(d) **“Who Does What” Flyer (Item 4.1)**

H. Milsome provided a sample copy of flyers that are circulated to the Business Improvement Areas (BIA) in other Canadian municipalities. The “Who Does What” flyer illustrates the contact information for various services in the City (e.g. Public Works, with phone number for litter on sidewalks, Canada Post for damaged mailboxes, etc.).

Downtown Renewal staff would like to work with the Committee’s Communications Officer to develop a draft flyer for use by Hamilton BIAs. Staff will bring the draft flyer forward to the next meeting for the Task Force’s review.

(e) **Downtown Lighting Initiative (Item 4.2)**

The Committee inquired about the replacements of street lights in the downtown core. Staff advised that the lighting was replaced on an annual basis.

(f) **Security Project (Item 4.3)**

Committee was asking about the security in the downtown core and training for those working in the core. Police Services informed the Committee that training and analysis will be available for business owners and their employees, and well as training on crime prevention through environmental design.

(l) Convention Alerts

The Task Force raised concerns respecting the amount of litter and panhandlers in the area of the Convention Centre, Art Gallery, Copps Coliseum and in the general downtown area when there are conventions and shows in Hamilton.
