(Merulla/Collins)
Whereas the Lac-Mégantic derailment of July 6, 2013 illustrated the devastating and horrific impact that can result from lax safety standards; and

Whereas the Lac-Mégantic tragedy was due in no small part to a train carrying dangerous materials being left unattended; and

Whereas Transportation Canada has since issued an emergency directive requiring that any train carrying dangerous goods requires a minimum of two crew members and no such train shall be left unattended; and

Whereas the emergency directive is set to expire in December, 2013 at which time Transportation Canada has indicated a desire that railways will have developed new permanent rules to reflect the directives;

Therefore Be It Resolved:

(a) That the City of Hamilton fully support Transport Canada’s introduction of the emergency directive placing greater safety measures in place around the rail transportation of dangerous goods;
(b) That the Federal Government be requested to make this emergency directive binding on all dangerous goods transported via railway through the passage of supporting legislation or regulations prior to the expiration of the emergency directive;

(c) That a copy of this resolution be sent to the Federal Minister of Transportation, the Federation of Canadian Municipalities, the Association of Municipalities of Ontario and to all local M.P.'s and M.P.P.'s.

CARRIED as amended

16. Funding Request for Waterdown Memorial Hall – Minister Ted McMeekin (Item 9.5)

(Partridge/Johnson)
Whereas the Waterdown Memorial Hall located at 317 Dundas Street East in Waterdown is one of only seven war memorial buildings erected in Canada after World War 1 and, as with the creation of most war memorials, was the result of a larger community fundraising effort; and

Whereas the building itself can be seen as “an expression of the community’s feeling towards those war heroes who lost their lives so we could have freedom”, and plays a significant role as the heart of the Waterdown community; and

Whereas, it has been determined that the 1922 Waterdown Memorial Hall possesses cultural heritage value due to its association with the themes of Canadian military commemoration and the home-front wartime efforts and it is also a good example of the Edwardian Classicist style of architecture and a landmark in the Waterdown community; and

Whereas the total amount needed to restore the heritage features, plus a new glass enclosed entrance and elevator upgrade to allow accessibility is estimated at $1.4 million, and the City has committed $600,000 as part of the 2013 capital fund (Community Hall retrofits – 7101341701) for Phase 1 of the multi-phase project to renovate the Waterdown Memorial Hall; and

Whereas efficiencies and cost effectiveness can be gained by bundling work into a single phase project with building the elevator enclosure at the same time.

Therefore Be It Resolved:

That the Council of the City of Hamilton request that the Province of Ontario, through Minister Ted McMeekin’s office, provide Two Hundred and Fifty Thousand Dollars ($250,000) toward the Waterdown Memorial Hall Restoration Project, thereby contributing to the community spirit as a partner to this historic memorial building.

CARRIED

(h) MOTIONS

(i) Reduction in Greenhouse Gas and Energy (Item 9.1)

(McHattie/Farr)
Whereas Hamilton is recognized as a leader across Canada in climate change and energy conservation actions (i.e., top milestone on Federation of Canadian Municipalities’ Partners in Climate Change Program, and numerous awards and grants for the work done in the Office of Energy Initiatives); and

Whereas Hamilton had earlier established greenhouse gas (GHG) and energy use reduction targets; and

Whereas greenhouse gas and energy reduction efforts are closely linked; and

Whereas those targets are close to being met, ahead of the 2020 schedule; and

Whereas despite efforts by Hamilton and others, greenhouse gases, mainly in the form of carbon dioxide levels, continue to increase in the atmosphere, recently overtopping the dangerous 400ppm threshold.

Therefore Be It Resolved:

That staff report back on revised science-based greenhouse gas and energy reduction corporate targets for the City of Hamilton by December 2013.

CARRIED

(ii) Particulate Matter Reduction By-law (Item 9.2)

(McHattie/Merulla)
Whereas Hamilton has one of the more challenged airsheds in Ontario with multiple emitters of air pollution; and

Whereas one of the most dangerous forms of air pollution is fine particulate (i.e., PM2.5 microns in size), causing significant respiratory health issues for Hamiltonians; and
Whereas the Town of Oakville has enacted a Particulate Matter Reduction By-law with the full sanction of the Ontario Ministry of the Environment.

Therefore Be It Resolved:

That Municipal Law Enforcement staff report back on Oakville’s Particulate Matter Reduction By-law, with assistance from Legal Services and other departments as required, and how it could be adapted for a similar By-law in Hamilton.  

CARRIED

(iii) Transportation of Dangerous Goods by Railway – Emergency Directive (Item 9.3)

(Powers/Merulla)  
That sub-section (c) be amended to include the Federation of Canadian Municipalities and the Association of Municipalities of Ontario.  

Amendment CARRIED  
Motion as amended CARRIED

(iv) Bill 73 – Fair and Open Tendering Act (Item 9.4)

(Partridge/Ferguson)  
Whereas on September 12, 2005, the Ontario Labour Relations Board (the “OLRB”) certified the United Brotherhood of Carpenters and Joiners of America, Local 18 (the “Carpenters Union”), as the bargaining agent for all construction carpentry work performed by or for the City of Hamilton (the “City”) meaning that all such work be performed by contractors that are signatory to the Carpenters Union Collective Agreement; and

Whereas this certification has had significant financial consequences to the City and has adversely affected the City’s ability to tender bids in an efficient manner; and

Whereas the OLRB treats municipalities as businesses for the purpose of its interpretation of the construction industry provisions in the Ontario Labour Relations Act, 1995 (the “Act”) notwithstanding that municipalities are not businesses and have a different purpose and mandate from commercial enterprises; and

Whereas an amendment of the Ontario Labour Relations Act, 1995 (the “Act”), to specifically exempt certain public sector employers (such as municipalities) from the construction industry provisions of the Act would ensure that municipalities are able to tender construction work in a fair and open competitive environment that would maximize value for construction expenditures; and
Whereas Bill 73, the *Fair and Open Tendering Act*, which was tabled and received First Reading at Queen’s Park on May 16, 2013, amends the Act to exempt certain public sector employers (such as municipalities) from the construction industry provisions of the Act and terminates existing collective agreements involving those public sector employers that were entered into for the purposes of those provisions of the Act; and

Whereas the effect of Bill 73 on the City, if it is passed, will be to bring to an end the City’s existing obligations to the Carpenters Union such that the City’s construction carpentry work will no longer be required to be performed by contractors who are a signatory to the Carpenters Union Collective Agreement. This would in turn allow all contractors the opportunity to participate in a fair and open competition for the City’s construction projects.

Therefore Be It Resolved:

That the City of Hamilton fully supports any and all efforts to pass Bill 73, *the Fair and Open Tendering Act*, so that any collective bargaining obligations to the United Brotherhood of Carpenters and Joiners of America, Local 18 as it relates to the City of Hamilton construction projects would no longer apply;

*(Partridge/Ferguson)*

That the following be added as sub-section (b):

(b) That a copy of this motion be forwarded to Mayor Hazel McCallion, Chair of the Large Urban Mayors' Caucus of Ontario (LUMCO), with a request that the motion be circulated to the members of LUMCO, and to the Honourable Yasir Naqvi, Minister of Labour, Michael Harris, M.P.P. for Kitchener-Conestoga, the Association of Municipalities of Ontario and the local M.P.P.’s for their information.

*Amendment CARRIED*

*(Powers/Partridge)*

That sub-section (b) be amended to include that a copy of the motion be forwarded to the Mayors and Regional Chairs of Ontario (MARCO)

*Amendment CARRIED*

*(Merulla/Collins)*

That the above-noted motion, as amended, be deferred to the August 16, 2013 meeting of Council in order to allow staff to provide additional information with respect to how this legislation aligns with Council’s previous decisions.

*CARRIED*
(v) Pre-Paid Fare System for all City of Hamilton Taxi Cab Trips between 10:00 p.m. and 5:00 a.m. (Item 10.3)

(Merulla/Collins)
That staff be directed to evaluate the feasibility of implementing a compulsory pre-paid fare system for all City of Hamilton taxi cab trips between 10:00 p.m. and 5:00 a.m. and report back to the Planning Committee.

(i) NOTICES OF MOTION

Deputy Mayor S. Duvall relinquished the Chair in order to introduce the following Notice of Motion:

(i) Asphalt Pathway Replacement at T. B. McQuesten Community Park (Ward 7) (Item 10.1)

(aa) That a portion of the asphalt pathway (approximately 1250 square metres) be replaced at T. B. McQuesten Community Park;

(bb) That the associated costs of approximately $40,000 for replacing the asphalt pathway at T. B. McQuesten Community Park be funded from the Ward 7 Area Rating Special Capital Reinvestment Reserve Account No. 108057.

(Duvall/Jackson)
That the rules of order be suspended in order to allow for the introduction of a motion respecting “Asphalt Pathway Replacement at T. B. McQuesten Community Park”.

CARRIED

See Item 17 for the disposition of this item.

Councillor S. Merulla introduced the following Notice of Motion:

(ii) Financing of the Pan Am Stadium Precinct (Ward 3) (Item 10.2)

Whereas the City and the Hamilton Wentworth School Board have entered into a Memorandum of Agreement wherein the City will contribute up to $17 million toward the construction of a joint secondary school/community centre on the land bounded by Cannon Street East, King Street East, Balsam Avenue North and Melrose Avenue North; and

Whereas financing of $9.45 million is available from the following sources:

(a) Capital Project for the Central City Seniors and Community Centre $1.2 million

(b) Future Development Charges $3.4 million;
(c) Ward 3 Capital Reserve  $500,000;

(d) Proceeds received in 2013 from the 2010 Ontario Municipal Partnership Fund (OMPF) Reconciliation  $2.85 million;

(e) Council’s Strategic Reserve  $1.5 million;

Whereas the remaining financing for the City’s share of the project is $7.55 million; and

Whereas construction of the joint secondary school/community centre is expected to be completed for the start of the school year in September 2016; and

Whereas the balance in “Hamilton Future Fund A” is forecasted to be $33,258,000 as at December 31, 2016, exclusive of the proceeds from the sale of West Harbour Lands.

Therefore Be It Resolved:

That the remaining financing of the City’s share for the construction of a joint secondary school/community centre project in the amount of $7.55 million be funded from the “Hamilton Future Fund A”.

Councillor S. Merulla introduced the following Notice of Motion:

(iii) Pre-Paid Fare System for all City of Hamilton Taxi Cab Trips between 10:00 p.m. and 5:00 a.m.

That staff be directed to evaluate the feasibility of implementing a compulsory pre-paid fare system for all City of Hamilton taxi cab trips between 10:00 p.m. and 5:00 a.m. and report back to the Planning Committee.

(Merulla/Collins)

That the rules of order be suspended in order to allow for the introduction of a motion respecting Pre-Paid Fare System for all City of Hamilton Taxi Cab Trips between 10:00 p.m. and 5:00 a.m.  CARRIED

See Information Item (h)(v) for the disposition of this item.

Councillor J. Farr introduced the following Notice of Motion:

(iv) Bi-directional Bike Lane Pilot Project – South Side of Cannon Street, from Sherman Avenue to Bay Street

Whereas Councillors B. McHattie (Ward 1), J. Farr (Ward 2) and B. Morelli (Ward 3) had earlier established the One-Way to Two-Way Street Study Group through Council motion, and;
Whereas community workshops/walk-abouts have since occurred on both Cannon Street and Queen Street to evaluate current traffic conditions and consider options and alternatives, and;

Whereas there is support from the study group along with increasing public support for the implementation of a "complete street" treatment of Cannon Street, which includes, but not limited to a Cannon Contra-flow blueprint from the Jamesville Neighbourhood Action Plan, the NE07 Ward 2 Participatory Budgeting Initiative and the YesWeCannon on-line campaign, and;

Whereas the City of Hamilton's Cycling Master Plan – Shifting Gears, has identified a plan for the implementation of a "Road Diet" configuration for cycling Infrastructure on Cannon Street, and;

Whereas planning on the implementation of Complete Street approaches has been recently identified through the Social Planning and Research Council's draft Complete Streets Policy, and the joint Chamber of Commerce/HIVE/City of Hamilton Sustainable Mobility workshop featuring Gil Penalosa from 8-80 Cities, and;

Whereas in cities like New York, Chicago, Vancouver and Toronto, similar pilot projects have served to test the efficacy of complete street approaches; and

Whereas Cannon street may provide for a direct multi-model link to the Pan-Am Precinct.

Therefore be it resolved:

(a) That a bi-directional bike lane be installed as a pilot project on the south side of Cannon Street from Sherman Avenue to Bay Street,

(b) That through the design phase, staff contemplate various methods that include, but not limited to bollards, paint, knock down sticks, along with a preference toward planters erected to delineate a contra-flow bike lane from the auto traffic lanes;

(c) That the implementation of a bi-directional bike lane pilot project on Cannon Street be funded from the from the area rating capital reserves, along with appropriate sources to be identified by Public Works.
