to express my endorsement for the only financially viable and sustainable east mountain location. Also to express my concern with regards to the fact that councillors are not listening to the experts with regards to stadium location and the highest and best use for the Harbour lands. Also, that they are not listening to taxpayers and ticat supporters about where the stadium should be located. There is no consensus despite what the mayor and certain councillors would like the taxpayers of this city to believe. I have lived in Hamilton for 48 years and have not found one friend, neighbour or business colleague that supports the west harbour. The only viable and sustainable location is the east mountain and we only have one chance for a new stadium to be funded by Federal and provincial funds. I am concerned we will blow this magnificent opportunity and ultimately lose the Tiger Cats to Ottawa or Halifax!
