RECOMMENDATIONS

(a) That the draft by-law to regulate parking on boulevards and front and side yards, prepared in a form satisfactory to the City Solicitor, attached as Appendix “A” to Report PED13042, be passed;

(b) That staff be directed to apply to the Senior Regional Judge for approval of a set fine order in the amount of $150 for the offence of parking on boulevards and front and side yards when the draft by-law has been passed.

EXECUTIVE SUMMARY

Staff regularly receive complaints regarding illegally parked vehicles on boulevards and front and side yards. Although some offences can be enforced under the Parking By-law, the majority are Zoning By-law offences and enforcement has proven to be inefficient and ineffective.
The recommended draft by-law creates an offence pursuant to the Municipal Act, 2001 authority as set out in the recitals which would permit the issuance of parking infraction notices, left on the windshields of vehicles in violation. This would allow for more immediate enforcement than does the Zoning By-law.

**ANALYSIS / RATIONALE FOR RECOMMENDATION**

(include Performance Measurement/Benchmarking Data, if applicable)

Staff regularly receive complaints about illegally parked vehicles on boulevards (in contravention of the Parking By-law No. 01-218) and front and side yards (in contravention of Zoning By-law(s)) or on a combination thereof.

Offences enforced under the Zoning By-law(s) require the attention of Property Standards and Zoning Officers, and are time consuming. Charges laid under the Zoning By-law involve the Courts and may take up to a year to resolve. Offences enforced under the Parking By-law require proof that the vehicle is, at least in part, on road allowance. It is often difficult to determine the boundary between a boulevard and a front or side yard.

Creating a new by-law to prohibit parking on boulevards and front and side yards would streamline the enforcement process. Once a set fine order is approved, tickets can be issued and left on windshields whenever a vehicle is parked on an unauthorized area.
This can occur without determining the boundary between boulevards and front and side yards since all three are included in the definition of “unauthorized area”.

The City of London, Ontario has a similar by-law to what is being recommended in this Report. The London By-law has been in effect for over six years and according to their staff has been effective in dealing with these types of offences.

Staff surveyed 11 Ontario municipalities (Guelph, Windsor, Waterloo, Kitchener, Ottawa, Oshawa, Kingston, St. Catharines, Richmond Hill, Oakville and London), and found that the fines for parking on these areas range from $25 to $500 with the average fine being approximately $150.
