Honourable Mayor Eisenberger and City Councilors

We, the undersigned are in opposition to the proposed daycare facility at 1194 Scenic Drive, Ancaster Ontario.

The daycare would have a negative impact on the immediate community by
1. Altering the character of a well-established residential area.
2. Reducing the privacy of residents.
3. Increasing traffic and creating safety concerns.

It will also affect the Hamilton community in general by diminishing the character of an area that is used by many throughout our community as a recreational destination.

The original petition received is in the custody of the City Clerk. All personal information has been severed pursuant to Section 32 of the Municipal Freedom of Information and Protection of Privacy Act.

The petition was signed by 58 citizens.
