HISTORICAL BACKGROUND

The Tenant Advisory Committee (TAC) is a volunteer citizen committee established by City Council on May 28, 2003. TAC was established based on discussions with the community in recognition of the unique issues pertaining to tenants that could not be adequately addressed in existing housing forums. TAC informs City Council through the Emergency and Community Services Standing Committee of issues that impact tenants.

The objectives of the Tenant Advisory Committee include:

1. To identify systemic and policy issues facing tenants and provide advice and recommendations to the City regarding these matters.

2. To advocate for and provide recommendations to the City on policy issues affecting tenants that require further action with the municipal, provincial and federal governments.

3. To develop strategies for information dissemination and education to tenants regarding tenant issues including legal rights and obligations of tenants.
