BEASLEY: Beyond books:

The Dr. Davey Pledge is recited each morning by 440 students, an exhortation and a hope more than a reality. The truest part is that Dr. Davey, Beasley's neighbourhood school, is special, determined to succeed against impossible odds.

Outside its fences are hard streets and struggling families. Inside, its students speak 28 languages, one in five have special needs.

Compared with the school board and the province, here is some of the data that reveals how Dr. Davey is unique.

41 - NUMBER OF countries represented at Edgar Davey School

100 - MOBILITY RATE at Edgar Davey School, where enough students come and go each year to add up to a complete turnover

31 - THE PERCENTAGE of Grade 3 students at Dr. J. Edgar Davey Elementary School who achieved the provincial standard in reading in 2004-2005

“Beasley Centre hits security snag
Lack of locking doors means school must be cautious about use of facilities”
- The Hamilton Spectator, 25 April 2013

Other Barriers to the community:

1. Facility Scheduling and event booking: Not conducive and efficient for community use:
   - Conflicts and Confusion around scheduling priorities
   - Confusion around scheduling ownership and contacts.
   - Who is responsible for what?

2. Clarification around community programs: Does the Facility Operator have exclusive rights or highest priority with respect to community programming and facility use.

3. Next steps on a security plan so we might move beyond the front door / buzzer system
