Reason(s) for delegation request:

To address urgent concerns that the city staff are ignoring reasonable
solutions to serious issues concerning the Trinity Church Corridor
Alignment and the pending EA recommendation by Public Works.

The delegates have not been duly informed or allowed to participate in the
EA process through communication shortfalls by the city. The result is that
the proposed roadway will impact the delegates lands adversely and
effects a pending real estate transaction for a needed medical clinic
development on the lands.

The delegates have attempted to propose a solution that will reduce the
impact for all parties but the city staff is intent on not revisiting the EA.
This will result in a drawn out appeal process with increased costs for the
city and delegates as well as a delay in the delivery of the much needed
roadway.

The delegates wish to present the issues at hand, their compromised
solution and clearly detail the impacts pro and con. The delegates objective
is to backup the final step in the EA process to accommodate the solution and to obtain city support for the development.
