EXECUTIVE SUMMARY:

The purpose of the application is to remove the ‘H’ Holding symbol from the lands known municipally as 87 Edgehill Drive, as shown on the attached Appendix “A”.

The proposal is consistent with the principles and policies of the Provincial Policy Statement and conforms to the Hamilton-Wentworth Official Plan and the Hamilton Official Plan. The condition for removal of the ‘H’ Holding Symbol requiring the availability of municipal services has been satisfied.

Based on the above, the Zoning Amendment application for the removal of the ‘H’ Holding symbol can be supported.

BACKGROUND:

Proposal

The applicant has applied to remove the ‘H’ Holding symbol from the subject lands (see Appendix “A”) in order to permit the lands to be developed for 73 single detached residential lots.

Zoning Amendment Application ZAC-96-13

An application was submitted in 1996 for a change in zoning from the “AA” (Agricultural) District to the “C” (Urban Protected Residential, etc.) District for the subject lands known then as 956 Upper Paradise Road. The application was approved and the lands were placed in a Holding Zone to prohibit the development of the lands until such time that all municipal services are available. A modification was included in the zoning which detailed the requirements of the Holding provision.

Draft Plan of Subdivision Application 25T96008

A draft plan of subdivision application for Bayview Glen Estates (Phase 2), which pertain to the subject lands, was draft plan approved on February 20, 1997. Draft Plan Approval was granted for a three year period (i.e. 2000) and was, subsequently, extended for a further three years (i.e. February 2003). As no request for a further extension to this draft plan approval was received by the City of Hamilton, the approval lapsed.

Draft Plan of Subdivision Application 25T200314

Following the above draft plan approval lapsing, a further draft plan of subdivision application pertaining to the subject lands was submitted and, subsequently, draft plan approved on October 29, 2003. This submitted draft plan of subdivision is identical to that submitted under application 25T96008, but was red-line revised to accommodate new Development Engineering Guidelines regarding road allowances widths. These amendments did not impact upon the number of proposed lots/blocks, which remained
at 73 lots for single detached dwellings and a block for parkland purposes, plus the creation of five streets.

The subject lands under these applications were known municipally as 956 Upper Paradise Road. These lands have since been amalgamated with the lands to the south, known as 87 Edgehill Drive, which is under the same ownership (detailed in Appendix “A”). These lands are now collectively known as 87 Edgehill Drive.

**ANALYSIS/RATIONALE:**

In order to remove the ‘H’ Holding symbol, staff must be satisfied that the provisions for lifting the ‘H’ symbol in the Zoning By-law have been addressed. The ‘H’ Holding provision requires that prior to removal of the ‘H’ symbol, all municipal services deemed necessary by the City, are made available to the subject lands.
The ‘H’ Holding provision was placed upon the subject lands through a By-law amendment recommended in the original zoning application ZAC-96-13. At that time, staff recommended that the subject lands not be developed until servicing was made available from the adjacent lands to the south.

The subject lands have since been amalgamated with the lands to the south, which are now under the same ownership (referred to collectively as 87 Edgehill Drive). The lands to the south currently have draft plan approval and staff is in the process of reviewing servicing drawings for both subdivisions.

Since the lands are now under the same ownership, servicing will be coordinated between the two subdivisions, therefore ensuring servicing is available. Staff is now satisfied that the requirements of the lifting ‘H’ Holding provision have been met.

**ALTERNATIVES FOR CONSIDERATION:**

Development of the subject lands cannot occur until the ‘H’ Holding symbol has been removed by way of amending the Zoning By-law.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

- Financial: N/A.
- Staffing: N/A.
- Legal: The Planning Act does not require a Public Hearing to be held for the removal of a Holding ‘H’ symbol. However, notice of the intent to pass the By-law must be given to the landowner and anyone who had requested notice. There is no appeal for the removal of a Holding ‘H’ symbol.

**POLICIES AFFECTING PROPOSAL:**

**Provincial Policy Statement**

This application is consistent with the principles and the policies of the Provincial Policy Statement.

**Hamilton Wentworth Official Plan**

The subject property is designated as “Urban Area” within the Hamilton-Wentworth Official Plan. Policy 3.1 outlines that a wide range of urban uses, defined through the Area Municipal Official Plans and based on full municipal services, will be concentrated in the Urban Areas. The proposal conforms to the Hamilton-Wentworth Official Plan.

In addition, the subject lands are located adjacent to an Environmentally Significant Area (ESA No. 46 – Tiffany Creek Headwaters). Subdivision application (25T200314) required an Environmental Impact Statement to be submitted to the satisfaction of the Environmentally Significant Areas Impact Evaluation Group. All necessary precautions
to mitigate any environmental impact were recommended and incorporated into the approval of this subdivision application.

City of Hamilton Official Plan

The subject property is designated as ‘Residential’ on Schedule “A”, Land Use, on the City of Hamilton Official Plan, which permits single-detached dwellings. This application conforms to the Official Plan.

Neighbourhood Plan

The subject lands are designated “Single and Double” Residential and “Park and Recreational/Greenspace Area” in the approved Falkirk West Neighbourhood Plan. As the proposal would permit the lands to be developed for 73 residential lots and a block for parkland purposes, it conforms to the Neighbourhood Plan.
