(c) That the tree removal be subject to the successful rezoning application which is current before the Economic Development and Planning Committee.

The Motion, as amended, carried.

(h) DAVE BARNETT, RESPECTING CONCERNS OF HARASSMENT, INTIMIDATION AND THREATENING BEHAVIOUR BY HSR STAFF (Item 6.1)

Mr. Dave Barnett appeared before the Committee to express his concerns with respect to harassment, intimidation and threatening behaviour toward him by HSR staff, and asked if staff had any updates from the issues he raised at the January 19, 2009 Public Works Committee meeting. He indicated that the issue of intimidation and harassment seems to be a re-occurring problem in the City, and he wants to see something done about this. Mr. Barnett advised the
Committee that despite numerous attempts to address this issue with staff, his issues have not been satisfactorily resolved.

Mr. Barnett cited incidents where HSR drivers are not picking up customers, but deliberately driving by them, and indicated that he is representing the people of Hamilton who ride buses that have a problem not being picked up.

Mr. Barnett stated that there is a problem with the transit system and wants a response as to an effective complaints process.

On a motion, the Committee approved the following:

(i) That the presentation by Dave Barnett be received;

(ii) That staff be directed to review the general complaints process and report back to the Public Works Committee with possible improvements;

(iii) That Mr. Barnett be notified at the time the requested information is presented.

(i) NIAGARA TO GTA CORRIDOR PLANNING AND ENVIRONMENTAL ASSESSMENT STUDY (Item 6.2)

John Slobodzian, Project Co-ordinator, Provincial and Environmental Planning Office, Ministry of Transportation, and Paul Hudspeth, P.Eng., Vice President, and Patrick Puccini, P.Eng., Manager, Transportation Planning and Preliminary Design, URS Canada Inc., provided a power point presentation respecting the Niagara to GTA Corridor, Planning and EA Study, Phase 1. The presentation included:

- Study area
- The Vision
- Growth Plan
- Metrolinx 25-year Plan
- Where We Are and Recent Events
- Transportation Problems: Goods, Commuters, Tourism
- Inter-Regional Transportation System
- Goods Movement Context
- Key Issues: Goods Movement; Commuters (Auto and Transit); Tourism and Recreation
- Transportation Opportunities/Goals
- Consultation and Next Steps
- Summary of Public Information Centre #2.

Councillor Mitchell suggested that staff should be tracking the FTE time spent on this project. He also asked that the agricultural community specifically be consulted/included in the discussions of this project.
The Committee was advised that more detailed information on the project will be available for the public information centres. The presentation was distributed to the Committee and a copy has been retained in the Office of the City Clerk for the public record.

On a motion, the presentation on the Niagara to GTA Corridor Planning and Environmental Assessment Study, was received.

(j) BUS BENCH FURNITURE PROGRAM REVIEW AND STREET FURNITURE RFP (PW09033) (CITY WIDE) (Item 7.1)

Ramona Dechert, Manager of Business Services, provided a power point presentation respecting the Bus Bench Furniture Program Review and Street Furniture RFP. The presentation included:

- Review of Recommendation contained in Report PW09033;
- Background i.e., staff working group, evolution, on-going since June, 2008
- Current state (program scan and walk about)
- Consultation: external stakeholder groups; municipal comparator survey; urban streetscape workshop
- Improvement opportunities
- Issues and challenges.

The presentation also included photos of the current and potential appearances of street furniture items including benches, single stream litter containers, multi-stream litter containers, publication boxes, bike racks, cigarette receptacles, transit shelters, traffic signal controller boxes; benches (park, trail or open space), single stream litter containers (park, trail or open space), multi-stream litter containers (park, trail or open space), electronic billboards, stationary billboards, information and postering boards, and current street banner, telephone booths and mailboxes, as well as a photo of an automatic public washroom structure.

On a motion, the Committee approved the following:

(i) That the presentation be received;

(ii) That Report PW09033 respecting Bus Bench Furniture Program Review and Street Furniture RFP be deferred for one month to allow Committee members to receive additional information from staff.

Councillor Merulla requested that staff investigate the feasibility of including advertising by way of naturalized and horticultural plantings along the Lincoln Alexander Parkway (LINC) and the Red Hill Valley Parkway (RHVP) in the RFP. Staff responded that the working group can take this concept into consideration when conducting their assessment.
(k) COSMETIC PESTICIDE BAN – IMPACT ON SPORTS FIELD MARKING ACTIVITIES (PW08143(a)) (City Wide) (Item 8.1)

On a motion, the following was added as sub-section (c):

(c) That staff be directed to communicate with all sports organizations/associations to ensure that they are aware of the sportsfield lining pilot tests proposed during the 2009 season, and to include their feedback on the test outcomes in a follow up report wherein staff will provide recommendations for a sportsfield lining program for 2010 and beyond.

The Motion, as amended, carried.

Staff advised that a report will be presented to the June 15, 2009 Public Works Committee meeting respecting the cosmetic pesticide ban and the impact on turf management programs delivered by the Operations and Maintenance Division. Councillor Mitchell requested that the Agricultural and Rural Affairs Advisory Committee be advised of the scheduling of this report and invited to attend this meeting, if interested.

Staff noted that current rural roadside maintenance programs would be unaffected by the new legislation as pesticides are not used for vegetation management within the road allowance.

(I) LEASE WITH ROYAL BOTANICAL GARDENS FOR CHURCHILL FIELDS PARK (Item 9.1)

The following preamble was included with the above-noted matter:

Whereas the Royal Botanical Gardens owns Churchill Fields Park but the City has historically had a long-term lease allowing a city park use;

And Whereas there is interest by several community groups in fundraising to make improvements in the park;

And Whereas it would appear that the long-term lease cannot be located.

(m) GENERAL INFORMATION/OTHER BUSINESS

(i) Outstanding Business List (Item 11.1)

(aa) Correspondence from Refreshments Canada respecting bottled water and support of a broader sustainability program
    Due Date: April 20, 2009
