To Hamilton City Council:

I am writing in response to the letter in the Hamilton Spectator dated November 28th, 2011 regarding the gift certificate program to help low income people eat healthier.

It will help out a lot of low income people that are on Ontario Works. I know for sure it will help me out a lot and other people that are single. The money I receive covers my basic needs only. It would help my young son get more nutrition in his diet.

Sincerely,

Jessica Ransberry
