November 8th, 2010

The City of Hamilton
City Hall, 71 Main St. W.
Hamilton, ON L8P 4Y5

Dear Mayor and Members of Council,

Kinsmen and Kinettes play a vital role in Canadian society by raising funds for worthy causes, large and small; undertaking ambitious projects to meet local community needs; and by offering leadership training to those who yearn to make a positive change.

Once a year, Kinsmen and Kinettes ask various municipal, provincial and federal representatives to help them maintain their high level of service by placing a 'Message-of-Support' in KIN Magazine (the magazine read by every member of our national community-benefit organization). These 'thank you' messages give you the opportunity to express your appreciation to Kin Canada members, who have raised funds and donated countless hours to serve the needs of fellow Canadians and the communities they call home. Without our clubs, communities would experience even greater demands on community resources.

Through a variety of service projects organized by clubs, Kin Canada has collectively helped thousands, possibly millions, of people in need. Last year, more than $16 million was raised nationally. As well, Kin members can proudly say they have contributed more than $1 billion to Canadian communities, including $37 million for cystic fibrosis research and hundreds of millions for parks, playgrounds and community facilities.

By supporting Kin Canada through our annual 'Message-of-Support' campaign, you are ensuring this work continues on in your neighbourhood, community, and across the country. We ask that you please show your support by completing the enclosed order form and returning it today. We thank you for your consideration.

Yours in Kin,

Lee Burry
2010/11 National President
