That approval be given to the Hamilton Community Heritage Fund Loan Program Application (HCHF2011-002), for property located at 335 Lima Court (Ancaster) (Harmony Hall), as shown on Appendix “A” to Report PED11137, subject to the following:

(a) That a loan commitment of up to $25,000.00 be approved, in accordance with the terms and conditions of the Hamilton Community Heritage Fund Loan Program, for the replacement of cedar roofing on the house.

(b) That the property owner and the City shall enter into a Heritage Conservation Easement Agreement.

(c) That the Mayor and Clerk be authorized and directed to execute the loan agreement and security documentation with respect to Recommendation (a) above, in a form satisfactory to the City Solicitor.
(d) That the General Manager of the Planning and Economic Development Department be authorized to amend the loan agreement provided that the terms and conditions of the Hamilton Community Heritage Fund Loan Program are maintained.

(e) That Report PED11137 be forwarded to the Hamilton Municipal Heritage Committee for information.

EXECUTIVE SUMMARY

The Hamilton Community Heritage Fund (HCHF) was established by the former City of Hamilton during the mid-1980’s. In 2001, Council authorized that this fund be made available to all eligible heritage property owners within the newly amalgamated municipality. The original maximum loan amount was set at $20,000.00, but an increase to the maximum loan amount to $50,000.00 was authorized by Council in 2005 (Report PED05091). The loan is only available to properties designated under the Ontario Heritage Act.

The owner of the subject property, located at 335 Lima Court (Ancaster) (Harmony Hall) (see location map attached as Appendix “A”) has applied for a loan of up to $25,000.00 under the HCHF Program in order to replace cedar roofing on the house. Accordingly, approval of a loan amount of up to $25,000.00 is being recommended.

FINANCIAL / STAFFING / LEGAL IMPLICATIONS (for Recommendation(s) only)

Financial: Funding is provided under the terms of the Hamilton Community Heritage Fund Loan Program, as approved by City Council on September 14, 2005. The loan monies are to be advanced from the City of Hamilton’s line-of-credit, with the foregone interest being charged to Account Number 52901-812040. Any costs incurred for the HCHF Loan Program are to be funded from the HCHF Reserve 102049.

Staffing: Administration of this loan can be accommodated within the Community Planning and Design Section (Heritage and Urban Design) of the Planning and Economic Development Department, as well as within the Corporate Services Department.

Legal: Review of all documentation associated with the loan will be appropriately undertaken by the City Solicitor to protect the City’s interests. In certain cases, as projects move forward, it is sometimes necessary to make minor amendments to previously approved loan commitments and agreements. Therefore, staff is recommending that the General Manager of Planning
and Economic Development be authorized (with the input from the General Manager of Finance and Corporate Services and the City Solicitor) to amend loan commitments/agreements without further Council approvals, provided that the terms and conditions of the Hamilton Community Heritage Fund Loan Program are maintained.

A Heritage Permit under Section 33 of the Ontario Heritage Act has been obtained for the masonry repointing. A Heritage Permit is not required for the stabilization of a structural beam as the work will not affect the exterior of the house or the character of the Mill Street Heritage Conservation District.

**HISTORICAL BACKGROUND** (Chronology of events)

The former City of Hamilton established the Hamilton Community Heritage Fund (HCHF) in 1985 (By-law No. 85-120) as part of the Province of Ontario’s Building Rehabilitation and Improvement Campaign, commonly referred to as the “BRIC” Program. The Grant Agreement entered into by both parties (the Province of Ontario and the former City of Hamilton) established a fund that originally comprised $441,666.67. Of this total amount, $250,000.00 (57%) was from the Province, and $191,666.67 (43%) was from the former City of Hamilton.

The intent of the Hamilton Community Heritage Fund, as established by the Grant Agreement, was to establish a permanent fund for the purpose of investing in architectural conservation. Specifically, the fund was to be used:

- For loans for the purchase and/or conservation of heritage property;
- To guarantee loans for the purchase and/or conservation of heritage property; and,
- For grants to owners of designated heritage property for the conservation of that property.

Heritage property was defined in the agreement as a property designated under the Ontario Heritage Act. The former City of Hamilton operated the fund solely for the purpose of low or no-interest loans. Between 1985 and 2001, approximately 60 loans were approved, accounting for approximately $530,000.00.

The HCHF was originally established as a revolving fund, with the former City of Hamilton offering low-interest loans for eligible conservation work on buildings designated under the Ontario Heritage Act. As interest rates declined during the 1990's, the program was revised to permit interest-free loans, and the former City of Hamilton continued to offer loans of up to $20,000.00, repayable over a ten-year period.
and secured by a lien. The agreement with the Province of Ontario stipulated that loans of $15,000.00 or more required a Heritage Conservation Easement Agreement between the property owner and the City. The subject application is for an amount over $15,000.00, and a Heritage Conservation Easement Agreement is required.

After municipal amalgamation, Council agreed to maintain the HCHF Program as a permanent reserve to provide loan assistance to all designated heritage properties within all of the former municipalities (Report PD00151(a), Item (f)). In 2005, Council approved an increase in the maximum loan amount to $50,000.00 (Report PED05091), and under the current terms of the program, the loan is registered as a mortgage on the property and repayable over a period of up to ten-years, with no accumulated interest.

The current terms of the Program, approved by Council in 2005, stipulate that to be eligible for a loan, the property must be designated either individually under Part IV of the Ontario Heritage Act, or as part of a Heritage Conservation District, under Part V of the Ontario Heritage Act. Funding is available only for work that conserves or restores the historic fabric and significant architectural elements of a building. Interior features are only eligible for funding if specifically mentioned in the Reasons for Designation or Description of Heritage Attributes of a property designated under Part IV of the Ontario Heritage Act.

To date, a total of $352,363.00 (9 projects) has been approved under HCHF since municipal amalgamation (see Appendix “B”), excluding the loan recommended for approval in this Report.

**POLICY IMPLICATIONS**

**Ontario Heritage Act**

Section 33 of the Ontario Heritage Act requires that the owner of a designated property shall not alter the property, or permit the alteration of the property, unless the owner applies to the Council of the municipality and receives consent, in writing, to the alteration. The owner has applied for, and received, a Heritage Permit for the proposed work.

Section 106 of the Municipal Act enables the municipality to make grants, on such terms as the Council considers appropriate, to any person, group or body, including a fund, within or outside the boundaries of the municipality, of any purpose that the Council considers to be in the interests of the municipality.
Town of Ancaster Official Plan

Section 2.5 - *Heritage Conservation* of the former Town of Ancaster Official Plan states that the goal of the plan is “to conserve the heritage of the Town” through “encourag[ing] the owners of heritage property to conserve those aspects of their property deemed to be of heritage value” (2.5.2 (iii)), and “acquir[ing] easements on heritage properties to make the citizens of the municipality aware of the value of their heritage” (2.5.2 (vii)).

Urban Hamilton Official Plan

Volume 1, Section 3.4 - *Cultural Heritage Resources Policies* of the Council-adopted Urban Hamilton Official Plan (adopted July 9, 2009) states that the City shall “protect and conserve the tangible cultural heritage resources of the City, including archaeological resources, built heritage resources, and cultural heritage landscapes” (Volume 1, 3.4.2.1(a)), and “identify cultural heritage resources through a continuing process of inventory, survey, and evaluation, as a basis for the wise management of these resources” (Volume 1, 3.4.2.1(b)). The policies also provide that the “City may, by By-law, designate individual and groups of properties of cultural heritage value under Parts IV and V, respectively, of the Ontario Heritage Act” (Volume 1, 3.4.2.3). The Urban Hamilton Official Plan has been approved by the Ministry of Municipal Affairs and Housing, but has been appealed in its entirety to the Ontario Municipal Board. While the plan is not in full force and effect, these policies demonstrate Council's commitment to the identification, protection, and conservation of the cultural heritage resources, and the recommendations of this Report do no conflict with these policies.

RELEVANT CONSULTATION

Pursuant to Sections 28(1), 33(4), and 42.4 of the *Ontario Heritage Act*, the Hamilton Municipal Heritage Committee advises and assists Council on matters relating to Part IV and Part V of the *Ontario Heritage Act*. The Hamilton Municipal Heritage Committee shall be advised of the decision regarding this loan by copy of this Report and recommendations at its August 18, 2011 meeting (Recommendation (e)).

ANALYSIS / RATIONALE FOR RECOMMENDATION

(include Performance Measurement/Benchmarking Data, if applicable)

The subject property, located at 335 Lima Court (Ancaster) (see location map attached as Appendix “A”), was designated under Part IV of the *Ontario Heritage Act* in 2003 by City of Hamilton By-law No. 03-047. The owner has applied for a loan under the HCHF Program in order to replace the cedar roofing on the house.

Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.
Values: Honesty, Accountability, Innovation, Leadership, Respect, Excellence, Teamwork
The total value of the work is approximately $22,226.08, including HST, based on the lowest quote obtained by the applicant. The applicant has requested a loan of up to $25,000.00.

The proposed work (refer to photos attached as Appendix “C”) comprises:

- Removal and disposal of the existing cedar shingles and flashings; and,
- Supply and installation of new underlay, ice and water shield, Grade A cedar shingles, and metal flashings.

The applicant intends to complete the replacement of the cedar roofing as soon as possible and prior to the Council-approval of the loan. Retroactive funding of work is contrary to the Council-approved HCHF Program terms and guidelines. Staff supports the retroactive approval of the loan as the applicant has indicated that the roof is currently leaking and that damage has occurred to the interior of the house.

A Heritage Permit under Section 33 of the Ontario Heritage Act is not required for replacement in kind. The proposed cedar shake roofing is consistent with accepted principles and practice for the conservation and management of heritage fabric.

The HCHF Program terms require that an Easement Agreement be registered between the City and the owner(s) for loan amounts over $15,000.00. The applicant has requested an amount over $15,000.00, and a Heritage Conservation Easement is required.

The proposed work will conserve the significant heritage features of the property and meets the intent and eligibility criteria of the Hamilton Community Heritage Fund Loan Program, and staff recommends approval of the requested loan subject to the applicant entering into a Heritage Conservation Easement Agreement with the City.

**ALTERNATIVES FOR CONSIDERATION**

(include Financial, Staffing, Legal and Policy Implications and pros and cons for each alternative)

Funding for the conservation or maintenance of features related to the cultural heritage value of property designated under the Ontario Heritage Act is a discretionary activity of Council. Council, as advised by staff, may consider two alternatives: agree to fund a different amount, or decline to fund the application.
Decline to Fund

By declining funding, the municipality would be refusing applicants that meet the criteria and budget for the HCHF Program, as approved by both the Council and Hamilton Municipal Heritage Committee. Refusal of funding will not encourage owners of properties designated under Part IV of the Ontario Heritage Act to undertake the appropriate restoration and repair necessary for the long-term conservation of these heritage resources.

Accordingly, staff does not consider declining funding for this HCHF application to be an appropriate conservation alternative.

Approve a Different Amount

Council may decide to approve a loan amount that is different from the staff recommendation. This alternative is not recommended, as it may compromise the ability of the owners to complete work that is necessary of the conservation of the property.

CORPORATE STRATEGIC PLAN (Linkage to Desired End Results)

Skilled, Innovative and Respectful Organization

- Council and SMT are recognized for their leadership and integrity.
- Staff Comment: The approval of this loan demonstrates commitment to previously Council-approved policies and programs.

Financial Sustainability

- Generate assessment growth/non-tax revenues.
- Staff Comment: The proposed conservation work will improve the condition of a private property, and may result in a higher assessment value for the subject property and adjacent properties.
Intergovernmental Relationships

* Maintain effective relationships with other public agencies.
* **Staff Comment:** The approval of this loan demonstrates a commitment to conserving cultural heritage resources, as directed by provincial and federal level policy.

Growing Our Economy

* A skilled and creative labour pool that supports new employers.
* **Staff Comment:** The proposed conservation work will create work for skilled and specialized trades, and will enhance the condition of private property.

Healthy Community

* Plan and manage the built environment.
* **Staff Comment:** The proposed conservation work will improve the safety and appearance of private property.
