   - Review of draft TOR submitted by Karen Smith
   - Composition of committee – M. Carter will get the number, as approved by Council
   - M. Carter also noted that the advertisement for membership requires members to have lived experience
   - Composition – is the word “groups” the right word to be used
   - Y. Maracle will e-mail the other members for their input and will ask them to review the Composition section
   - Resignations should be done by sending written notice to the Access & Equity office, then it will be submitted to the committee for acceptance, then to the Council for final approval
   - If a member misses 3 consecutive meetings without notification to the chair, the chair’s designate or the Access and Equity office, they will be asked by the chair of their intention to continue on the committee or be asked to step down
   - The facilitator will be asked to attend the January meeting to help complete the terms of reference
   - Staff was asked to reschedule J. Dupuis to attend a committee meeting later in the year, so that the TORs could be dealt with in January 2013
   - Y. Maracle will contact Karen Smith
   - Some suggestions were: that the mandate include the vision, the document should be grammatically correct, with simple terminology and correct punctuation and that the preamble (as well as other sections) has extremely long sentences that need to be modified. The committee did not want to lose sight of the 5th and 7th items (increased visibility and recognition of importance of Aboriginal people and culture and cultural awareness and training)
