5. **Report from Phil**

Phil had a meeting with Scott Stewart (General Manager – Public Works). Phil had indicated that he supports our efforts and wishes to raise the profile of KHCC.

Public Works have wrapped up their seasonal promotions, Phil feels that both the KHCC and the Hamilton Cycling Committee should be included in Public Works community events, and our brochures should be available at these events.

Plans are underway to extend the Corporate Recycling Program to select city parks. Currently most park trash bins are emptied by students in the summer only.

Phil will set up a tour of the MRF.

Phil has asked to have KHCC signage changed on the bus shelters.

**Adjournment** - Being no further business, the meeting adjourned at 9:00 pm.
