Subject: The good of the whole as opposed to the good of the few!

Dear Mayor Eisenberger and City Counselors,

I believe that a bright future for Hamilton and all of its surrounding areas is contingent on having a vibrant city core. We have a great opportunity at this time to develop an important section of that core and it is my hope that city council will have the courage, on August 10th, 2010 to vote for the West-end Harbour site.

I remain, a proud and hopeful citizen of the city of Hamilton.

Yours truly,

Constance Ranger
