THE BOARD OF HEALTH PRESENTS REPORT 07-001 AND RESPECTFULLY RECOMMENDS:

1. **Appointment of Vice-Chair (2007) (Item A)**
   
   That the monthly rotating Deputy Mayor be Vice-Chair of the Board of Health for the 2007 to the 2010 term of office.

2. **New Family Health Division Funding (BOH07004) (City Wide) (Item 5.1)**

   That Report BOH07004 respecting New Family Health Division Funding be received.
3. **Immunization Record Information System – (IRIS) BOH07003 (City Wide) (Item 5.2)**

   That Report BOH07003 respecting Immunization Record Information System – (IRIS) be received.

4. **Manager of Environmental Health: Planning, Promotion and Response for Health Hazards and Emergencies BOH07002 (City Wide) (Item 5.3)**

   That Report BOH07002 respecting Manager of Environmental Health: Planning, Promotion and Response for Health Hazards and Emergencies be received.

5. **Enhancements to Food Safety Program BOH07006 (City Wide) (Item 8.1)**

   (a) That Public Health Services (PHS) staff be directed to consult key stakeholders regarding the desirability/feasibility of implementing mandatory food handler certification and the disclosure of food premise inspection findings;

   (b) That Public Health Services (PHS) staff be directed to provide recommendations to the Board of Health regarding mandatory food handler certification and the disclosure of food premise inspection findings at the Board of Health April 23, 2007 meeting.

6. **Public Health Research, Education and Development (PHRED) Program PH06002(b) (City Wide) (Item 8.2)**

   That the continuation of the current PHRED partnership agreements with the University of Guelph and McMaster University with changes to increase accountability as described in Public Health Research, Education and Development (PHRED) Program Report PH06002(b) be approved.

7. **Funding from the Province for Small Drinking Water Systems and Public Health Research Education and Development (PHRED) Programs.**

   That Council re-affirm its previous position with respect to downloading by sending a letter to the Province requesting that it provide 100% funding for all Public Health costs related to the implementation of the Small Drinking Water Systems Program and 75% funding for Public Health Research Education and Development (PHRED) Programs.
Subsection (b) of Item 8 was deleted and replaced as follows:

8. Implications of an Arbitration Award respecting payment of overtime for the Ontario Nurses Association (ONA) Public Health Unit PH06019(a)/HUR06008(a) (City Wide) (Item 12.1)

(a) That Report PH06019(a)/HUR06008(a) respecting the implications of an arbitration award respecting payment of overtime for the Ontario Nurses Association (ONA) Public Health Unit be received;

(b) That Public Health Services staff be directed to resume providing weekend prenatal classes as the ratification of the ONA Public Health collective agreement (January 1, 2008 to December 31, 2010) changed the remuneration for nurses on the weekend which significantly decreases the fiscal burden of offering this service.

(c) That Public Health Services staff utilize the following criteria to determine if and when any other public health programs would be offered on the weekend:

(i) it is a mandated service,
(ii) the mandated service is evidence based,
(iii) service cannot be provided at an alternate time,
(iv) the impact on community/Public Health Services is significant, and
(v) it can be done within the existing budget.

(d) That the balance of Report PH06019(a)/HUR06008(a) entitled Implications of an Arbitration Award respecting payment of overtime for Ontario Nurses Association (ONA) Public Health Unit remain private and confidential.

FOR THE INFORMATION OF COUNCIL:

(a) CHANGES TO THE AGENDA

The Clerk advised that there are no changes to the agenda.

The agenda was approved as presented.

(b) DECLARATIONS OF INTEREST

None declared.

(c) PRESENTATIONS

(i) Rabies Control Program BOH07001 (City Wide) (Item 7.1)

Susan Harding-Cruz provided a PowerPoint presentation and distributed a hand-out which highlighted the following:
(1) Brief overview of rabies
(2) Rabies Control is a mandatory Program under the Ontario
Ministry of Health and Long-Term Care
(3) Resources: Budget and Staffing
(4) Statistics and Program Work
(5) What peer communities are doing – all Ontario health units
work together to solve rabies investigations
(6) Emerging issues and opportunities – i.e. rabies awareness,
animal control partnership

On a motion (McCarthy/Whitehead) the Board received the
presentation.

(ii) Public Health Environmental Scan (Item 7.2)

Dr. Richardson provided a PowerPoint presentation and distributed
a hand out which highlighted the following:
