Request for Confirmation of LRT Commitment from the Province

Whereas on June 15, 2007, the Liberal Government announced “Move Ontario 2020” would develop $17.5 billion in 52 rapid transit projects;

And Whereas the Province promised that GTA municipalities would not contribute to Capital;

And Whereas Hamilton was included in “Move Ontario 2020” with two LRT projects;

And Whereas on September 12, 2007, Premier McGuinty and local Liberal candidates promised Hamilton two LRT lines and said that the Conservatives would cancel the projects;

And Whereas on April 1, 2009, the MTO announced $3 million in grant to establish two LRT lines, EA, plans, etc.;

And Whereas on May 17, 2010, Metrolinx presented to the Metro Board of Trade that the Sheppard LRT, Eglinton LRT, York VIVA, Scarborough LRT and Finch LRT worth $9.5 billion would proceed at no cost to the TTC or Toronto;

And Whereas Hamilton, like Toronto, does not have the capacity to contribute to LRT.
