Mr. Fred Eisenberger  
Chair  
City of Hamilton Board of Health  
City Centre  
77 James Street North  
Suite 230  
Hamilton ON  L8R 2K3

Dear Mr. Eisenberger:

I am pleased to announce that the provincial government has committed $109,035 to the City of Hamilton - Public Health and Community Services for the Healthy Living Hamilton project for the period of January 1, 2008 to December 31, 2008. This funding is subject to the City of Hamilton - Public Health and Community Services entering into a grant funding agreement with the Ministry of Health Promotion.

The Government of Ontario recognizes the significant cost of preventable diseases and injuries to Ontarians and to our health care system. We believe that activities such as these will help support our primary objective of healthier living. Together with our partners in the community, we are fostering improved health through the development and implementation of effective health promotion programs and strategies. We are working to ensure that Ontarians have the healthiest choices wherever people live, learn, work and play.

The administrative details regarding this funding will be communicated to you shortly through the office of Pegeen Walsh, Director, Chronic Disease Prevention and Health Promotion Branch.

Thank you for your continuing efforts and co-operation in working with the Ministry of Health Promotion to promote a healthier Ontario. Your important contributions and continued hard work and dedication will help to improve the quality of life and health of all Ontarians.

Sincerely,

Cynthia Morton  
Deputy Minister
