(Braden/Pearson)

(a) That the General Manager of Public Works and the General Manager of Finance and Corporate Services be authorized and directed to receive and review, on a confidential basis, the unsolicited proposal from the City of Hamilton’s (“City”) current operator of the City’s Materials Recycling Facility (“MRF”), Canada Fibers Ltd. (“CFL”), for the design, construction and operation of a single stream processing system at the MRF, to determine if the unsolicited proposal is cost effective or beneficial for the City;

(b) That the receipt and review of the unsolicited proposal from CFL be subject to CFL first agreeing in writing to:

(i) the City’s unconditional use of all of the information contained in the unsolicited proposal, including but not limited to the use of any of such information in the issuance of a procurement process for the design, construction and operation of a single stream MRF, except that the public disclosure of any of such information will be subject to the provisions of the Municipal Freedom of Information and Protection of Privacy Act;

(ii) the waiving of all claims against the City with respect to the City’s use of the information contained in the unsolicited proposal as set out in clause (b)(i) above; and

(iii) the waiving of all claims against the City should the City choose not to enter into a contract with CFL as a result of the unsolicited proposal for any reason whatsoever.

All documentation reflecting the foregoing shall have content acceptable to the General Manager of Public Works and General Manager of Finance and Corporate Services, and shall be in a form satisfactory to the City Solicitor;

(c) That should the initial review of the unsolicited proposal from CFL determine that further consideration of the unsolicited proposal is warranted, a staff report be presented at the December 13, 2006 Committee of the Whole meeting for consideration and further direction;

(d) That should the initial review of the unsolicited proposal determine that the unsolicited proposal is not cost effective or beneficial to the City, in the opinion of the General Manager of Public Works and the General Manager of Finance and Corporate Services, that the General Manager of Public Works be authorized to proceed with a Request for Proposals for the design, construction and operation of a single stream processing system at the MRF.
(e) That the General Manager of Public Works and the General Manager of Finance and Corporate Services, or their designates, be authorized and directed to execute, on behalf of the City, any documents necessary to implement subsections (a) and (b), in a form satisfactory to the City Solicitor.

13. **Regional Road 56 - From Approximately 150 Metres North of Southbrook Drive to Approximately 300 Metres Northerly (Municipal Address: 3087 Regional Road 56), Municipal Act Project** (PW06135/PED06420) - (Ward 11) (Item 8.5)  
(Jackson/Collins)  
(a) That pursuant to the Municipal Act, a cost recovery mechanism be implemented in order that the City can exercise its “Best Efforts” to recover and repay the developer of Elizabeth Gardens Phase 3 plan of subdivision an estimated cost of $204,407.70, from benefitting property owners for their apportioned share of the construction of a sanitary sewer, including one sanitary private drain connection per property, on Regional Road 56 from approximately 150m north of Southbrook Drive to approximately 300m northerly (municipal address 3087 Regional Road 56).  
(b) That pursuant to the Municipal Act, a cost recovery mechanism be implemented in order that the City can exercise its “Best Efforts” to recover and repay the developer of Elizabeth Gardens, Phase 3 plan of subdivision an estimated cost of $117,059.60, from existing benefitting property owners for their apportioned share of the construction of a watermain, including one water service connection per property, on Regional Road 56 from approximately 150m north of Southbrook Drive to approximately 300m northerly (municipal address 3087 Regional Road 56).  
(c) That the charges for the municipal infrastructure outlined in recommendation (a) and (b) shall be payable if and when the benefitting property owners, as outlined in Appendix A attached hereto connect to the Regional Road 56 sanitary sewer and/or watermain.  
(d) An appropriate warning and liability clause, absolving the City of Hamilton of all liabilities for failed septic systems, be added to
notices sent to the property owners on Regional Road 56 and the municipal water connection permits issued by the City to the land owners. This clause to be added if a property owner chooses to connect to the watermain and not to the sanitary sewer. This is due to the increased availability of water resulting in the increased possibility of septic system failure.

(e) That the General Manager of Finance and Corporate Services be authorized and directed to prepare the necessary cost recovery by-law.

(ii) Staff recommendation and presentation respecting unsolicited proposal from Canada Fibers Limited is added as Item 7.2.

(iii) Item 5.6 respecting report PW0604b entitled Recycling Program Update is lifted from Consent Items Section and moved to Presentations section with Item 7.2 as both are related.

CARRIED

(b) DECLARATIONS OF INTEREST (Item 2)

None declared.

(c) MINUTES (Item 3)

(Pearson/Mitchell)
That the Minutes of the October 2, 2006 meeting be approved as presented.

CARRIED

(d) PUBLIC HEARINGS/DELEGATIONS (Item 6)

(i) Joe Stanicak, respecting his pending patio application for 216-218 Locke Street South (Item 6.1)

Withdrawn.

(ii) Wayne Battaglio regarding the posting of signs along Mud St. discouraging the use of Jake Brakes on trucks. (Approved October 2, 2006) (Item 6.2)
Mr. Wayne Battaglio addressed Committee. He submitted a petition with 62 signatures of homeowners that back onto Mud Street between paramount Drive and Winterberry Street requesting that measures be taken to reduce the loud noise of engine brakes from transport trucks and to reduce the speed limit.

Mr. Battaglio indicated that the current speed limit is unsafe and contributes to the noise problems. He also pointed out that the noise barriers along Mud Street were inconsistent – some are stone construction and some are wood construction.

Staff indicated that they would work with Councillor Bruckler to look at reducing the speed limits and to address the other concerns expressed by Mr. Battaglio and the petitioners.

Councillor Pearson requested that staff look at the congestion that occurs on Mud Street where it narrows at the intersection of Winterberry Street and possibly mitigating this by posting signs to warn the motorists that the road narrows.

On a motion (Bruckler/Pearson) the Committee received the delegation and referred the petition to staff to work with the Ward Councillor on the concerns expressed.

(e) STAFF PRESENTATIONS

(i) The SERG Community Panel (item 7.1)

Mr. Carl Bodimeade, Chair of the SERGE Community Panel, made a PowerPoint presentation with the assistance of Gerry Davis and Mary Lou Tanner.

A hand out of the presentation and a copy of the Independent Community Panel's Report were distributed to the Committee.

Mr. Bodimeade covered the following topics:

- When the Independent Panel was established.
- Membership and Mandate of the Panel
- Activities of the Panel and Observations
- Risk Analysis and Observations
- An overview of the Panel’s key recommendations as outlined in the Report

Mr. Bodimeade and staff responded to questions posed by the Committee. The Committee acknowledged that steps taken to date
have improved the situation and no major flooding has occurred despite the recent heavy rains.

On a motion (Collins/Pearson) the Committee received the presentation and the report of the Independent Panel and thanked the Panel and staff for their efforts to date.

(ii) Unsolicited Proposal from Canada Fibers Limited (item 7.2)

Beth Goodger made a PowerPoint presentation explaining the steps that are required to prepare for the collection of recycling material in April 2008. She referred to Report PW06064b entitled Recycling Program Update which was lifted from the Consent Items section of the agenda. The Report indicates that five (5) tenders and Requests for Proposals (RFP’s) are required to implement the recycling program.

Beth Goodger advised that an unsolicited proposal was received from Canada Fibers Limited which staff could consider with the approval of Council.

She referred to the staff recommendation which was distributed at the Committee as added Item 7.2.

The Committee discussed the pros and cons of accepting an unsolicited proposal. Purchasing staff and Waste Management staff answered questions posed by the Committee.

After some discussion, the Committee approved the staff recommendation on the following votes:

Yeas: Braden, Bruckler, Jackson, Mitchell, Pearson, and McCarthy

Total: 6

Nays: Collins and Merulla

Total: 2

Absent: Ferguson

Councillor Braden requested that staff report back on lesson’s learned if the unsolicited bid is approved.

(f) Proposed Outdoor Boulevard Café - 218 Locke Street South, Hamilton (PW06139) - (Ward 1) (See Item 8.1)

On a motion (Merulla/Collins) Report PW06139 respecting Proposed Outdoor Boulevard Café – 218 Locke Street South, Hamilton was TABLED to allow the applicant to resubmit his patio application.
(g) **Moratorium on Outdoor Patio Boulevard Encroachment Fees (PW05040a) (City Wide) TABLED April 3, 2006 (Item 8.2a)**

On a motion (Merulla/Collins) Report PW05040a respecting Moratorium on Outdoor Patio Boulevard Encroachment Fees which was TABLED at the Public Works, Infrastructure and Environment Committee was LIFTED from the table.

The Committee discussed the issue and it was unclear whether the B.I.A’s were in favour of the extended patio season.

On a motion (Merulla/Collins) Report PW05040a respecting Moratorium on Outdoor Patio Boulevard Encroachment Fees was re-TABLED until the next Council meeting in order that it can be confirmed whether the extended patio season was to be approved.

(h) **Regional Road 56 - From Approximately 150 Metres North of Southbrook Drive to Approximately 300 Metres Northerly (Municipal Address: 3087 Regional Road 56), Municipal Act Project - (PW06135/PED06420) - (Ward 11) (Item 8.5)**

Councillor Mitchell questioned what appeared to be an inequity in the implementation of the Development Charges. Staff explained the City’s policy. The Chair recommended to Councillor Mitchell that he raise these issues at the Development Charges Committee.

(i) **Access and Egress from Pioneer Gas Station, Upper Centennial Parkway between Mud Street & Green Mountain Road (PW06133) - (Ward 9) - Public Works, Infrastructure & Environment Committee Outstanding Business List**

Councillor Bruckler requested that staff work with him on implementing interim measures to address the traffic safety concerns at this location and the Committee amended the staff recommendation to include this direction to staff.

(j) **Provincial Gas Tax Transit Master Plan Steering Committee Report 06-006 (Item 8.8)**

Don Hull explained to Committee that as staff have already advised Council in the past, Recommendation (a) of this Report was premature as the current garage can’t accommodate the installation of bike racks on buses. This won’t be feasible until 2008.
The Committee concluded that nevertheless this issue can be revisited during the 2007 budgets deliberations and consequently approved the recommendation of the Steering Committee.

(k) Provincial Gas Tax Transit Master Plan Steering Committee Report 06-007 (Item 8.9)

Don Hull pointed out to Committee that Subsections (a) and (g) of Item 17 were recommendations to approve isolated requests which is contrary to previous direction given that any requests for transit improvements be considered on a global basis.

The Committee approved all the recommendations of the Steering Committee Report and the votes for Item 17 subsection (g) were as follows:

Yeas: Braden, Bruckler, Collins, Jackson, Merulla, Mitchell, and McCathy

Total: 7

Nays: Pearson

Total: 1

Absent: Ferguson

(l) D.A.R.T.S. Board – Minutes – verbal update (Item 8.10)

Staff advised Committee that the recent review of the DARTS Board directed that the Minutes be presented to the Standing Committee. The Minutes of the DARTS Board will be included on the next Public Works Committee agenda.

(m) Woodward WWTP Certificate of Approval No. 0701-6L5PAB - Appeal to Environmental Review Tribunal (PW06138/LS06014) - (City Wide) (Item 8.11)

On a motion (Merulla/Collins) Report PW06138/LS06014 respecting Woodward WWTP Certificate of Approval No. 0701-6L5PAB – Appeal to Environmental Review Tribunal was TABLED until the next Council meeting in order for staff to provide any available documentation from the Ministry of the Environment with respect to its position on the issue that is the subject of the City’s appeal.
(n) Re-establishment of Volunteer Committees – (Keep Hamilton Clean and Hamilton Cycling Committee) (Item 8.13)

The Legislative Assistant advised Committee that the Keep Hamilton Clean and the Hamilton Cycling Committee will be re-established in the new term of Council and a report will be on the January 15, 2007 agenda with their proposed budgets.

(o) MOTIONS

Councillor Mitchell advised that his motion respecting water meters will be on the October 25, 2006 Council agenda as it is proposing an amendment to a policy which has been approved by Council. He indicated that he is pleased with the new policy developed by staff.
