Dear Councillor Powers,

We are pleased to present you with the letters which oppose the Official Plan Amendment and Rezoning of land at 201 King Street East, Dundas. File: OPA-08-003/ZAC-08-011.

These are letters from individuals, not just names on a petition; each one has been checked for domicile and completeness.

The breakdown of the numbers are as follows:

1557............letters collected

1159 - (74.43 %).......Ward 13 (Dundas) residents

346 - (22.24%).........Hamilton residents (includes former municipalities of Ancaster, Flamborough, Stoney Creek & Glanbrook)

52 - (3.33%) .......outside Hamilton (people who shop and visit Dundas)

As our Municipal Councillor, we would be grateful if you could kindly convey this information to the Mayor and other Councillors.

We are extremely pleased to have your support in our endeavors, and feel confident that with your aid, the site will be remediated and become part of a Gateway to an Urban Eco Park.

Thank you,

Louise Chambers

Below are a few comments which people wrote at the bottom of their letters, opposing Official Plan and Zoning changes for 201 King Street East. These comments are from people who do not live in the Community of Dundas (Ward 13).

J.M. of Burlington: “I am a member of the RBG and the Hamilton Naturalists Club. It disturbs me to think that the area near the Escarpment is under threat from more building”

F.C. of St. Catharines: “relative of people in Dundas, frequent visitor, former resident”

J.D. of Hamilton: “I am personally and strongly opposed to this application. It is an example of short-sighted, narrow thinking and would be a blight on the landscape and a black mark for the city”

B.K. of Hamilton: “Live in Hamilton. Shop in Dundas”

J.M. of Lynden (Hamilton): “work Shop and play in Dundas”

C.I. of Hamilton: “Exercises and shops in Dundas”

I.H. of Hamilton: “I live bordering Princess Point and shop and take courses in Dundas. Our family enjoys hiking and canoeing and cross-country skiing in Cootes Paradise and want to see this area protected for future generations”

A.F. of Hamilton: “I am currently taking art classes in Dundas, shop in Dundas, and hike in the trails of Cootes Paradise.”
