EXECUTIVE SUMMARY:

Staff of the Standards and Licensing Section is proposing to demolish the existing single family dwelling that was severely damaged by a fire in September 2005, and leave the lands vacant at this time. PRESENT USE: Single Family Dwelling

BRIEF DESCRIPTION: An Order to Comply pursuant to the City of Hamilton Property Standards By-law No. 03-117 was served on the owner of the subject property on November 9, 2005, to undertake repairs to the fire damaged structure located at 11 Morris Ave. The Order was not appealed and was confirmed on December 12, 2005. The property owner was ordered to carry out the work as outlined in the Order to Comply, which is in contravention of Property Standards By-Law No. 03-117 or alternately the site be cleared of all buildings, structures, debris or refuse and left in a graded and levelled condition within twenty-eight (28) days of service of the Order.

Section 42(1) of the City of Hamilton Property Standards By-law No. 03-117 states that if the owner or occupant of a property fails to repair or to demolish the property in accordance with an order as confirmed or modified, the City in addition to all other remedies may repair or demolish the property; may clear the site of all buildings, structures, debris or refuse and leave the site in a graded and levelled condition; or may make the site safe or impede entry by erecting fences, barricades or barriers. This land is in the Crown Point West neighbourhood and is located in Ward 3. Please see attached location map shown as Appendix A to Report PED06082.
