EXECUTIVE SUMMARY

By-law 11-080, Prohibiting Smoking within City Parks and Recreation Properties was approved by the Board of Health on February 28, 2011 and subsequently by City Council in March 2011. The By-law as passed was drafted with the intent of listing places where smoking was prohibited to aid in its enforcement. The amendments brought forward with this report fulfill this intent, in addition to a maintenance schedule to ensure future or proposed assets are captured. This schedule was originally brought
forward March 5, 2012 for Council consideration. At that time it was identified that further consultations with Councillors were needed; these consultations have since occurred.

**Alternatives for Consideration – N/A**

**HISTORICAL BACKGROUND** (Chronology of events)

- March 2008, the Board of Health directed a review of Smoking By-law 02-054 to assess tobacco-free parks, playgrounds and beaches in the City of Hamilton.
- Updates were provided to the Board of Health November 2008 and May 2010.
- February 2011, By-law 11-080 Prohibiting Smoking within City Parks and Recreational Properties was passed by the Board of Health and subsequently City Council.
- March 2012, a draft Schedule was provided to the Board of Health for approval; and at the time referred back to staff to report back on October 15, 2012.

**POLICY IMPLICATIONS**

No Policy Implications

**RELEVANT CONSULTATION**

The following were consulted in the preparation of this report:

- City of Hamilton Councillors were consulted regarding individual locations or properties identified within their respective Wards for addition or removal from the draft Schedule. Three Councillors requested in-person meetings and four others provided feedback via email. The scope and nature of the above consultations involved discussion of specific City of Hamilton properties, Councillor comments and questions, and agreement concerning the inclusion or removal of identified properties from Schedule A to By-law 11-080.
City Manager’s Office, Legal Services Division was consulted for drafting of the amendment to the attached in Appendix A including the Schedule A of locations contained within. A review of leases was conducted to determine applicability of this By-law for organizations who operate on or use City of Hamilton parks or recreation properties.

Senior Management Team, City of Hamilton was consulted regarding the locations outlined in Schedule A of Appendix A.

Other user groups consulted prior to or following this By-law coming into effect include Neighbourhood Associations, Sports Associations and Organizations, Hamilton Wentworth District School Board (HWDSB), Hamilton Wentworth Catholic District School Board (HWCDSB) Principals and Vice-Principals Association Executive Committee, Hamilton Ti-Cats, Special Events Advisory Team (SEAT) Committee, Clean City Liaison Committee and other Ontario municipalities.

ANALYSIS / RATIONALE FOR RECOMMENDATION

By-law 11-080, Prohibiting Smoking within City Parks and Recreation Properties was drafted with the intent of listing places where smoking was prohibited to aid in its enforcement and public awareness of prohibited locations. The proposed By-law and Schedule (Appendix A) clearly outline the location name and physical address of areas where smoking is prohibited. Schedule A to By-law 11-080 (Appendix A) will be updated on a semi-annual basis in April and October, and will be posted on the City of Hamilton website. This will ensure that future or proposed assets that are developed will be clearly outlined to assist with enforcement.
Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.

Values: Honesty, Accountability, Innovation, Leadership, Respect, Excellence, Teamwork

**ALTERNATIVES FOR CONSIDERATION**

(include Financial, Staffing, Legal and Policy Implications and pros and cons for each alternative)

No Alternatives

**CORPORATE STRATEGIC PLAN** (Linkage to Desired End Results)

**Skilled, Innovative & Respectful Organization**

- A culture of excellence;
- More innovation, greater teamwork, better client focus;
- Protecting employees from second-hand smoke at their work site shows the City of Hamilton considers their employee’s health and safety. This By-law implementation requires teamwork between several city departments.

**Financial Sustainability**

**Growing Our Economy**

- A visitor and convention destination;
- The presence of littered cigarette butts reduces the appeal of the city to residents, workers and visitors. Clean outdoor recreational areas will appeal to visitors who come to our City to enjoy our green space.

**Social Development**

- Residents in need have access to adequate support services;
- Research has shown that smoke-free environments support people who quit to remain smoke-free; youth are less likely to start smoking if they are not exposed to others role modelling the behaviour; and restrictions on where individuals are permitted to smoke is associated with increased cessation rates.
Environmental Stewardship

• Natural resources are protected and enhanced;
• Reduced impact of City activities on the environment;
• Cigarette butts are the most littered item across the globe, and cause irreparable damage to the environment, as they are not entirely biodegradable. Careless smoking and disposal of burning cigarette butts are a major cause of forest fires.

Healthy Community

• Adequate access to food, water, shelter and income, safety, work, recreation and support for all (Human Services);
• There is no safe level of exposure to second-hand smoke and studies have shown that second-hand smoke exposure outdoors can be substantial.
