8. PRIVATE & CONFIDENTIAL

(Pearson/Jackson)
That the Committee moved into closed session at 3:10 p.m. pursuant to Sub-section (c) of the City’s Procedural By-law and Section 239(2)(c) of the Municipal Act as the subject matters pertain to a proposed or pending acquisition or disposition of land for City purposes. CARRIED

The Chair noted that staff from Legal Services and the Real Estate Section of the Planning and Economic Development Department are currently looking at a proposed property acquisition, and wish to seek direction from the Committee In Camera as to whether or not to pursue the property and if so, on what terms and conditions.

As this involves the potential acquisition of a property, staff is of the view that it will disadvantage the City with respect to the private negotiations if the property is identified publicly at this time. Should negotiations succeed, the purchase would require public approval at that time.

The Committee reconvened in open session at 3:45 p.m.

The Chair reported that direction was provided to staff In Camera.

9. ADJOURNMENT

(Pearson/Powers)
That the Committee recess at 3:45 p.m.

Respectfully submitted

Councillor T. Whitehead
