9. ATS Master Plan – Eligibility and Registration Policy Revision for Accessible Transportation Services (PW03128(b)) (City Wide) (Item 7.3)

(a) That the General Manager of Public Works be authorized and directed to implement a revised eligibility policy and registration assessment procedure, by November 1, 2008, for the Accessible Transportation Services (ATS) program of the City that has a focus on determining the most appropriate form of public transportation for each person with a disability which will meet their mobility needs, such that:

(i) an individual’s eligibility for specialized transit service (i.e. D.A.R.T.S. and Taxi Scrip) be determined by a functional mobility assessment of their ability to use conventional HSR services based on physical (strength based), cognitive and sensory abilities;

(ii) three eligibility categories be adopted, including full eligibility, conditional eligibility, and temporary eligibility;

(iii) the functional mobility assessment be conducted by an independent third party;

(iv) the registration procedure include an initial screening step to enable individuals who clearly meet the eligibility criteria to bypass the full functional mobility assessment;

(v) the registration procedure include a separate appeal mechanism, available to any existing registrant or new applicant who is not satisfied with the outcome of the assessment;

Council – May 30, 2007
(vi) the registration procedure include a client orientation step that
includes changes to the eligibility policy and services;

(b) That the General Manager of Public Works be authorized and directed to
implement the revised eligibility policy and registration assessment
procedure, such that:

(i) all existing ATS registrants not be reassessed under the new policy
and registration procedures;

(ii) all new registrants to the ATS program be assessed under the new
policy and registration procedures to determine their eligibility for
ATS services;

(iii) ATS services be further coordinated with conventional HSR
services to enhance the utilization of accessible low floor (ALF) by
persons with disabilities, through the acquisition of mobility
management software and implementation of trip by trip eligibility;

(iv) a travel training program be developed and provided to assist
persons with disabilities in the use of conventional HSR services;

(v) all aspects of the new program of service delivery be referred to the
Advisory Committee for Persons with Disabilities for advice and
consultation in future;

(c) That the General Manager of Public Works be authorized and directed to
employ a phased approach to implementation of the revised eligibility
policy and registration assessment procedure, such that:

(i) in Phase 1,

(1) a project steering committee, inclusive of the City's Advisory
Committee for Persons with Disabilities and Seniors
Advisory Committee, be established;
(2) a qualified consultant be retained to complete necessary
work for the City to issue an RFP and award a contract for
third party functional mobility assessment services;
(3) assessment of the functional mobility of existing registrants
be undertaken.

(ii) in Phase 2,

(1) a qualified consultant be retained to conduct an assessment
of existing operational capacity, to develop a go forward
passenger service strategy, and to complete necessary work
for the City to integrate that strategy with the anticipated
RFP for passenger services to take effect in 2008;

Council – May 30, 2007
(2) a follow-up report to Council detailing operational, financial and social implications of dealing with the assessment findings and service strategy be completed;

(3) upon Council direction, RFPs be issued and concluded, and a vendor or vendors be contracted to provide passenger services and travel training services.

(iii) in Phase 3,

(1) new registrants under the new policy be added onto accessible transportation services in a manner to be approved by Council in consideration of the follow-up report as per recommendation (c) (ii) (2) to this report;

(2) travel training program activities be undertaken as per recommendation (b)(iv) to this report;

(3) staff report to Committee and Council on at least an annual basis regarding the new registrant take-up and impacts on the program operating budget.

(d) That the General Manager of Public Works be authorized and directed to retain such qualified consulting services, under City of Hamilton Purchasing policies, as may be required to carry out activities related to third party functional mobility assessment development, RFP issuance and contract award; and assessment of existing operational capacity, service strategy development, and service RFP issuance and award; utilizing previously approved funds from Capital Account 5300483400.

10. **Red Hill Valley Project (RHVP) – Integrated Environmental Monitoring Program (PW07077) (City Wide) (Item 8.1)**

That the General Manager of Public Works or his designate be authorized to negotiate single source contracts with the Red Hill Valley Project’s design consultants (i.e., Philips Engineering Ltd., C. Portt and Associates, Blackport and Associates, Water Regime Investigations and Simulations Ltd., and Dougan and Associates) for the provision of multi-year environmental monitoring services as required by the regulatory agencies for the RHVP.

(a) That the General Manager of Public Works be authorized and directed to supply one portable indoor air purification unit to the registered owners of each of the eligible properties in the vicinity of the Glanbrook Landfill Site as set out in Appendix A to Report PW07076;
(b) That the supply of the portable indoor air purification units as described in subsection (a) above, be subject to the prior receipt of a signed waiver from the registered owners of the eligible property in a form satisfactory to the City Solicitor;

(c) That CA Circul-Aire be selected as the preferred vendor for the supply of air purifier unit model APS-250 at a unit cost of $1,585 if the City buys 31 or more units (unit price being negotiated by Purchasing);

(d) That the cost of the air purifier units be covered from Capital Account 5120791400.

12. Concerns from the Advisory Committee for Persons with Disabilities regarding Barrier-Free Design at the South Mountain Complex (PW07074) (Ward 7) (Item 8.3)

The agenda was approved, as amended.

(b) DECLARATIONS OF INTEREST (Item 2)

None.
(c) APPROVAL OF MINUTES (Item 3)

On a motion, the Minutes of the May 7, 2007 meeting of the Public Works Committee were received and adopted as presented.

(d) DELEGATION REQUEST (Item 4)

(i) Request to appear from Mark Mullins, EnQuest Power Corporation, respecting clean up of Randall Reef (Item 4.1)

On a motion, the request from Mark Mullins, EnQuest Power Corporation, respecting clean up of Randall Reef, was approved. (Note: As requested, Mr. Mullins, will be placed on the September 17, 2007 agenda of the Public Works Committee.)

(ii) Request to appear from Messrs. Fred Leech, Ministry of Transportation of Ontario, and Mike Delsey, Totten Sims Hubicki Associates, to give an update on the Highway 24 Transportation Corridor and Class EA Study (Item 4.2)

On a motion, staff was directed to contact the Ministry of Transportation and/or Totten Sims Hubicki Associates to determine the necessity of an update being given to the Public Works Committee with respect to the Highway 24 Transportation Corridor and the Class EA Study and if absolutely required, the update be scheduled for the June 4 meeting of the Committee.

(iii) Request to appear from Tyler Tikkala respecting lack of communication between DARTS and its passengers; disrepair of natural gas buses and use of audible crossing signs (Item 4.3)

On a motion, staff was directed to meet with Mr. Tikkala to resolve Mr. Tikkala’s concerns and if not resolved to his satisfaction, that Mr. Tikkala be approved to appear before the Committee at a future meeting.

(e) PUBLIC HEARINGS/DELEGATIONS (Item 6)

(i) Proposed Permanent Closure and Transfer of Road Allowance at Eramosa Karst (PW07067) (Ward 9) (Item 6.1)

The Chair requested if there was anyone present wishing to address this issue.

No one from the public came forward to speak to this issue.

On a motion, the recommendations as presented in Report PW07067 were approved.
(ii) **Hauser Municipal Drain (PW07080) (Ward 14)**

The Chair advised the Committee that in accordance with Section 41(2) of the Drainage Act, staff has prepared a report for the Committee's consideration. All assessed landowners have been notified of this Report Consideration Meeting and in accordance with Section 42 of the Act, will be given the opportunity to speak to the report and/or formally withdraw from or be included in the petition surrounding this issue at today’s meeting. The Chair advised that there would not be an opportunity to discuss the assessment costs at today’s meeting.

The Chair requested if there was anyone present wishing to address this issue.

The following individuals spoke:

(aa) **Karen Turkstra, Developer of Van Every Gardens**

Karen Turkstra outlined the history of the Van Every Gardens subdivision and the problems encountered with respect to water flow downstream to the Hauser property, specifically between Lots 8 and 9, due to insufficient outlets.

(bb) **Bruce Hauser** indicated that he is anxious to reach a resolution which is agreeable to all parties. Mr. Hauser also signed on to the petition to ensure that the process moves forward and executed a “Notice of Withdrawal/Addition of Name to Petition” for the Hauser Municipal Drain.

(cc) **Betty Jean Price**, a resident on Flamborough Court, which is to the south of the 2 developments (Van Every Gardens and Bayview Estates), expressed concerns that the drainage from the 2 subdivisions will impose flooding problems on the residents of Flamborough Court.

The Chair asked if there were any additional speakers, of which there were none.

The Chair requested staff to give a presentation on the report.

Bob Paul, Technical Services Co-ordinator/Drainage Superintendent, advised the Committee that under the requirements of Section 4(1)(a) of the Drainage Act, the Engineer’s Report was prepared.
J. Bryon Wiebe, President and Consulting Engineer, Wiebe Engineering Group Inc., gave a brief summary of the report on the Hauser Municipal Drain. He advised that the Report secures a legal outlet for both Van Every Gardens and Bayview Estates, and apportions the costs to the developers.

On a motion,

(aa) The public presentations on the Hauser Municipal Drain were received;

(bb) Due to the complexity of this issue, the recommendations contained in Report PW07080 respecting the Hauser Municipal Drain will be brought back to the Public Works Committee at its meeting on June 18, 2007.

Council – May 30, 2007
(g) CORRESPONDENCE FROM SHIRLEY GLAUSSER, CHAIR, DARTS BOARD OF DIRECTORS, REQUESTING THAT A MEMBER OF THE DARTS BOARD BE APPOINTED AS A CITIZEN MEMBER ON THE PROVINCIAL GAS TAX TRANSIT MASTER PLAN STEERING COMMITTEE (Item 8.4)

The correspondence from Shirley Glauser, Chair, DARTS Board of Directors, requesting that a member of the DARTS Board be appointed as a citizen member on the Provincial Gas Tax Transit Master Plan Steering Committee, was received and referred to the City Solicitor for a report back to the Public Works Committee as it relates to the provisions of the Municipal Conflict of Interest legislation.

(h) ITEMS REFERRED FROM COUNCIL:

(i) Correspondence from Hayley Mezei, Canada World Youth, respecting support of HIV/AIDS Exchange Program by supplying bus passes for a three-month period (Item 8.4)

The Committee was advised that a report on this matter will be presented to the Committee of the Whole on July 11, 2007.

(i) GENERAL INFORMATION/OTHER BUSINESS (Item 11)

(i) Outdoor Boulevard Café, 218 Locke Street South (PW06139)

The Committee was advised that staff is awaiting the submission of a revised plan for the outdoor boulevard café, which does not involve any additional fee to the applicant.

On a motion, as a result of the information provided to the Committee, the above-noted item was removed from the Outstanding Business List of the Public Works Committee.

(ii) Hamilton Recreational Trails Master Plan – Staff Update

Robert Norman reported that staff will be working with the Planning Department on the integration of park development with a trail through the Jerseyville woodlot, and will continue to provide updates to the Committee as the subdivision proceeds.

(iii) Canada Post Mail Delivery

Councillor Mitchell expressed concern with respect to an issue involving Canada Post and the refusal by some mail delivery personnel to deliver mail to rural addresses due to road conditions. Staff is to investigate this matter and will respond to Councillor Mitchell directly.
(iv) **Roundabout – Wilson Street and Shaver Road, Ancaster**

Councillor L. Ferguson advised that the Ministry of Transportation is prepared to move forward with the installation of a traffic signal at Wilson Street and Highway 403, and expressed serious concerns that this signal is not necessary due to the installation of a roundabout at the intersection of Wilson Street and Shaver Road, which was approved in the City’s 2008 budget.

(v) **Portable Indoor Air Purification Units Policy**

Staff was directed to analyze and implement a study to initiate a Portable Indoor Air Purification Units Policy for neighbourhoods near TARO and the Water and Sewage Treatment Plant. The parameters should be studied, based on the same principle and justification measurables as the neighbourhood at the Glenbrook Landfill Site and the Community Liaison Committee (CLC).

There being no further business, the Committee adjourned at 11:55 a.m.

Respectfully submitted

Councillor M. McCarthy  
Chair  
Public Works Committee
