**EXECUTIVE SUMMARY**

Rick Hansen is a Canadian icon, best known for his Man in Motion Tour in 1985-87, in which he travelled by wheelchair to 34 countries to raise awareness of the potential of people with disabilities. The City of Hamilton (“City”) has received an invitation from The Rick Hansen Foundation (“RHF”) to enter into an Agreement (the “Agreement”), attached as Appendix “A” to Report CS11035, which would permit Hamilton to be designated as a host End of Day Celebration Community for the Rick Hansen 25th Anniversary Relay (“Relay”).

The Relay will recreate the Canadian portion of the original Man in Motion World Tour by travelling across the country with over 7,000 participants and stopping in selected communities in each Province for celebration events. The Relay is slated to take place in Hamilton November 12 & 13, 2011.

On February 7, 2011, staff met with the RHF Relay Route Coordinator and received an overview of the Relay and a corresponding Community Planning Guide (“CPG”). On February 14, 2011, the City received the Agreement, which details the responsibilities of the RHF and the responsibilities of the Celebration Communities.

Under the Agreement, the RHF’s responsibilities for the Relay include coordinating the logistics and security for the Relay. The City’s responsibilities include logistics and expenses related to securing the Relay route in the city; the scope, content and expense of the End of Day Celebration; and the nomination of a Final Community Participant who will carry the Rick Hansen Medal into the End of Day Celebration. At this time, the Relay route for Hamilton has not been finalized but the favoured End of Day Celebration site is Mohawk College due to its range of accessible facilities, its established relationship with the RHF as the site of its local annual fundraising event, and its willingness to contribute to the success of the End of Day Celebration.

Should Council approve Hamilton’s participation as a Relay Celebration Community, the Agreement must be signed and returned to the RHF by April 29, 2011. By signing the Agreement the City is bound to carry out the terms and conditions of the Agreement and as such, Council is being asked to confirm funding for the event. It is recommended that the upset limit to stage the Relay event be $24,000 funded from Capital Project Id
7100858707 which was established to fund the 2009 Olympic Torch Relay event in Hamilton and has a surplus balance due to grants received from other levels of government that offset event costs.

Alternatives for Consideration – refer to page 7

FINANCIAL / STAFFING / LEGAL IMPLICATIONS

Financial:
It is recommended that the upset limit to host the Relay be $24,000 funded from Capital Project Id 7100858707, which was set up to fund the Olympic Torch Relay Celebration Event in 2009. The available balance in this account is $24,119.35 because the Olympic Torch Relay funds were not fully spent in 2010 due to grants received from other levels of government that offset event costs.

The identified costs are based on estimates comparable to other events that have been staged in Hamilton. The full scope and costs are to be determined once the Relay route has been finalized and the full End of Day Celebration Event program is complete. Expenditures will be adjusted within the cost line items as outlined in Table 1 below so as not to exceed the upset budget limit of $24,000.

Staffing:
Planning and implementing the Relay will require the participation of the Special Events Advisory Team (SEAT) in order to ensure a coordinated effort between City Departments and applicable City services. Culture Division staff will take the lead in planning and implementing this event.

Legal:
In signing the Agreement to become an End of Day Celebration Community, the City of Hamilton is entering into a legal contract with RHF and, therefore, must comply with all aspects of the Agreement. This is a generic, Canada-wide form of agreement used by RHF and staff have been informed that no alteration or amendment is possible. Staff in
the Legal Services Division have reviewed the Agreement and have identified the following significant aspects thereof, namely:

- Clause 2.3 states that the RHF may provide the City with an amended version of the Community Planning Guide (CPG) whereupon the City will treat such an amended version as the CPG for the purposes of the Agreement.
- Clause 2.5 states that the RHF can make special requests of the City to carry out obligations or services which go beyond, or deviate from, those set out in the CPG and that the City will make reasonable commercial efforts to carry out these requests.
- Clause 5.3 states that the agreement may be terminated by RHF for any or no reason on 15 days’ written notice to the City and that, in that event, RHF has no liability to the City for any costs incurred up to the date of termination. Necessary City expenditures before the 15-day notice period are mostly limited to direct marketing costs ($5,600 total budget) and the indirect costs of the staff time spent planning the event. Additional advertising could be required to notify the public of any changes that are made by the RHF.
- Clause 7.8 states that the Agreement is governed by the laws of British Columbia and that, in the event of any future dispute, the City would have to hire lawyers in British Columbia to represent the City’s interests. Potential costs would include the fee for a British Columbia lawyer, and the costs of transporting any City witnesses to the proceedings.

Staff in the Legal Services Division have advised that the requirements appear to be in order and that the City is able to comply with the Agreement terms and conditions.

Staff in Risk Management Section have reviewed the Agreement and found that the City is able to meet the insurance requirements as noted in the Agreement.

**HISTORICAL BACKGROUND**

The following summarizes the timelines and activities to-date related to Hamilton’s potential hosting of the Relay:

**December 2010**
- Invitation from RHF received by Mayor’s Office

**February 2011**
- RHF verifies preliminary street level Relay route.
- City receives Community Planning Guide (CPG) detailing various timelines for the Relay, marketing and promotional guidelines, communication schedules and a recommended event governance structure comprised of a local Community Planning Team (CPT) and a City staff liaison to the RHF.
City receives Agreement detailing the responsibilities of the RHF and those of the host Celebration Communities.

**POLICY IMPLICATIONS**

There are no policy implications associated with the recommendations of Report CS11035.

**RELEVANT CONSULTATION**

- In January of 2011, the Advisory Committee for Persons with Disabilities were made aware of the Relay. Once the recruitment process for all Volunteer Committees is complete in spring 2011, the Advisory Committee will be invited to participate on the Community Planning Team by designating a representative.
- February 7, 2011, staff met with the Rick Hansen Foundation Relay Operations Coordinators and received an overview of the Relay and CPG.
- February 28, 2011, staff and a community representative of The Rick Hansen Wheels in Motion met with representatives of Mohawk College to discuss the Relay and partnership opportunities. Mohawk College expressed a willingness to be the End of Day celebration site.
- March 2 & 3, 2011, staff in the Legal Services Division and Risk Management Section reviewed the Agreement and find that the requirements appear to be in order and that the City is able comply with the insurance requirements.

**ANALYSIS / RATIONALE FOR RECOMMENDATION**

In welcoming the Relay and being an End of Day Celebration Community, Hamilton is afforded many benefits including:

- Increasing awareness and support for those with a disability
- Focusing attention on accessibility
- Improving quality of life through inclusivity as the event will be free of charge and will be designed to be barrier-free
- Increasing civic pride
- Celebrating people who make a difference including those whose efforts have removed barriers and contributed to making the community more accessible and inclusive, those who have overcome adversity, and those who are youth leaders
- Engaging community members by participating in the planning and hosting of the event
- Encouraging and support health and wellness
The Manager of Arts & Events, Culture Division, Community Services Department or designate will act as the Municipal representative. A Rick Hansen 25th Anniversary Relay Community Planning Team (CPT) will be created to provide planning, advisory and operational support services to the RHF. Please see attached Appendix “B” to report CS11035 Terms of Reference for the Community Planning Team outlining duties, including:

- approve the End of Day Celebration site location;
- develop and implement an End of Day Celebration, including final site selection;
- develop traffic management and overall safety plans for the Relay;
- provide suggestions to the RHF of Extraordinary Modes of Transportation for persons with disabilities existing in the community;

- create and implement communications plans in conjunction with the RHF; and,
- appoint a spokesperson for the Relay in Hamilton.

Mohawk College has expressed a willingness to partner with the City to host the End of Day Celebration and would provide the venue and on site parking at its campus, special event support and volunteer resources at no charge to the City. Mohawk College is a strong community partner and a site that is inclusive, meeting all criteria as set out in the CPG, as follows:

- accessible by bus routes;
- suitable parking for wheelchair users and over-height vehicles;
- site is accessible for people with mobility impairments; and,
- basic building access through entrances, doorways and into wheelchair accessible washrooms.

Mohawk College is one of the few sites in the city that has the range of accessible facilities (eg. Gym, auditorium, parking, etc.) that may be needed for the afternoon celebration activities. In addition, Mohawk has an established relationship with the Rick Hansen Foundation as the site of its local annual fundraising event. Staff will present this option to the CPT for discussion and final decision.

The following represents an overview of the projected timelines and activities for the staging of the Relay:

1.1 **Community Planning Guide Definitions.** Capitalized terms not defined in this Agreement have the meanings given to them in the Rick Hansen Foundation, 25th Anniversary Relay - Community Planning Guide (the “CPG”).

1.2 **Additional Definitions.** In this Agreement, unless something in the subject matter or context is inconsistent therewith:

1.2.2 **Confidential Information** means all information and data disclosed by RHF to the Community (including this Agreement and the CPG) but excluding information published or otherwise available to the general public otherwise than through a breach of this Agreement.

2.5 **Special Requests.** The Community acknowledges and agrees that RHF may at times request the Community to carry out obligations or provide services which go beyond, or deviate from, the Community obligations and services set out in the CPG. Such a request could result from a variety of circumstances, including circumstances which are unique to the Community and which are not reflected in the CPG, or circumstances which arise at a time when it is not practical (due to the exigencies of RHF’s obligations related to the Relay) for RHF to provide the Community with an updated and/or amended version of the CPG in accordance with Section 2.3. The Community will use the Logos and Images:

3.2.1 only while the License is in effect;
