EXECUTIVE SUMMARY

The City of Hamilton has been participating in numerous joint procurement initiatives with Metrolinx and other Ontario Municipalities since 2008. In the past the City of Hamilton has purchased conventional Transit Buses, Specialized Transit Buses, Bus Parts, and Electric Fan Conversions Kits. The benefits of these joint procurements include:

- Volume purchases result in better base pricing.
• Savings in time and staff resources.

The Governance Agreement referred to in recommendation (a) of this report is a required prerequisite to join in any up-coming Provincial Procurement opportunities. Under the conditions of the agreement, a By-Law is required to authorize the Mayor and City Treasurer to sign the “Governance Agreement between Her Majesty the Queen in Right of the Province of Ontario” (attached as Appendix A), represented by Metrolinx and the City of Hamilton relating to any up-coming opportunities offered by Metrolinx.

Alternatives for Consideration - See Page 4

**FINANCIAL / STAFFING / LEGAL IMPLICATIONS**

**Financial:** Ratification of the Governance Agreement and related By-Law implementation results in the City of Hamilton becoming eligible to participate in any up-coming procurement opportunities that have received Council approval in the time frame 2013 - 2018.

**Staffing:** There are no staffing implications.

**Legal:** There are no Legal Implications.

**HISTORICAL BACKGROUND**

Past Procurement initiatives, facilitated by Metrolinx have involved fifteen Transit Systems; Barrie, Brampton, Burlington, Durham, Hamilton, Kingston, London, Milton, Oakville, North Bay, Sarnia, St. Catharines, Welland, Windsor, and York. Other Transit Systems can participate in up-coming programs subject to the terms and conditions of the Governance Agreement which is predicated on the following key principles:

- Metrolinx, as facilitator, shall use an open and competitive procurement to be in compliance with Ontario Procurement Policies when issuing the Request for Proposal, whereby proposals will be evaluated and the Master Agreement will be awarded to the bidder with the highest overall score.
- Participation by transit systems in any up-coming joint procurement opportunities is voluntary, and participants can withdraw up to and including seven calendar days before award is made by the Steering Committee.
- All Procurements will be overseen/managed by the Steering Committee.
- Avoids costs by standardizing the RFP documents including terms and conditions.
- Obtaining more favourable pricing, given order size and standardization of specifications.
- Improving the procurement process in terms of time requirements, time availability, and completeness of the request for proposal document.
- Providing the opportunity to share resources in dealing with technical (new technology) issues associated with buses, particularly for medium to smaller systems.

OUR Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.

OUR Mission: WE provide quality public service that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Values: Accountability, Cost Consciousness, Equity, Excellence, Honesty, Innovation, Leadership, Respect and Teamwork
• Avoids costs and reduces time associated with the bus procurement process allowing transit systems to focus on core competency.

POLICY IMPLICATIONS/LEGISLATED REQUIREMENTS

City of Hamilton entering into a Multi-Year Governance Agreement with Metrolinx.

The Public Works Strategic Plan was developed and implemented in 2007. It is used to define the vision for the Public Works Department through to 2017. The plan contains seventeen priorities that are categorized into four vision drivers: Communities, People, Processes, and Finances. Hamilton’s partnership with Metrolinx and other Municipalities demonstrates three of our four strategic commitments:

• “Smart Processes to match our needs”. Partnering with Metrolinx and neighbouring municipalities saves valuable human resource time and money.
• “Sound Financial Management for the Long Haul”. Taking part in up-coming opportunities will ensure that work is undertaken at approved service levels with budgets that match.
• “Serving our Communities with Trust”. All future purchases will advance greening of the City. All vehicles purchased will meet the highest level of emission standards, in accordance with Public Works Strategic Plan commitment to be a leader in “greening” of the City.

RELEVANT CONSULTATION

Staff has consulted with Legal Services and Purchasing. Staff has also consulted with the participating municipalities throughout our involvement in previous procurement initiatives. All have reported a positive experience. Comments from other properties include:

• Good performance based contracts specifications,
• Delivery schedules adhered to,
• Competitive pricing,
• Avoid costs and reduced time associated with the bus procurement process,
• Opportunity to improve buying power.

ANALYSIS / RATIONALE FOR RECOMMENDATION

The signing of this multi-year Governance agreement will allow us the opportunity to more easily join into any up-coming Metrolinx lead procurement initiatives. In historic initiatives we have had to get Council approval for both the procurement and Governance Agreement, by signing the multi-year agreement, going forward, Council will only have to give authorization for the procurement as opposed to both procurement and governance agreement. This will be a savings in both staff time and resources.

ARTICLE II: PRINCIPLES OF JOINT PROCUREMENTS

2.1 Key Principles

This Agreement shall be guided by the following key principles:

a. Metrolinx shall comply with any Procurement Policies which it is required to follow when issuing any joint Procurement whereby proposals will be evaluated.

b. Metrolinx will facilitate the joint Procurement of certain transit system vehicles, equipment, technology, facilities and related supplies and services on behalf of the Purchasers.

c. Metrolinx shall work with a Steering Committee in undertaking each joint Procurement and shall prepare, in consultation with such Steering Committee, Terms of Reference setting out the specific terms applicable to the Procurement, substantially in the form attached hereto as Schedule C (Sample Terms of Reference);
d. The Terms of Reference shall be acknowledged in writing by the Steering Committee members representing those Purchasers that intend to participate in the particular Procurement, and shall form the basis for the draft Master Agreement to be included in the Procurement Documents for that Procurement;

e. Participation by Purchasers in any joint Procurement is voluntary up to five (5) Business Days following the Steering Committee’s recommendations that Metrolinx enter into a Master Agreement with the successful Proponent, pursuant to Section 4.8 (Award of a Master Agreement).

f. Ownership of any Goods and/or Services to be procured and legal obligations related to any joint Procurement shall reside exclusively with the respective Purchasers, each of whom shall enter into a separate Purchase Agreement with the successful Proponent.

g. The term of any Master Agreement, including any additional option years exercisable at the discretion of the Purchasers (“Option Years”), if applicable, shall be determined by the Parties and set out in the Terms of Reference, the Master Agreement and the Purchase Agreements for the particular Procurement.

h. Subject to Section 4.2 (Procurement Process), the decision on whether or not to exercise the right to extend a Master Agreement for any Option Years, and to the extent any Option Year is exercised, the quantity of Goods and/or Services to be purchased, rests exclusively exercised with each of the respective Purchasers.

i. Purchasers may be required to pay a participation fee in order to participate as a Purchaser in certain joint Procurements (the “Participation Fee”). The details of any applicable Participation Fee, including the payment process, shall be set out in advance in the Terms of Reference, the Master Agreement and the Purchase Agreement, as applicable, for the particular Procurement. The Parties acknowledge that under Metrolinx’s current policy for the fiscal year period 2011-2016, Metrolinx does not intend to charge a Participation Fee in connection with the joint procurement of 8-metre, 9-metre, 12-metre and 18-metre transit buses. Metrolinx’s policy with respect to Participation Fees is subject to change at Metrolinx’s sole discretion.

j. Metrolinx and the Purchasers will cooperate fully on all aspects of the joint Procurements including timely sharing of information and on-going two-way communication to promote informed decision making and budgeting.

ARTICLE III: STEERING COMMITTEES

3.1 Steering Committee Membership

For each Procurement intended to be issued by Metrolinx pursuant to Section 3.5 (Decisions of a Steering Committee), there shall be a Steering Committee comprised of one representative from each of Metrolinx (the “Metrolinx Member”), GO Transit (provided that GO Transit is participating as a Purchaser in the particular Procurement), and one representative from each other Purchaser that intends to participate in that Procurement and has acknowledged the Terms of Reference as described in Section 2.1(d). For each

3.2 Council By-Law, Resolution

The appointment of the Member and the Alternate Member by a Purchaser shall be confirmed by a by-law or resolution of the municipal council, commission, or board (as applicable) in a form consistent with Schedule E (Sample Council/Board/Commission By-Law/Resolution). The appointments shall refer to positions rather than specific individuals.

3.3 Votes

Save and except for the Metrolinx Member, each Purchaser participating in a Procurement and GO Transit (as applicable) shall, through their Member, have one vote on the Steering Committee for that particular Procurement. For greater certainty and consistent with its role as facilitator, the Metrolinx Member shall have no vote on any Steering Committee.

Wherever possible, the Steering Committee shall convene a meeting to conduct its business; however, in the absence of a meeting, the Steering Committee shall be authorized to make decisions and transact business with the unanimous written consent of all Steering Committee Members eligible to vote, which consent may be provided in the form of e-mail confirmation (“Unanimous Written Consent”).

3.5 Decisions of a Steering Committee

The following decisions of a Steering Committee require the concurrence of at least three-quarters (3/4) of the Steering Committee Members participating in a meeting and eligible to vote: In the absence of a meeting, the following decisions will require the Unanimous Written Consent (as defined in Section 3.4 (Quorum)) of the Steering Committee Members eligible to vote:

Where a Steering Committee exercises its authority under Section 9.2 (Metrolinx Remedies for Event of Default by Purchaser), the Party whose Default status is being determined may participate in the discussion but may not vote in the decision.

All other decisions of a Steering Committee require the concurrence of a simple majority (greater than fifty (50)%) of the Steering Committee Members present at a meeting and eligible to vote, or the Unanimous Written Consent of the Steering Committee Members.

Subject to its rights or other obligations as set out in this Agreement and any other agreement, law, policy, rule, directive or other requirement or provincial direction to which it may be bound or subject, Metrolinx shall either act in accordance with the decisions of the Steering Committee or not at all.

3.6 Sub-committees

Unless a Steering Committee decides otherwise, all meetings of a Steering Committee shall be held either at a location determined by Metrolinx or via teleconference.

b. presiding over each meeting including special meetings; and

c. arranging for the recording, distribution and storing of the minutes of such meetings.

ARTICLE IV: PROCUREMENT APPROACH AND TERM

4.1 Technical Specification and/or Scope of Work

Metrolinx shall, in consultation with the Steering Committee develop the Technical Specifications and/or the Scope of Work for each Procurement. An overview of the Technical Specifications and/or the Scope of Work, shall be set out in the Terms of Reference, with more specific detail to be provided in the Procurement Documents.

4.2 Procurement Process
Subject to this Agreement, the specific terms of the Procurement and the Master Agreement, each Procurement is intended to identify a Supplier as the exclusive Supplier of Goods and/or Services for the term of the relevant Master Agreement for Purchasers who do not elect to terminate their participation in the Procurement pursuant to Section 9.6 (Termination Without Cause by a Purchaser). The option to extend for any of the Option Years, if applicable, will be at the sole discretion of the Purchasers, each of whom shall have the right to exercise the Option Years or not in accordance with the relevant Master Agreement and their Purchase Agreement with the Supplier (“Purchase Agreement”). Upon exercise of an Option Year by any Purchaser under section 4.11 (Option Years), the Supplier will be the exclusive Supplier of the Goods and/or Services to such Purchaser during the relevant Option Years in accordance with the terms of the relevant Master Agreement and Purchase Agreement. For the avoidance of doubt, if a Purchaser does not elect to exercise an Option Year in accordance with Section 4.11 (Option Years), the Purchaser shall no longer be considered a Purchaser or qualify for addition as an Eligible Purchaser for that particular Procurement.

4.3 Supplier

A Supplier procured pursuant to a Procurement shall:

a. be given an exclusive contract for the term of the particular Procurement; therefore, Purchasers that plan to procure Goods and/or Services during the term of the Procurement and that have not withdrawn from the Procurement or this Agreement in accordance with Section 9.6 (Termination Without Cause by a Purchaser) must purchase Goods and/or Services from the successful Supplier on an exclusive basis;

b. not be contractually guaranteed the purchase of any particular quantity of Goods and/or Services under the relevant Master Agreement; and

c. be advised by the Purchasers of their respective orders for Goods and/or Services upon approval of funding from their respective municipal councils or board of directors, as the case may be, on or around March 31 of each year of the term of the Procurement and, where applicable, the Option Years, to facilitate delivery of the Goods and/or Services in the relevant year.

4.4 Master Agreement

On the recommendation of the Steering Committee in accordance with Section 4.8 (Award of Master Agreement) and in compliance with Section 1.4 (Governing Laws and Agreement) and any Procurement Policies required to be followed by it, Metrolinx may sign a Master Agreement with the successful Proponent for each completed Procurement that will establish the Supplier for each Master Agreement. Notwithstanding the foregoing, as the issuer of the Procurements and signatory to the Master Agreements, Metrolinx retains final discretion on whether or not to execute any Master Agreement. Each Master Agreement will specify the terms and conditions of the relevant Procurement and pricing for the Goods and/or Services (including any additional Options that may be selected by Purchasers) to be procured. General terms and conditions that apply to all Purchasers participating in the Procurement will be contained in each Master Agreement. If a Participation Fee applies to the particular Procurement, the Master Agreement will include a description of the Participation Fee, which the Supplier will be required to collect from the Purchaser and remit to Metrolinx on account of the services provided by Metrolinx for the Procurement.
4.5 Purchase Agreement with Supplier

Subject to the Master Agreement, each Purchaser will enter into a Purchase Agreement directly with the Supplier that will provide details related to their purchase of Goods and/or Services, including any Options selected by that particular Purchaser, pricing details, and any other appropriate terms and conditions consistent with the terms of the relevant Master Agreement. If a Participation Fee applies to the particular Procurement, the Purchase Agreement may include terms authorizing the Supplier to include the applicable Participation Fee in the invoice issued to the Purchaser for the purchase of certain goods or services, and the Supplier shall remit the Participation Fee to Metrolinx in accordance with the terms of the Master Agreement. In the event that the Supplier fails or refuses to pay this amount to Metrolinx, the Purchaser(s) will be authorized to set off this amount from any payments otherwise due to the Supplier under the Purchase Agreement, and required to remit this amount to Metrolinx directly.

Pursuant to the terms of the Master Agreement with the Supplier, the Supplier shall be responsible for providing a copy of the executed Purchase Agreement to the Project Officer assigned to that Procurement for review. The Project Officer will review each Purchase Agreement to ensure it is consistent with the relevant Master Agreement. Should it be found to be inconsistent, the Project Officer will report the inconsistency to Metrolinx and the Steering Committee for that Procurement.

If the Master Agreement for the particular Procurement provides for any Option Years, prior to exercising any such Option Year, the Purchaser must (a) provide notice to Metrolinx of the intention to exercise an Option Year in accordance with the terms set out in the Master Agreement, and (b) the Purchaser and the Supplier must extend the existing Purchase Agreement or enter into a new Purchase Agreement for the duration of the Option Year(s). For the avoidance of doubt, any new Purchase Agreement in respect of an Option Year is subject to review by the Project Officer as set out above in this Section 4.5 (Purchase Agreement with Supplier).

4.6 Timing

The estimated timelines for each Procurement shall be set out in the Terms of Reference and the Master Agreement. All timelines shall be considered estimates only and are subject to change by Metrolinx, in its sole discretion, acting reasonably.

4.7 Issuance of Procurements

Metrolinx shall conduct the Procurements in accordance with this Agreement, any Procurement Policies that Metrolinx is required to follow, and the Requirements of Law. The Procurements may take different forms, including but not limited to requests for quotations, public tenders and requests for proposals. The Procurement shall include:

a. an open advertisement through a public, industry-accepted electronic tendering system used to connect suppliers of goods and services to people who purchase on behalf of governments and public sector organizations, such as MERX TM (the “Public Procurement Portal”);
b. a posting of Proponent questions and answers through addenda on the Public Procurement Portal; and

c. an evaluation process, as described in the Terms of Reference.

If applicable, Metrolinx shall alone and in its sole and absolute discretion, procure, retain and provide funding for the services of an independent fairness commissioner. The fairness commissioner will be a third party observer who provides independent confirmation that the Procurement is open, fair and transparent and complies with the terms and conditions of this Agreement, any Procurement Policies that Metrolinx is required to follow, and the Requirements of Law.

The cost of the joint Procurement process shall be borne by Metrolinx; provided however, that Metrolinx shall not be responsible for any costs incurred by any Purchaser relating to such process including without limitation those of a Purchaser who elects not to participate under Section 9.6 (Termination Without Cause by a Purchaser).

4.8 Award of a Master Agreement

a. Each Steering Committee may recommend that Metrolinx award a Master Agreement to the qualified Proponent that achieves the highest total score in the tender evaluation process, in accordance with Section 3.5 (Decisions of a Steering Committee).

b. Notwithstanding this Section 4.8 (Award of a Master Agreement), each Steering Committee reserves the right not to recommend awarding a Master Agreement to any Proponent if, in the view of three-quarters (3/4) or more of Steering Committee Members eligible to vote, no proposal is acceptable based on the terms and conditions of the particular Procurement. If at least three-quarters (3/4) of the Steering Committee Members eligible to vote agree that no proposal is acceptable, they may agree to recommend to Metrolinx that the Procurement be cancelled and each Purchaser shall thereafter be free to independently obtain the Goods and/or Services which were the subject of the Procurement, subject to the survival of and the Purchasers’ continued compliance with the specific terms of this Agreement, including without limitation the provisions related to confidentiality (Article VII: Confidentiality) and conflict of interest (Article VIII: Conflict of Interest).

c. Following a Steering Committee’s recommendation to Metrolinx to award a Master Agreement and in accordance with Section 9.6 (Termination Without Cause by a Purchaser), Purchasers shall have five (5) Business Days following the Steering Committee’s recommendation to decide whether they will participate in the particular Procurement. If a Purchaser decides not to participate in a particular Procurement within these five (5) Business Days and gives written notice to that effect in accordance with Section 9.6 (Termination Without Cause by Purchaser), it shall (i) no longer have any rights with respect to participation on the Steering Committee in relation to the relevant Procurement, (ii) shall not thereafter be permitted to become an Eligible Purchaser for that particular Procurement, and (iii) in accordance with Section 8.2 (Conflict of Interest), shall not be entitled to contract with the Supplier for the purchase of Goods and/or Services which were
the subject matter of the particular Procurement, during the term of the relevant Master Agreement.

d. Following the five (5) Business Days during which Purchasers may decide whether to participate in a particular Procurement (as described in subparagraph (c) above), Metrolinx shall wait at least three (3) Business Days before executing the Master Agreement and notifying the successful Supplier.

e. Metrolinx’s execution of a Master Agreement is subject to Metrolinx’s rights under Section 4.4 (Master Agreement).

4.9 Participation Fees

If a Participation Fee applies to a particular Procurement, the details of the Participation Fee shall be set out in the Terms of Reference and incorporated into the relevant Master Agreement and Purchase Agreements.

4.10 Term of this Agreement

Subject to any extension or termination of this Agreement pursuant to the provisions herein, or the survival of any of the obligations of this Agreement as provided herein, this Agreement for the purposes of facilitating joint Procurements shall be effective as of the Effective Date and shall expire on [_______], 2018¹ (the “Expiration Date”, and the five (5) year period of time from the Effective Date up to and including the Expiration Date, the “Term”); provided that, if Metrolinx enters into any Master Agreement during the Term that is extended beyond the Expiration Date (including, for example, as a result of the exercise of an Option Year), this Agreement shall automatically extend until the expiration of such Master Agreement.

4.11 Option Years

In the event a Master Agreement and Purchase Agreement for a particular Procurement allow for the exercise of Option Years by the Purchaser, the details of such Option Years, including the process by which Purchasers must provide notice in writing to Metrolinx of its intention to exercise any Option Year, shall be described in the Terms of Reference and incorporated into the Master Agreement of the applicable Procurement. As described in Section 4.5 (Purchase Agreement with Supplier), Purchasers are required to (a) provide notice to Metrolinx of the intention to exercise an Option Year in accordance with the terms set out in the Master Agreement, and (b) the Purchaser and the Supplier must extend the existing Purchase Agreement or enter into a new Purchase Agreement for the duration of the Option Year. Notwithstanding anything in this Agreement to the contrary, in the event that no Purchaser notifies Metrolinx of its intention to exercise the Option Years under a Master Agreement, that Master Agreement shall be deemed to be at an end and shall expire at the completion of its stated term, unless the Steering Committee advises Metrolinx otherwise.

¹ Note to Draft: Insert date that is five-years after the Effective Date.

e. Metrolinx shall review any proposed Communications (as such terms is defined in Schedule “B” (Communications Policy)) prepared by a Purchaser and submitted to the Parties in accordance with Section 1(d) of Schedule B (Communications Policy) to ensure consistency with the Communications Policy set out in Schedule B (Communications Policy).

Activity, payment or funding obligations may be reduced or terminated, in response to the Legislature’s annual budget, a change in departmental funding levels by the Legislature, or any other parliamentary decision that has an impact on the program under which this Agreement is made.

h. Notwithstanding its retention of any Manager, Project Officer or Project Inspector pursuant to the Terms of Reference, Metrolinx does not guarantee, warrant or otherwise provide any assurance as to suitability of any of the Goods and/or Services to the Purchasers, or anyone, and Metrolinx is not responsible for the acts or omissions of the Project Officer or the Project Inspector.

5.2 Representations and Warranties of Metrolinx

5.3 No Metrolinx Liability

Where Metrolinx has entered into a Master Agreement, each Purchaser acknowledges and agrees that Metrolinx shall not be liable or responsible to any other Party to this Agreement, any Purchaser, the Supplier and/or any third party for any matter arising under such Master Agreement, the Procurement process or the provision of the Goods and/or Services, except to the extent to which such matter relates to the negligence or wilful misconduct of Metrolinx in the performance of its duties, and without limiting the generality of the foregoing, each Purchaser acknowledges and agrees that:

a. Metrolinx will not be liable or responsible for any act or omission of the Purchaser or the Supplier in relation to Goods and/or Services under any Master Agreement and/or any Purchase Agreement. c. Except for determining a Proponent’s compliance with the mandatory requirements set out in the Procurement Documents, Metrolinx has not endorsed, recommended or approved the suitability of a Supplier or its Goods and/or Services for a Purchaser.

d. Each Purchaser shall be responsible for obtaining its own professional advice, including its own independent legal advice in respect of its execution of this Agreement, its participation hereunder, and its completion of a Purchase Agreement, if any. Each Purchaser may include such additional business and legal terms and conditions to the Purchase Agreement as it sees fit in the circumstances provided that the required terms of the Purchase Agreement approved by the Steering Committee (the “Required Terms”) are wholly retained and provided further that any such additional terms and conditions are not inconsistent with the terms and conditions of the relevant Master Agreement and the Required Terms.

e. Unless otherwise provided in this Agreement, each Purchaser shall be responsible for its own costs of any nature whatsoever arising as a result of, through or in any way related to its execution of this Agreement and its participation hereunder.

ARTICLE VI: PURCHASERS

6.1 Steps Required to Become a Purchaser

Subject to Section 6.3 (Addition of Purchasers to this Agreement) a transit service provider or other entity becomes a Purchaser when:

a. the person or persons authorized to execute this Agreement on behalf of the municipality or other entity has or have duly executed this Agreement, a counterpart to this Agreement, or in the event an Eligible Purchaser is being added to the Agreement after the Effective Date in accordance with Section 6.3, a confirmation agreement in the form attached as Schedule F (Confirmation Agreement); and
b. the municipality or other entity has provided to the Manager the following documents:

i. a Purchaser Information Sheet attached as Schedule D (Purchaser Information Sheet); and

ii. a certified copy from a Purchaser’s clerk or other authorized officer, confirming passage and enforceability of a by-law, resolution or other authority, as applicable, which includes, at a minimum, the information in the sample by-law/resolution attached as Schedule E (Sample Council/Board/Commission By-Law/Resolution), including the designation of persons authorized to provide instructions and any necessary approval for the Procurements as Steering Committee Member or Alternate Member, and confirming that all necessary actions have been taken by the Purchaser to authorize such persons to give instructions and any necessary approvals for the Procurements. The designations shall refer to positions rather than to specific individuals.

6.2 Representations and Warranties of Purchaser

a. Each Purchaser covenants, represents and warrants to Metrolinx that:

iv. it is a validly existing legal entity under the laws of its relevant jurisdiction;

v. it has the requisite legislative and other authority and any necessary approval to enter into this Agreement and to carry out its terms, including the entering into joint Procurement arrangements and has passed any necessary by-law or resolution and has complied with its own procurement requirements;

vi. it will take all necessary steps to ensure that it has all approvals (including budget approvals) which are required in order to carry out any Procurement;

vii. its entry into this Agreement and performance of the terms hereof will not result in a breach of its constituting documents, by-laws, or any other agreements, ordinances or laws to which it is a party;

viii. it has not entered into any agreement or arrangement that would restrict the ability of Metrolinx to perform its obligations under this Agreement;

ix. if it is participating as a Purchaser in a particular Procurement and has not withdrawn from this Agreement under Section 9.6 (Termination Without Cause by a Purchaser), the Purchaser will not enter into any new contract or contract extension with any supplier other than the Supplier for the Goods and/or Services specified in the Master Agreement during the term of the particular Procurement without the prior written approval of Metrolinx (such approval not to be unreasonably withheld or delayed), unless the Supplier cannot provide the Goods and/or Services on a timely basis or has not met the requirements under the Master Agreement or Purchase Agreement as determined by the Steering Committee, acting reasonably; and
x. it will collect and submit to Metrolinx without unreasonable delay any data that Metrolinx may reasonably request from time to time in order to monitor and evaluate the effectiveness of the Goods and/or Services procured under this Agreement.

b. The Purchaser shall be deemed to have repeated the foregoing representations and warranties each time it provides instructions for a Procurement. Metrolinx shall have no obligation to make any further inquiry to confirm the truth or accuracy of any representation or warranty, or the validity of any action taken by a Purchaser hereunder.

6.3 Addition of Purchasers to this Agreement

Metrolinx may from time to time after the Effective Date, add Eligible Purchasers as Parties to this Agreement. Each proposed additional Eligible Purchaser must first:

a. complete Section 6.1 (Steps Required to Become a Purchaser) in full; and

b. to the extent it intends to participate in any existing Procurement:

i. receive confirmation from the Project Officer for that Procurement that the Supplier has sufficient capacity to accept additional Purchasers without impacting on the delivery of Goods and/or Services already on order by existing Purchasers; and

ii. confirm in writing to Metrolinx that it has not issued a public procurement process or subsequently cancelled an order for Goods and/or Services in order to participate in the Procurement; and

Upon its completion of the foregoing, an Eligible Purchaser shall become a Purchaser and shall enjoy all of the rights and obligations in this Agreement excepting only the services of the Project Inspector, if applicable to the Procurement, which shall be subject to the availability of Metrolinx funds. The Purchaser may then enter into a Purchase Agreement in accordance with the approved specifications and Options available for the respective Procurement. Each Purchaser agrees that this Agreement is binding on it regardless of the addition of Purchasers by Metrolinx hereunder.

ARTICLE VII: CONFIDENTIALITY

7.1 Confidential Information

Each Party shall keep, and shall ensure that its advisors, agents, directors, commissioners, officers, partners, Personnel, representatives and contractors keep, all Confidential Information confidential in accordance with the terms and conditions of this Article VII (Confidentiality). In addition to any other liabilities of a Party pursuant to this Article VII (Confidentiality) or otherwise at law or in equity, each Party shall be liable for any and all liability, losses, costs, damages, expenses (including all reasonable legal, expert and consultant fees), causes of action, and proceedings arising from any non-compliance with this Confidentiality Agreement by a Party or any of its advisors, agents, directors, commissioners, officers, Personnel representatives or contractors.
7.2 Use of Confidential Information

a. Confidential Information disclosed directly or indirectly by a Disclosing Party to a Receiving Party shall be held by the Receiving Party in confidence, and the Receiving Party:

i. shall not disclose, reveal, publish, or disseminate any of the Disclosing Party’s Confidential Information, provided that the Receiving Party may disclose Confidential Information to those of its advisors, agents, directors, commissioners, officers, partners, Personnel, representatives and contractors with a need to know such Confidential Information in connection with assisting, advising and/or providing feedback to the Procurement process, provided that such person is subject to obligations of confidentiality substantially similar to those contained in this Article VII (Confidentiality);

ii. shall take all reasonable steps required to prevent any unauthorized reproduction, use, disclosure, publication, or dissemination of the Disclosing Party’s Confidential Information;

iii. shall not copy, reproduce in any form or store the Disclosing Party’s Confidential Information in a retrieval system or database, without the prior written approval of the Disclosing Party;

iv. shall immediately notify the Disclosing Party in the event that it becomes aware of any unauthorized disclosure of Confidential Information; and

v. shall satisfy and comply with all applicable privacy legislation and any other statute or regulation applicable to the Confidential Information, including without limitation FIPPA and MFIPPA.

b. At any time at the request of the Disclosing Party, the Receiving Party shall make all commercially reasonable efforts to effect the following as soon as possible:

i. return all Confidential Information to the Disclosing Party; or

ii. destroy the Confidential Information and all copies thereof in any form whatsoever under its power or control and provide the Disclosing Party with a certificate signed by the Receiving Party, or an appropriate officer of the Receiving Party, certifying such destruction.

c. Notwithstanding paragraphs (a) and (b) of this Section 7.2 (Use of Confidential Information), the Receiving Party shall be permitted:

i) to retain and use one copy of the Confidential Information of the Disclosing Party for the sole purpose of compliance with and to the extent and for so long as required by: (1) any Requirements of Law; or (2) any court, regulatory agency or Authority to which it is subject; and
ii) to retain any electronic records and files containing Confidential Information of the Disclosing Party which have been created pursuant to the automatic or normal course archiving and back-up procedures of the Receiving Party; provided that the Receiving Party treats such Confidential Information in the same manner as it treats its own Confidential Information, such manner not be less than a reasonable standard of care.

Any Confidential Information of a Disclosing Party that is not returned or destroyed pursuant to this Section 7.2(c) shall continue to be subject to the confidentiality and non-disclosure provisions of this Agreement notwithstanding any expiration or termination of this Agreement.

7.3 Exceptions

The obligations of confidentiality set out in Section 7.2 shall not apply to Confidential Information that:

a. is or becomes generally available to the public through no fault of the Receiving Party, including, by way of example only, information related to the Procurement process and disclosed by Metrolinx after a successful bidder has been identified, including the names of the bidders that submitted proposals and the total contract price of the successful bidder;

b. prior to receipt from the Disclosing Party, was known to the Receiving Party on a non-confidential basis and is not subject to another obligation of secrecy and non-use, as documented by written records possessed by the Receiving Party;

c. was independently developed by the Receiving Party prior to receipt from the Disclosing Party, as documented by written records possessed by the Receiving Party; or

d. becomes available to the Receiving Party on a non-confidential basis from a source other than the Disclosing Party that is not under other obligations of confidence.

7.4 Authorized Purpose

The Receiving Party acknowledges that all Parties have disclosed Confidential Information to the Receiving Party solely in connection with assisting, advising and/or providing feedback to the Procurement (the "Authorized Purpose"). The Receiving Party may use the Confidential Information solely in connection with the Authorized Purpose and for no other purpose. The Receiving Party acknowledges and agrees that unauthorized dealings with the Confidential Information would be detrimental to the interests, business and affairs of any of the Parties (or third parties with respect to third party information), including the integrity of the Procurement.

7.5 Legally Required Disclosure
If the Receiving Party becomes compelled to disclose any Confidential Information pursuant to applicable law, the Receiving Party shall provide the Disclosing Party with prompt written notice of any such requirement and shall cooperate with the Disclosing Party in seeking to obtain any protective order or other arrangement pursuant to which the confidentiality of the relevant Confidential Information is preserved. If such an order or arrangement is not obtained, the Receiving Party shall disclose only that portion of the Confidential Information as is required pursuant to applicable law. Any such required disclosure shall not, in and of itself, change the status of the disclosed information as Confidential Information under the terms of this Confidentiality Agreement.

7.6 Ownership of Confidential Information

The Disclosing Party shall retain all right, title and interest, including all intellectual property rights, in and to its Confidential Information. Neither the execution of this Confidentiality Agreement, nor the furnishing of any Confidential Information by a Disclosing Party shall be construed as granting to the Receiving Party, either by implication or otherwise, any interest, license or right respecting the Disclosing Party’s Confidential Information, including any intellectual property rights.

7.7 No Warranties, Representations or Liability

ALL INFORMATION IS PROVIDED “AS IS”, WITHOUT WARRANTY OR GUARANTEE OF ANY KIND AS TO ITS ACCURACY, COMPLETENESS, OPERABILITY, FITNESS FOR PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED. THE DISCLOSING PARTY SHALL NOT BE LIABLE FOR ANY DAMAGES, LOSS, EXPENSE OR CLAIM OF LOSS ARISING FROM THE USE OF, OR RELIANCE ON, THE INFORMATION BY THE RECEIVING PARTY.

7.8 Damages for Breach of Confidentiality Obligations

Each Party acknowledges and agrees that:

a. any breach or threatened breach of the terms of this Article VII and the obligations set out herein shall cause immediate and irreparable harm for which damages alone are not an adequate remedy; and

b. a Disclosing Party shall be entitled to seek, in addition to any other legal remedies which may be available to it, such equitable relief as may be necessary and available to protect such Party against such breach or threatened breach.

7.9 Survival of Confidentiality Obligations

The Parties acknowledge and agree that the terms of this Article VII (Confidentiality) shall survive (i) the term of any agreement with the successful supplier resulting from a Procurement, including any renewal periods exercised by any of the Parties, or (ii) the final abandonment or cancellation of the Agreement by Metrolinx, as applicable.
ARTICLE VIII: CONFLICT OF INTEREST

8.1 No Conflict of Interest

No Purchaser nor any of its advisors, partners, directors, commissioners, officers, Personnel, agents, or contractors shall engage in any activity or provide any services where such activity or the provision of such services creates a Conflict of Interest (actual or potential) with the terms and conditions set out in this Agreement or any of the Procurement Documents, Master Agreements or Purchase Agreements contemplated or completed under this Agreement.

8.2 Conflict of Interest and the Receipt of Confidential Information

Each Party declares that there is no actual or potential Conflict of Interest arising out of the receipt of the Confidential Information or the Party’s role in the Procurement. Each Purchaser acknowledges and agrees that it shall be a Conflict of Interest for it to use Confidential Information relevant to the Procurement, including without limitation proposals and pricing information, where Metrolinx has not specifically authorized such use unless the Confidential Information relates solely to that Purchaser and has been provided by that Purchaser. In the event that either (i) a Purchaser exercises its right to terminate its participation in the Procurements in accordance with Section 9.6 (Termination Without Cause By a Purchaser), (ii) a Purchaser decides not to exercise an Option Year for a particular Procurement in which it has participated, or (iii) Metrolinx terminates a defaulting Purchaser’s right to participate in the Procurement in accordance with paragraph (a) of Section 9.2 (Metrolinx Remedies for Event of Default by Purchaser), then in each case, the Purchaser shall not be entitled to contract with the Supplier for the purchase of Goods and/or Services which were the subject matter of the particular Procurement, during the term of the relevant Master Agreement.

8.3 Reporting a Conflict of Interest

Each Party declares that, if at any time during the course of participating in the Procurement, a Party or any of its advisors, partners, directors, commissioners, officers, Personnel, agents, or contractors has an actual or potential Conflict of Interest (each, a “Conflicted Party”), the Conflicted Party will immediately disclose such Conflict of Interest to Metrolinx and the Manager. Metrolinx shall have the authority to determine whether the Conflicted Party may continue to participate in the activity or provide the services in question, and shall also have the authority to attach limitations or conditions on the Conflicted Party’s participation in the Procurement. Each Party shall be responsible for ensuring compliance by its advisors, partners, directors, commissioners, officers, Personnel, agents, or contractors with the Conflict of Interest requirements set out under this Agreement.

ARTICLE IX: DEFAULT, ENFORCEMENT AND TERMINATION

9.1 Event of Default
Each of the following events is an Event of Default in respect of either a Purchaser or Metrolinx ("Event of Default"), as applicable:

a. if any representation or warranty made by a Purchaser in this Agreement or any documentation delivered to Metrolinx by such Purchaser pursuant hereto shall be false or misleading in any material respect;

b. if any representation or warranty made by Metrolinx in this Agreement shall be false or misleading in any material respect;

c. if a Purchaser is in default in carrying out any of the material terms, covenants or obligations of this Agreement to be carried out by such Purchaser;

d. if Metrolinx is in default in carrying out any of the material terms, covenants or obligations of this Agreement to be carried by Metrolinx; or

e. if Metrolinx, a Purchaser or any of their respective advisors, partners, directors, commissioners, officers, Personnel, agents, representatives, or contractors has breached the requirements of Article VII (Confidentiality) or Article VIII (Conflict of Interest).

9.2 Metrolinx Remedies for Event of Default by Purchaser

Notwithstanding any other rights which Metrolinx may have under this Agreement, if an Event of Default by a Purchaser has occurred, Metrolinx shall have the following remedies provided that, in the case of an Event of Default which is curable, as determined by Metrolinx, Metrolinx has first given written notice of the Event of Default to the defaulting Purchaser and the defaulting Purchaser has failed to correct the Event of Default within thirty (30) calendar days of receipt of such notice or such longer period of time as Metrolinx may consent in writing:

a. Metrolinx may terminate the defaulting Purchaser's right to participate in a Procurement or in this Agreement by giving the defaulting Purchaser at least thirty (30) calendar days prior written notice thereof. Subject to Section 9.8 (Obligations Survive), as of the termination date, the defaulting Purchaser shall no longer participate as a Purchaser in the Procurement or this Agreement, as applicable; and

b. subject to Article X (Dispute Resolution), Metrolinx may avail itself of any other legal remedies that may be available to it under law or in equity.

9.3 Purchaser Remedies for Event of Default by Metrolinx

If an Event of Default by Metrolinx has occurred, as determined by a Steering Committee, a Purchaser shall have the following remedies provided that, in the case of an Event of Default which is curable, as determined by a Steering Committee, the Steering Committee has first given written notice of the Event of Default to Metrolinx and Metrolinx has failed to correct the Event of Default within thirty (30) calendar days of receipt of such notice or such longer period of time as the Steering Committee may consent in writing:
a. the Purchaser may, subject to Section 9.8 (Obligations Survive), terminate its participation in this Agreement or in a particular Procurement by giving Metrolinx at least thirty (30) calendar days prior written notice thereof; and

b. subject to Article X (Dispute Resolution), each Purchaser may avail itself of any other legal remedies that may be available to it at law or in equity.

9.4 Termination Without Cause by Metrolinx

Metrolinx may terminate a particular Procurement in accordance with the terms of the Procurement Documents or this Agreement at any time, without cause, by delivering written notice, in accordance with Section 11.1 (Address for Notices), to that effect to each Purchaser (in the case of a termination of a particular Procurement) or to each Party (in the case of a termination of this Agreement), as applicable, which notice shall be effective sixty (60) calendar days following delivery of the notice by Metrolinx. Any outstanding payment obligations of the Purchasers remaining as of the date of termination shall remain in effect.

9.5 Effect of Termination Without Cause by Metrolinx

Where Metrolinx has provided notice pursuant to Section 9.4 (Termination Without Cause by Metrolinx), the remaining Purchasers or Parties may request that Metrolinx assign any or all of its rights and obligations under this Agreement and/or the Master Agreement to all of them or any of them. Such request shall be made before the expiry of the notice period referred to in Section 9.4 (Termination Without Cause by Metrolinx).

9.6 Termination Without Cause by a Purchaser

A Purchaser may terminate its participation in this Agreement or any Procurement without cause up to five (5) Business Days following a Steering Committee’s recommendation to Metrolinx to enter into a Master Agreement pursuant to Section 4.8 (Award of a Master Agreement), by delivering written notice to that effect to the other Parties which notice shall be effective immediately. No notice by an individual Purchaser shall affect the rights and obligations of the other Parties. Where a Purchaser gives such notice, it shall (i) no longer have any rights with respect to participation on the Steering Committee in relation to the relevant Procurement, (ii) shall not thereafter be permitted to become an Eligible Purchaser for that particular Procurement, and (iii) in accordance with Section 8.2 (Conflict of Interest), shall not be entitled to contract with the Supplier for the purchase of Goods and/or Services which were the subject matter of the particular Procurement, during the term of the relevant Master Agreement.

9.7 Purchaser Obligations after Award of Master Agreement

Subsequent to the award of a Master Agreement, a Purchaser is required to engage in the joint Procurement to the extent permitted by the amount of funding approved by that Purchaser’s approving authority for the purchase of the relevant Goods and/or Services for the term of the Master Agreement and a Purchaser shall not purchase Goods and/or Services from any party other than the Supplier during this period. In addition to any other remedies which may be available to Metrolinx, failure to comply with this provision may result in the Province of Ontario withholding any applicable Provincial transit funding as may be applicable.
9.8 Obligations Survive

Despite any termination under this Article IX (Default, Enforcement and Termination) each Party agrees that certain rights and obligations (whether contingent or matured, absolute or not), as set out in Section 11.5 (Survival) of each Party existing immediately before the termination shall survive such termination.

Where Metrolinx terminates this Agreement pursuant to Section 9.4 (Termination Without Cause by Metrolinx), it shall remain responsible for all costs to which it is obligated under this Agreement up to the termination date.

Notwithstanding a Purchaser’s termination of its participation in a Procurement or in this Agreement under this Article IX (Default, Enforcement and Termination), the Purchaser shall continue to be bound by the terms and conditions of any Purchase Agreement which may have been executed by it prior to such termination and any termination of a Purchase Agreement by the Purchaser shall be made only in accordance with the terms of the Purchase Agreement.

ARTICLE X: DISPUTE RESOLUTION

10.1 Legal Remedies for Disputes

Any dispute, question, claim, or other matter arising out of or relating to this Agreement (each, a “Dispute”) shall be resolved by the escalation procedure set out below in Section 10.3 (Three-Tiered Dispute Resolution). However, no Party shall be precluded from initiating a proceeding in a court of competent jurisdiction for the purposes of obtaining any emergency or provisional remedy to protect its rights that may be necessary and that are not otherwise available under this Agreement, including temporary and preliminary injunctive relief and restraining orders.

10.2 Dispute Notice

A Party may refer a Dispute to dispute resolution under this Section 10.2 (Dispute Notice) of this Article X (Dispute Resolution) by the delivery of a notice requesting dispute resolution to the other Parties, which notice shall set out the Dispute in reasonably sufficient detail (a “Dispute Notice”).

10.3 Three-Tiered Dispute Resolution

The Parties agree that any Dispute shall be referred for dispute resolution by high-level negotiation, mediation or arbitration in the following manner:

a. High-Level Negotiation

In the event a Party issues a Dispute Notice, as described in Section 10.2 (Dispute Notice), to the other Parties, the Chief Administrative Officer or equivalent of each non-Metrolinx Party, and in the case of Metrolinx, the executive to which the Transit Procurement Initiative reports, shall meet and make a good faith effort to resolve the Dispute as set out in the Dispute Notice in a prompt manner and for the purpose of same, each Party shall provide its negotiator with full and timely disclosure of all relevant facts, information and documents to facilitate such negotiation. Negotiations shall be commenced within thirty (30) calendar
days of the delivery of a Dispute Notice and shall, unless all Parties agree otherwise, be concluded within thirty (30) calendar days of their commencement. In the event that a resolution satisfactory to all Parties is achieved through such negotiations, the Parties shall detail, in writing, the manner in which the Dispute has been resolved.

b. **Mediation**

If the Dispute has not been resolved through high-level negotiation as contemplated in Section 10.3(a) (High-Level Negotiation) above, the Dispute will be referred to structured negotiation with the assistance of a mediator appointed by mutual agreement of the Parties within thirty (30) calendar days of any Party issuing a supplementary Dispute Notice requesting mediation. If a mutual agreement is not reached within the timelines set out above, then Metrolinx, acting in good faith, may appoint a mediator and provide the other Parties with written notice of such appointment. The mediator shall be an independent person who by training and experience has the professional qualifications and the mediation skills to mediate any Dispute that may arise among the Parties. The Parties shall agree on the procedure to be used in mediation. If the Parties achieve a resolution of the Dispute, the mediator shall confirm the resolution in writing. If the Parties do not resolve the Dispute, the mediator shall provide a written confirmation that the Parties were unable to resolve the Dispute.

c. **Arbitration**

Any Party may, within thirty (30) calendar days of the delivery of the mediator’s confirmation that the Parties were unable to resolve their Dispute, issue a supplementary Dispute Notice requesting arbitration. The Parties shall agree on the procedure to be used for arbitration unless the Parties are required by legislation to comply with a particular arbitration process.

Any determination by arbitration shall be final and binding upon the Parties, and not subject to appeal or challenge.

To the extent not specified in this Agreement, an arbitration shall be governed by the provisions of the *Arbitration Act, 1991*, as amended.

**10.4 Performance to Continue**

Notwithstanding that a matter has been referred to dispute resolution under the provisions of this Article X (Dispute Resolution), the Parties shall throughout the period of dispute resolution endeavour to perform their respective obligations under the terms of the Agreement to the best of their abilities.

**10.5 Dispute Cost**

The Parties shall bear and be responsible for their own costs in connection with or relating to any Dispute. Except for Metrolinx, the Parties in a Dispute shall share equally the costs related to any Disputes arising out of the Master Agreement.

**10.6 Disputes Between the Purchasers and the Supplier**
Each Purchaser shall be solely responsible for dealing with any Disputes that may arise between it and the Supplier.
