RECOMMENDATION

(a) That Schedule “A” of By-law 11-040 “Retention Periods for Records”, be amended to reflect the retention status of Council meeting video recordings as “temporarily suspended” pending the Web Redevelopment review;

(b) That the amending By-law, attached to Report FCS13069, as Appendix “A” be passed.

EXECUTIVE SUMMARY

Staff was directed to review the feasibility of amending the City of Hamilton Retention Periods for Records By-law 11-040 to include the permanent retention of all Council and Standing Committee live-streamed video recordings. Currently, Schedule “A” of By-law 11-040 indicates the retention of Council videos as the term of Council, attached as Appendix “B”. Live-streamed videos of Council and Standing Committee meetings have been available on the web since January 2011.
Pending the web redevelopment review by the Web Redevelopment and Service Channel Sub-committee (WRSC), staff is recommending suspending the removal of the current and future live-streamed archived videos from the City’s Website. In the meantime staff will continue to review the permanent archiving, as well as means of accessing archived videos with the WRSC Sub-Committee.

All archived recordings of the live-streamed meetings will continue to be available through the City’s website.

_HISTORICAL BACKGROUND (Chronology of events)_

(ii) Retention of Live Streamed Recordings (Item 10.2)

That staff be directed to review the feasibility of amending the City of Hamilton Retention Periods for Records By-law 11-040 to include the permanent retention of all Council and Standing Committee live-streaming recordings and report to the Audit, Finance & Administration Committee.

_POLICY IMPLICATIONS/LEGISLATED REQUIREMENTS_

There are no legislated requirements to retain archived videos for any period of time.

_RELEVANT CONSULTATION_

Legal Services and Information Technology Divisions.
ANALYSIS / RATIONALE FOR RECOMMENDATION
(include Performance Measurement/Benchmarking Data, if applicable)

Currently the City Clerk’s Division stores all archived Council and Standing Committee videos on the City’s website. City Clerks have retained the videos online since video streaming began in 2011. Discussions are taking place regarding the redevelopment of the Web including what is currently on the website with respect to Agendas, Minutes, Reports and what will continue to be made available to the public online in the future.

Should Council wish to continue to allow public access to the archived videos, the following issues will need to be considered:

1. Storage capacity on the City’s Website

2. If the videos are not stored on the City’s website, how can citizens gain access to a video, and what equipment would be required to access the video

3. To meet the Accessibility for Ontarians with Disabilities Act (AODA), archived videos are required to be closed captioned. Staff are exploring the costs and staffing to fulfil this requirement.
