RECOMMENDATION

(a) That approval be given to Zoning By-law Amendment Application ZAR-13-021, by Aegean Enterprises, Owner, for a change in zoning from the “G/S-1361” (Neighbourhood Shopping Centre, etc.) District, Modified, to the G/S-1361a” (Neighbourhood Shopping Centre, etc.) District, Modified, to permit a dance studio as an additional permitted use, on lands located at 981 - 985 King Street West (Hamilton), as shown on Appendix “A” to Report PED14007, on the following basis:

(i) That the draft By-law, attached as Appendix “B” to Report PED14007, which has been prepared in a form satisfactory to the City Solicitor, be enacted by Council;

(ii) That the amending By-law be added to Section 19B of Zoning By-law No. 6593 as “G/S-1361a”; and,
(iii) That the proposed modification in zoning conforms to the Urban Hamilton Official Plan (UHOP) and the Ainslie Woods Westdale Secondary Plan.

EXECUTIVE SUMMARY

The purpose of the application is to modify the Hamilton Zoning By-law on lands municipally known as 981 - 985 King Street West (Hamilton), in order to add a dance studio as a permitted use within an existing three-storey, mixed-use commercial/residential building (See Appendix “C”).

The proposal has merit and can be supported, as it is consistent with the Provincial Policy Statement (PPS), and conforms to Places to Grow and the UHOP. The proposal will allow for an efficient use of land by permitting an additional commercial use on a property within the existing urban area.

Alternatives for Consideration – See Page 10.

FINANCIAL / STAFFING / LEGAL IMPLICATIONS

Financial: None

Staffing: None

Legal: As required by the Planning Act, Council shall hold at least one Public Meeting to consider an application for a Zoning By-law Amendment.

HISTORICAL BACKGROUND

Proposal:

The subject property, known as 981 – 985 King Street West (Hamilton), is located on the south side of King Street West, east of Marion Avenue South, and west of the Westdale Library (See Appendix “A”). The subject lands consist of a three-storey, mixed-use, commercial/residential building on the west side of the subject lands, and associated visitor parking on the east side of the subject lands.

The mixed-use building currently contains an existing dance studio which is not permitted under the “G/S-1361” (Neighbourhood Shopping Centre, etc.) District, Modified zoning provisions. As a result, a Zoning By-law Amendment application is required.
The purpose of this application is to add a dance studio as an additional permitted use within the existing, three-storey, mixed-use building, in order to legally permit the use. No other changes to the zoning provisions are proposed (See Appendix “B”).

OUR Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.

OUR Mission: WE provide quality public service that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Values: Accountability, Cost Consciousness, Equity, Excellence, Honesty, Innovation, Leadership, Respect and Teamwork
**POLICY IMPLICATIONS/LEGISLATED REQUIREMENTS**

**Provincial Policy Statement**

The application has been reviewed with respect to the PPS policies that contribute to the development of healthy, liveable, and safe communities as contained in Policy No. 1.1.1. In particular, the application is consistent with Policy No. 1.1.1b), accommodating an appropriate range and mix of employment uses, to meet long-term needs.

Also, the application is consistent with Policy No. 1.1.1e), which promotes cost-effective development standards to minimize land consumption and servicing costs, and Policy No. 1.1.3.2a), where land use patterns shall be based on densities and mix of land use which efficiently uses land, infrastructure, and resources.

Based on the foregoing, the proposal to permit a dance studio as an additional permitted use within the existing, mixed-use building, is consistent with the PPS.

**Growth Plan for the Greater Golden Horseshoe (Places to Grow)**

The application has been reviewed with respect to the Growth Plan for the Greater Golden Horseshoe. The subject property is located within the Built-Up Area, as defined in the Plan. The application conforms to Section 1.2.2, where some of the guiding principles of the Plan are to “build compact, vibrant, and complete communities”, “plan and manage growth to support a strong and competitive economy”, and to “optimize the use of existing and new infrastructure to support a compact, efficient form.”

The application also conforms to Section 2.2.2, where the proposed development will contribute to the City’s objective of reducing the dependence on the automobile through the reinforcement of the existing mixed-use, transit-supportive urban environment, ensure the availability of sufficient land for employment to accommodate forecasted growth to support economic competitiveness, and to encourage cities to develop complete communities with a diverse mix of land uses, and a range and mix of employment. The subject lands are located on a commercial corridor abutting established residential uses, and are located along an existing bus route.
The proposal to permit a dance studio as an additional permitted use within the existing, mixed-use building conforms to the policies of the Growth Plan for the Greater Golden Horseshoe (Places to Grow).

**Urban Hamilton Official Plan**

The majority of the UHOP is now in force and effect, except for some of the residential intensification policies and other site specific appeals.

The subject lands are designated “Mixed Use - Medium Density” on Schedule “E-1” – Land Use Designations. Policy No. E.4.6.5a) permits a range of commercial uses such as retail stores, personal services, financial establishments, and artist studios. In addition, under Policy E.4.0 – Commercial and Mixed Use designation, permitted retail and service commercial uses in the Mixed Use designations, are a key component of the planned function of a commercial corridor, as these uses provide an important commercial service to the surrounding community. The following policies under E.4.0 – “Commercial and Mixed Use Designation” and Policy E.4.5 – “Mixed Use – Medium Density” designation apply:

"E.4.1.3 Create comfortable, walkable and stimulating pedestrian streets along key roads within the mixed use areas.

E.4.1.4 Maintain an appropriate distribution of retail and commercial services in each neighbourhood in order to meet the day-to-day and weekly shopping needs of residents and in locations which are highly accessible by active transportation and transit, as well as the automobile.

E.4.2.4 The majority of retail and service commercial uses shall be directed to the Mixed Use designations in the Urban Nodes and Urban Corridors.

E.4.6.1 The range of commercial uses is intended to serve the surrounding community or series of neighbourhoods as well as provide day-to-day retail facilities and services to residents in the immediate area. These areas shall also serve as a focus for the community, creating a sense of place.

E.4.6.2 The Mixed Use – Medium Density designation shall be applied to traditional "main street" commercial areas outside of the area designated Downtown Mixed Use, and to promote the continuation of these areas as pedestrian oriented mixed use areas. Retail and service commercial uses are key elements in maintaining that function and ensuring the continued vibrancy of the pedestrian realm.”
The application to permit a dance studio as an additional permitted use within the existing, mixed-use building will provide for an additional commercial destination within the Westdale core area, and will maintain a sense of place by ensuring that a variety of different commercial uses will provide for a vibrant, comfortable, walkable, and stimulating pedestrian environment. In addition, the pedestrian realm will be improved as the additional commercial use will attract additional residents and visitors to the Westdale core area during all times of the day.

In accordance with Table E.4.3.1 and Policy No. E.4.3.1, the subject lands are also located along a pedestrian predominant street, which are typically characterized as streets that are intended to cater to the pedestrian by creating a comfortable, active, and visually stimulating walking environment. The proposal to permit a dance studio as an additional permitted use within the existing, mixed-use building, maintains and enhances the attractiveness of King Street West, creating a sense of place and vibrant pedestrian activity for residents and visitors. The additional use encourages the diversity of visitors within the Westdale core area at all times of the day.

No changes are proposed to the existing, three-storey, mixed-use building and associated visitor parking lot. However, the application meets Policy No. E.4.6.17 where the existing building has been developed in a compact urban form with a streetscape design, and building arrangement that supports pedestrian use and circulation, and creates vibrant people places. The addition of the proposed use will maintain the strong pedestrian use and circulation of the subject lands, which is characterized as being located close to the King Street West lot line and having a variety of commercial retail uses, such as a drug store, within the existing building. In addition, the existing building conforms to Policy No. E.4.3 with respect to creating an attractive and active pedestrian predominant street.

Based on the foregoing policies, the proposal to permit a dance studio as an additional permitted use within an existing, mixed-use building conforms to the UHOP.

**Ainslie Woods Westdale Secondary Plan**

The subject lands are designated “Mixed Use – Medium Density – Pedestrian Predominant” on Map B.6.2-1 – Ainslie Woods Westdale Secondary Plan of Volume 2 of the UHOP. The proposed dance studio is a permitted commercial use under the “Mixed Use – Medium Density” designation in Volume 1, Policy No. E.4.6.5a). In addition, the following policies apply:

"B.6.2.7.1 The objectives for Mixed Use – Medium Density designated areas and Mixed Use – Medium Density – Pedestrian Predominant designated areas are as follows:
b) Provide commercial areas in combination with other uses to serve the needs of local residents and visitors;

c) Support the destination shopping role of the Westdale core area along King Street, which serves the local community as well as a wider regional market;

B.6.2.7.2 In addition to Section E.4.0 – Commercial and Mixed Use Designations of Volume 1, the following policies shall apply to the lands designated Mixed Use – Medium Density and Mixed Use – Medium Density – Pedestrian Predominant on Map B.6.2-1 – Ainslie Wood Westdale – Land Use Plan:

j) The Westdale commercial area located on King Street West between approximately the eastern leg of Cline Avenue North and Newton Avenue is designated Mixed Use – Medium Density – Pedestrian Predominant. This area shall be reinforced as the traditional heart and community focus for Ainslie Wood Westdale. A mixture of commercial and residential uses shall be encouraged. The needs of the Westdale commercial area may be addressed by means such as:

i) Commercial designations and zoning which supports mixed use buildings, namely ground-floor retail such as shops, office, local commercial, with apartments on upper floors."

The proposal to add a dance studio as an additional permitted use satisfies the above commercial policies, as the proposed use will add to the variety of commercial uses along the Westdale core area. The use will attract additional residents and visitors who may not regularly visit the Westdale core area, and results in a more vibrant pedestrian environment. In addition, the dance studio use maintains the pedestrian predominant policy by encouraging a mix of commercial uses within an existing, mixed-use building.

Based on the above policies, the proposal to permit a dance studio as an additional permitted use within the existing, mixed-use building conforms to the Ainslie Woods Westdale Secondary Plan.

RELEVANT CONSULTATION

The following internal Departments and external Agencies had no concerns or objections to the proposed application:

- Corridor Management, Public Works Department.
Waste Management Section (Public Works Department):

The proposed development is ineligible for municipal collection of garbage, recycling, organics, and leaf and yard waste. Collection of garbage, recycling, organics, and leaf and yard waste must be provided through a private waste hauler. In addition, recycling is highly encouraged.

Public Consultation:

In accordance with the new provisions of the Planning Act and the Council-approved Public Participation Policy, Notice of Complete Application and Preliminary Circulation was sent to 42 property owners within 120 m. of the subject property on July 15, 2013. To date, no letters have been received by staff. A Public Notice Sign was posted on the property on August 23, 2013.

Notice of Public Meeting was given in accordance with the requirements of the Planning Act through circulation to property owners within 120 m. of the subject lands. The Public Notice Sign was updated on December 11, 2013, with respect to the date of the Public Meeting.

ANALYSIS / RATIONALE FOR RECOMMENDATION

1. The proposal can be supported for the following reasons:

   (i) It is consistent with the PPS, which supports a mix of commercial and residential uses within an Urban Area;

   (ii) It conforms with Places to Grow, which encourages the development of complete communities with a diverse mix of land uses, and a mix and range of employment and housing types;

   (iii) It conforms to the UHOP by creating an attractive and vibrant pedestrian environment;
(iv) It conforms to the policies of the Ainslie Woods Westdale Secondary Plan; and,

(v) The proposed development will contribute to a variety of commercial uses within an existing, mixed-use building, and contributes to a comfortable and attractive pedestrian environment in the Ainslie Woods - Westdale core area.

2. The subject lands are zoned “G/S-1361” (Neighbourhood Shopping Centre, etc.) District, Modified, which permits residential and commercial uses. To accommodate the dance studio as an additional permitted use, the property will be rezoned to the “G/S-1361a” (Neighbourhood Shopping Centre, etc.) District, Modified, which is supported by the UHOP policies, with respect to maintaining and enhancing an attractive pedestrian environment.

Section 13(1) permits commercial uses such as professional offices, financial institutions, personal services, restaurant, theatres, and retail establishments. However, as the existing dance studio is defined as a commercial school in the By-law, the dance studio use is not permitted.

A site-specific zoning provision has been added into the implementing By-law to permit a dance studio as an additional permitted use (See Appendix “B”). As a commercial school includes a business college, commercial gymnasium, barber’s college, among others, staff recommended that the type of commercial school to be permitted on the subject lands be limited to a dance studio only. As all types of commercial schools have the same parking requirements, this would address potential issues that may arise from other types of commercial schools, such as a business school or beautician school, where the subject lands may not be suitable due to its operations with respect to parking demands, and the overall intensity such schools may have on the surrounding Westdale core area. As a commercial school is within the existing shopping mall, the addition of a dance studio as a permitted use will not increase the parking requirements. In addition, the existing parking lot is considered as a legal non-conforming situation, and no further variances are required for parking.

3. Staff have no concerns with the application from a grading and drainage perspective, as the nature of the application is to permit a dance studio as an additional permitted use. No change to the existing building or associated parking lot is anticipated.
ALTERNATIVES FOR CONSIDERATION

Should the proposed Zoning By-law Amendment application be denied, the property can continue to be developed for commercial retail uses in accordance with the provisions of the “G/S-1361” (Neighbourhood Shopping Centre, etc.) District, Modified, of the Hamilton Zoning By-law. Permitted uses include, but are not limited to, professional office, bank, personal service, restaurant, and retail.

ALIGNMENT TO THE 2012 – 2015 STRATEGIC PLAN:

Strategic Priority #1
A Prosperous & Healthy Community

WE enhance our image, economy and well-being by demonstrating that Hamilton is a great place to live, work, play and learn.

Strategic Objective

1.1 Continue to grow the non-residential tax base.
1.6 Enhance Overall Sustainability (financial, economic, social and environmental).
