Reason(s) for delegation request: * I am writing this letter to voice my utter disgust at the way the decision regarding the location Pan Am Stadium in Hamilton was undertaken. The decision to locate the stadium at the East Mountain or West Harbour site was supposed to be a local one, one made by Hamiltonian for the future of Hamilton. I am in shock to see that choice and freedom of Hamiltonians has not been respected but instead replaced by an autocratic 11th hour decision. One that seems to favour the few rather than the many. Hamiltonians are clearly in support of a West Harbour Stadium and the process for selecting this location has been carefully thought out and reviewed by the many levels of government. It is shocking to see how the West Harbour site was rejected even though it is a more environmentally, financially and socially sound decision. I am thoroughly disheartened by the lack or regard for the democratic rights of the citizens of Hamilton and I hope that you all will fight for what is right and just on behalf of all Hamiltonians and allow a democratic decision to be made. Sincerely, Tanya Denich
