To Hamilton City Council:

I am writing in response to the article in The Hamilton Spectator dated November 28th, 2011 regarding the gift certificate program to help low income citizens to eat healthier.

I think this is a great idea so people on low income can get some vegetables and fruits that are an important part of their diet.

I am glad the Hamilton City Council and the Hamilton Markets are going to be considering this for Hamilton low income citizens.

Sincerely,

Peggy Belmore
