FINANCIAL / STAFFING / LEGAL IMPLICATIONS

Financial: Taxes owing against the original parcels of land must be transferred to the new parcels in a timely manner or the City of Hamilton runs the risk of these amounts becoming uncollectible.

Staffing: There are no implications.

Legal: The City’s Legal Services Division has recommended that apportionments be completed in accordance with the procedure set out in Section 356 of the Municipal Act, 2001.

HISTORICAL BACKGROUND

The original blocks of land identified in this report were severed into two newly created parcels of land.

The assessments returned on the roll for the year 2013 reflect the value for the original parcels of land. The Municipal Property Assessment Corporation (MPAC) produced severance information forms for the assessment originally levied and identified the split amongst the new parcels of land. Since the original assessments remained with the base rolls for the 2013 taxation year, the taxes were overstated and now need to be adjusted to the newly created roll numbers.
POLICY IMPLICATIONS/LEGISLATED REQUIREMENTS

Section 356 of the Municipal Act, 2001, permits Council to approve the apportionment of land taxes due to the severance of the land. Once the tax roll is adjusted, the taxes shall be deemed to have always been levied in accordance with the adjusted tax rolls.

RELEVANT CONSULTATION

All apportionment recommendations provided to Council are supported by reports provided by the Municipal Property Assessment Corporation, identifying the split in the assessment values due to the land severance.

ANALYSIS / RATIONALE FOR RECOMMENDATION

Section 356 of the Municipal Act, 2001 permits municipalities to apportion the taxes on the land amongst the newly created lots. This process ensures the accurate distribution of the taxes to each property owner.
