SUBJECT: 2006 Advance Payments to External Boards and Agencies (FCS06002) (City Wide)

RECOMMENDATION:

a) That commencing January 1, 2006, an advancement of funds be provided to the external boards and agencies, in the specified amount and on the specific dates as shown in Table One to Report FCS06002, “2006 Advance Payments to External Boards and Agencies”, and;

b) That any outstanding arrear due to the City of Hamilton, by any Boards or Agencies, be paid with approved grant funding, including advances, until the debt is satisfied, at which point the organization will receive payment.

General Manager
Finance and Corporate Services

EXECUTIVE SUMMARY:

Report FCS06002 requests Council approval to continue funding the external boards and agencies that are listed in Table One. The 2006 advance payments are based upon the 2005 approved funding levels and closely represents the 2005 payment schedule. Pending the timing of Council approval of the 2006 budget, the remaining payments to the listed external boards and agencies would be adjusted to ensure that payments do not exceed approved levels for 2006. The advancement of funds does not
guarantee the level of 2006 City of Hamilton funding. Those agencies that are provided with monthly payments will continue to receive monthly advances, for the amounts as shown in Table One, until budget approval. At this point, the remaining payments will be adjusted to match the approved levels.

In the Community Partnership Program, grant payments are not made until outstanding arrears owing to the City of Hamilton are paid off first. Staff are recommending that this process also be established for external boards and agencies.

BACKGROUND:

To be consistent with prior years, staff are seeking Council approval to continue funding, as of January 1st, certain organizations that receive funding on a monthly or quarterly basis, pending approval of the 2006 budget. The funding is based on the previous year's budget and is adjusted, if necessary, when the current year's budget receives Council approval.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

There are no financial implications associated with providing advance payments to the listed external boards and agencies as listed above. Pending Council approval of 2006 funding levels, the remaining payments to these organizations would be adjusted to ensure that the payment amount does not exceed the approved funding level.
