### Executive Summary

The Hamilton Downtown Property Improvement Grant Program application submitted for the redevelopment of 121 James Street North was previously approved by City Council as an eligible project under the Nine-Year Hamilton Downtown Property Improvement Grant Program at its meeting held February 15, 2007. The proposal, in 2007, was to develop a 35,000 square foot 5-storey building with commercial use at the
ground level and office use on the upper levels. In 2007, when the project initially received Council approval under the Program, the terms of the Program did not include a deadline for the commencement of development. The present-day terms require that development will commence no longer than two years following Council’s approval of the grant or the grant will be cancelled. The two year period may be extended by Council at its sole discretion.

Since February 2007, the applicant has purchased the adjoining property municipally known as 123 James Street North and the lands are being merged in title. With the acquisition of the adjoining property at 123 James Street North, the development concept has been modified to facilitate a development having a maximum gross floor area of approximately 42,000 square feet with a built form to include a two or three storey podium oriented to James Street and an architectural design element at the corner of James and Vine Streets to identify the proposal. The final built form including building height will be established through the submission and approval of an application for Site Plan Approval.

Development costs are estimated at $7,200,000 and it is projected that the proposed redevelopment will increase the current value assessment (CVA) of the property from its current value of $371,000 up to approximately $3,800,000. This will increase total annual property taxes generated by the property. The municipal share of this property tax increase (municipal tax increment) will be approximately $84,749.75 of which 100% would be granted to the owner during years one (1) to five (5), 80% or approximately $67,799.80 in year six (6), 60% or approximately $50,849.85 in year seven (7), 40% or approximately $33,899.90 in year eight (8) and 20% or approximately $16,949.95 in year nine (9). The estimated total value of the grants is approximately $593,248.25.

While the nine-year grant is more beneficial to the applicant than is permitted under the present-day terms of the Hamilton Downtown Property Improvement Grant Program, the long-term benefit is greater as the development has expanded in scope from its original plan and ultimately will assist in the regeneration of the Downtown. Following year five (5) of the grant payment, the City will start to realize the positive results of the Program from a financial perspective.

Upon completion of the redevelopment and reassessment of the property by the Municipal Property Assessment Corporation (MPAC), staff will report back to Council on the actual redevelopment costs, the reassessment amount determined by MPAC and, the actual grant amount.

Alternatives for Consideration – See Page 7.
Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.
Values: Honesty, Accountability, Innovation, Leadership, Respect, Excellence, Teamwork

FINANCIAL / STAFFING / LEGAL IMPLICATIONS (for Recommendation(s) only)

Financial: The City will collect full property taxes on the property and, in turn, provide a grant for nine (9) years, declining each year after the fifth year by twenty percent (20%) based on the increase in the municipal portion of the taxes post-development completion of 121-123 James Street North. Following year five (5) of the grant payment, the City will start to realize the positive results of the Program from a financial perspective.

Staffing: Applicants and subsequent grant payments under the Hamilton Downtown Property Improvement Grant Program are processed by the Urban Renewal Section and Taxation Division. There are no additional staffing requirements.

Legal: Section 28 of the Planning Act permits a municipality, in accordance with a Community Improvement Plan, to make loans and grants which would otherwise be prohibited under Section 106(2) of the Municipal Act, to registered/assessed owners and tenants of lands and buildings. A Community Improvement Plan can only be adopted and come into effect within a designated Community Improvement Project Area. Changes to a Community Improvement Plan or Community Improvement Project Area require formal amendments as dictated by the Planning Act.

The grant will be supported by a Grant Agreement (attached as Appendix “A” to Report PED12141) which has been developed in consultation with Legal Services and will be executed by the Applicant prior to commencing grant payments.

HISTORICAL BACKGROUND (Chronology of events)

City Council, at its meeting held August 22, 2001, approved an amendment to the Downtown and Community Renewal Community Improvement Plan which introduced the HDPIGP (formerly titled the Enterprise Zone Grant Program). Since that time, a number of program refinements have been approved by Council. The HDPIGP applies to properties within the Downtown Hamilton Community Improvement Project Area. At the time of application for 121 James Street North, the terms of the Program offered a nine-year grant not to exceed the increase in municipal realty taxes as a result of the development/redevelopment of the land and/or building. The grant is not to exceed 100% of the municipal realty tax increase during the first five (5) years, 80% in year six (6), 60% in year seven (7), 40% in year eight (8) and 20% in year nine (9).

On March 28, 2007, City Council approved an amendment to the Program reducing the grant from a nine-year program to a five-year program. The owner of 121 James Street North applied for the nine-year program in January 2007, and was approved by City Council as an eligible project under the nine-year program at its meeting held February 15, 2007. Staff support applying the nine-year program to the expanded development
based on the fact that the applicant has now purchased the adjoining property and the two (2) properties will be merged in title.

The applicant will qualify for the HDPIGP grant upon completion of the redevelopment project that will result in a parking lot and vacant commercial land being developed into a 42,000 square foot commercial property with a built form to include a two (2) or three (3) storey podium oriented to James Street and an architectural design element at the corner of James and Vine Streets to identify the proposal. Development costs are estimated at $7,200,000. The total estimated grant over the nine-year period is $593,248.25.

POLICY IMPLICATIONS

Report PED12141 relates to the processing of an application under the HDPIGP, which is contained within the Downtown and Community Renewal Community Improvement Plan. The Downtown Hamilton Secondary Plan and Zoning By-law 05-200 affect the proposed development. Staff from Urban Renewal will assist the applicant with the necessary planning and building approvals.

RELEVANT CONSULTATION

Staff from the Taxation Division, Corporate Services Department, and the Legal Services Division, City Manager’s Office were consulted, and the advice received is incorporated into Report PED12141.

ANALYSIS / RATIONALE FOR RECOMMENDATION

Urban Renewal staff, in co-operation with staff from the Taxation and Legal Services Divisions, developed an estimated schedule of grant payments under the terms of the program. The final schedule of grant payments will be contingent upon a new assessment by MPAC following completion of the project. The Applicant will be required to sign the Grant Agreement attached as Appendix “A” to Report PED12141. The Grant Agreement contains provisions for varying the grant payment in every year based on MPAC’s assessed value. By signing, the Applicant will accept the terms and conditions outlined therein prior to any grant payments being made. The following provides an overview of the estimated grant calculation for 121-123 James Street North as presented in Appendix “A” to Report PED12141.

The estimated grant shall be calculated according to the following formulas

ALTERNATIVES FOR CONSIDERATION:

(include Financial, Staffing, Legal and Policy Implications and pros and cons for each alternative)

Non-acceptance of the recommendations contained in Report PED12141, or reducing the grant to a five-year grant payment (estimated at $254,249.25) would undermine downtown renewal efforts in general. These alternatives are not recommended. It is
important to note that the applicant has advised that the project is not economically viable without the nine-year grant, therefore, would not proceed with the development.

**Financial:** Grants totalling approximately $593,248.25 over a nine-year period would not be issued.

**Staffing:** Not applicable

**Legal:** Not applicable

Grant Terms

1. The actual amount of annual Grant payments are subject to re-calculation of (Municipal Tax Increment*the applicable %) in each and every year.

2. The total value of the sum of the annual Grant payments that may be provided under the Hamilton Downtown Property Improvement Grant Program shall not exceed the total eligible costs of the said redevelopment that have been accepted by the City ($7,200,000.00).

3. Annual Grant payments shall be paid, subject to these terms and conditions, by the City to a maximum of nine (9) payments. Such payments shall cease when the total amount paid out equals the total eligible cost amount as determined by the City, or after nine (9) grant payments, whichever comes first.
4. The total value of the eligible Grant provided under this Program shall be reduced by the amount of any property tax arrears in respect of any and all taxes that have been cancelled or reduced on the subject property by the City under any other programs or by relief allowed under any statute.

5. The Grant Payment in Year One (1) and subsequent annual Grant payments are calculated based upon changes in property taxes as a result of completion of the accepted eligible works and construction and improvement to the property.

6. If at any point, after the original redevelopment of the land, new construction is added to the land that is not part of the original Hamilton Downtown Property Improvement Grant Program application, the Grant will be calculated only in respect of the original eligible costs, original redevelopment works, and original building size contained in the original Hamilton Downtown Property Improvement Grant Program application.

7.1 The initial Grant payment is not payable by the City until each of the following conditions is fulfilled to the satisfaction of the City:

(a) redevelopment of the property is completed in accordance with the proposed redevelopment as specified in the Hamilton Downtown Property Improvement Grant Program application;

(b) the Owner has supplied the City with evidence satisfactory to the City as to the amount of the eligible costs incurred by the Owner;

(c) the Owner has satisfied the City that the total eligible costs, incurred in respect of the redevelopment, have been paid in full and that there are no liens, claims or litigation in respect of the Owner's obligation to pay the total eligible costs;

(d) the Owner has satisfied the City that the accepted redevelopment that is subject of the Grant application has not been substantially altered or has not been demolished;

(e) the Owner has satisfied the City that there are no outstanding work orders and/or orders or requests to comply from any City department or other regulatory authority in respect of the redevelopment, the property and the business of the Owner conducted on the land;

(f) the Owner has satisfied the City that the Owner, its redevelopment and property are in full compliance with:

(i) any Agreement(s) relating to the property in favour of the City, including any Agreement relating to: condominium, service, site plan approval, encroachment, joint sewer & water use, easement or other Agreement; and,

(ii) by-laws of the City and provincial and federal legislation and regulations.

(g) the Owner has satisfied the City that the assessed value of the subject property has increased as a result of the said redevelopment to the
property and that the assessed value was increased for reasons that meet the eligibility requirements of the City's Hamilton Downtown Property Improvement Grant Program;

(h) the Owner or the municipality has not appealed said increased assessed value and there exists no other pending appeal which has not been settled completely in respect of the assessed value as of a date which is either in advance of or as of a date, which follows the said redevelopment;

(i) the Owner has satisfied the City that the property taxes for the year during which property taxes were calculated pursuant to the said increased assessment and for each of the preceding years, have been paid in full, have not been deferred and there are, at the time of application for payment of the annual Grant payment, no instalments for the current year remaining to be invoiced and paid;

(j) the Owner has satisfied the City that the Owner, as of the date of the proposed Grant payment, has paid in full and not deferred all other charges (where applicable) against the property in favour of the City, including but not limited to: Development Charges, park land dedication fees, special assessments and frontage charges;

7.2 Subsequent annual grants as set out herein will be payable each year upon the written request of the Owner where the Owner has satisfied the City as to the matters set out in paragraphs 7.1 (d), (e), (f), (h), (i) and (j) above.

7.3 The amount of each subsequent grant is equivalent to the Municipal Tax Increment (MTI) for the year in which payment is to be made. The MTI shall be calculated as shown in Section 3 of this Agreement. It is acknowledged that the amount of this grant may vary up or down from year to year during the term of this Agreement. No grant is payable where the MTI is zero or a negative value.

8. Notwithstanding Paragraph 7(h) herein, the City may pay 75% of the annual grant payable to the Owner where property assessment appeals have been filed.

9. The decision of the City regarding the total amount of eligible costs and the calculation of the actual total redevelopment Grant and annual Grant payments is final.

10. Payment of the Grant and the actual amount of the total Grant will be subject to the City’s review and satisfaction with all reports and documentation submitted in support of the application, including but not limited to: documentation of the estimated and actual costs of eligible works. Any and all of these costs may be, where required by the City subject to verification, third party review or independent audit, at the expense of the Owner.

11. Grants are not payable by the City until such time as all taxes eligible for a Grant have been billed by the City, and all outstanding taxes have been paid in full for all years by the Owner. Grant cheques will not be issued if there is an
outstanding tax payment. Penalty/interest will be charged on all outstanding taxes. Penalty/interest on arrears will be 12% per annum or such tax arrears interest rate as may be established by Council from time to time.

12. On an annual basis, the City, upon ascertaining that the Owner is in compliance with this Agreement and has met all and any other requirements of the City, shall pay the annual Grant payment.

13. If, in the opinion of the City, the property is not maintained in its rehabilitated condition, the City may, at its own discretion and without notice, terminate all future Grant payments and require repayment of all Grant payments already paid out by the City to the Owner.

14. The City retains the right, at all times, not to make any or all of the Grant payments or to delay payment where the City deems that there is non-compliance by the Owner with this Agreement. In particular, without limiting the generality of the foregoing, the Grant is conditional upon periodic reviews, satisfactory to the City, to there being no adverse change in the redevelopment, and to there being compliance on the part of the Owner with all other requirements contained in this Agreement.

15. Where property taxes are in arrears on the subject property for a year or more, the City may, at its discretion and without notice, terminate all future Grant payments.

16. In the event of the sale, conveyance, transfer or entering into of any agreement of sale or transfer of the title of the Property the City shall have absolute discretion in ceasing any further grant payments.

17. Where the Owner is a corporation, the Owner covenants and agrees that in the event that:

a) the Owner fails to supply the City, in a form satisfactory to the City, such information relating to the ownership of its shares as the City may from time to time require: or

b) without the written consent of the City first had and obtained:

i) the Owner issues or redeems any of its shares or transfers any of its shares;

ii) there is a sale or sales of the shares of the Owner which result in the transfer of the legal or beneficial interest of any of the shares of the Owner; or

iii) the Owner amalgamates, merges or consolidates with any other corporation
and the result of any of the foregoing is a change in the effective control of the majority of the voting shares of the Owner, or the requested information is not provided, then future grant payments under the Program shall cease at the absolute discretion of the City.

IN WITNESS WHEREOF the parties duly execute this Agreement, as follows as of the day and date set out in the date of this Agreement:
