• Transcript prepared by Jane Lee on July 14, 2009

“At 09:14:06 on July 1st, Councillor Merulla called the contact centre and reached our after-hours dispatcher, Sarah.

Mr. Merulla advised that the parking regulations had been changed for Agnes Street and bags were put over the signs. He went on to advise that someone had ripped the signs down (presumably over night) and requested that a foreman be sent out to put the signs back up. Mr. Merulla expressed concern that people would be parking there illegally.

Sarah clarified the exact location and advised it most likely wouldn’t be addressed until the next business day. Sarah agreed to call District 7 to see if anything could be done prior.”
