Dear: Ms. Caterini

Re: Resurfacing of Highway 5, from Highway 6 to Highway 8 and Resurfacing of Highway 6, from 1km north of Maddaugh Rd. to 11th Concession East. City of Hamilton Detail Design, G.W.P. 2019-13-00/ 2020-13-00

The Ministry of Transportation (MTO) is undertaking a Detail Design assignment for the resurfacing of Highway 5 and Highway 6 in the City of Hamilton. The project limits for Highway 5 will be from Highway 6 to Highway 8 and the Highway 6 project limits will be from 1km north of Maddaugh Rd. to 11th Concession East. A Key Plan is attached.

The majority of the construction activities are expected to take place during the evening and off peak hours. Signage will be placed in advanced to inform motorists of any closures.

This project is being conducted under the Class Environmental Assessment for Provincial Transportation Facilities (2000) as a Group ‘C’ Project. Based on a review of the project and its impacts, it has been determined that there will be no significant adverse environmental effects associated with this project.

The purpose of this letter is to inform you of this project. Should you have any comments, concerns or wish to obtain further information regarding this project, please contact one of the following representatives:
