. McCabe requested that a Councillor be appointed to the Industry Education Board.

On a Motion (Clark/Pearson), Councillor Ferguson was chosen as the representative from Council.
