Ladies:

For our appearance before your individual councils, we are requesting each council pass a resolution supporting our “Simply Tree-mendous” challenge. Listed below is a sample/suggested wording for the resolution.

“That the (insert name of member municipality) hereby approves the participation in the Niagara Peninsula Conservation Authority’s, “Simply Tree-mendous” Challenge to achieve the planting of 50,000 trees and shrubs throughout the Authority’s watershed area of jurisdiction; and to encourage our residents, groups, service clubs and businesses to take up this challenge/competition in the (insert name of member municipality);

And that the NPCA be so advised in writing."

Thank you for your assistance once again. I will be providing all with an electronic copy of our power point presentation later this week.
