SUBJECT: Apportionment of Taxes for 6-10 Greenstem Crescent, Stoney Creek (FCS08001(e)) (Ward 11)

RECOMMENDATION:

That the 2008 land taxes, in the amount of $1,694.31 for 6-10 Greenstem Crescent, Stoney Creek, (Roll #2518 003 010 12410), be apportioned and split amongst the three newly created parcels as set out in Appendix A to report FCS08001(e).

Peter A. Barkwell
Acting General Manager
Finance and Corporate Services
EXECUTIVE SUMMARY:

Assessment and therefore taxes levied on Roll #2518 003 010 12410 (10 Greenstem Cres., Stoney Creek) for the 2008 tax year did not recognize the fact that this property had been the subject of a severance. The taxes levied in the year 2008 need to be apportioned amongst the three newly created parcels. Section 356 of the Municipal Act, 2001 permits such an apportionment.

BACKGROUND:

The property identified in this report was severed into several parcels of land.

The assessments returned on the roll for the year 2008 reflect the values for the original parcel of land. The Municipal Property Assessment Corporation (MPAC) produced an apportionment report for the assessment originally levied and identified the split amongst the new parcels of land. Since the original assessment remained with the base roll for the 2008 tax year, the taxes were overstated and now need to be adjusted to the newly created roll numbers.

ANALYSIS/RATIONALE:

The original assessment returned on the base roll and the corresponding taxes levied are the sole responsibility of the current property owner. Since the property has been severed into new lots, the current property owner has applied to the Treasurer of the Municipality to have the taxes apportioned fairly to all the lots, in accordance with the provisions of Section 356 of the Municipal Act, 2001.

ALTERNATIVES FOR CONSIDERATION:

There are no alternatives.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

Where land has been assessed in blocks and then split into new parcels, the original roll number is assigned to the current property owner. Taxes owing and subsequently assessed against the original parcel, must be transferred to the new parcels in a timely manner or the City of Hamilton runs the risk of these amounts becoming uncollectible.
POLICIES AFFECTING PROPOSAL:

Section 356 of the Municipal Act, 2001, permits Council to approve the apportionment of land taxes due to a severance. Once the tax roll is adjusted, the taxes shall be deemed to have always been levied in accordance with the adjusted tax roll.

RELEVANT CONSULTATION:

All apportionment recommendations provided to Council are supported by reports provided by the Municipal Property Assessment Corporation, identifying the split in the assessment values due to land severances.

Staff have consulted with the Assessment Review Board to determine the appropriate procedure in accordance with Section 356 of the Municipal Act, 2001. As well, the City’s Legal Services Division has recommended that all apportionments be done only after following the procedure set out in Section 356 of the Municipal Act, 2001.

CITY STRATEGIC COMMITMENT:

By evaluating the “Triple Bottom Line”, (community, environment, and economic implications) we can make choices that create value across all three bottom lines, moving us closer to our vision for a sustainable community, and Provincial interests.

Community Well-Being is enhanced. ☑ Yes ☐ No

As construction and new development occurs within the city of Hamilton, the apportionment recommendations permit the fair and equitable distribution of land taxes amongst newly created parcels of land, which addresses the social and economic needs of the people in the municipality.
