His Worship Bob Bratina  
Mayor  
City of Hamilton  
71 Main Street West  
Hamilton ON L8P 4Y5

Dear Mayor Bratina:

I am writing to express my gratitude for the role that the City of Hamilton played during the 2011 Northwestern Ontario forest fire evacuations.

By offering to host evacuees and provide them with essential supports and services during their stay, you have set an example of how strong Ontario can be when we work towards the shared goal of protecting our fellow citizens.

The Province of Ontario’s efforts to ensure the safety and security of these vulnerable citizens would not have been successful without the hard work and dedication of you and your staff.

You have every reason to be proud of your team. I thank you for your efforts.

Sincerely,

Allison J. Stuart  
Assistant Deputy Minister and Chief  
Emergency Management Ontario
