CARRIED

(f) Report BOH10002 -Low Income Dental Program (City Wide)

Doctor Elizabeth Richardson provided an introduction to the Report explaining that the application for the program is due to be submitted to the Province by the end of this week.

Dorothy Barr-Elliott indicated that the Province is making available 100% capital and ongoing operating funding for the program for the next three years. If after the three years the Province eliminates the funding than services would be terminated and staff would be laid off. She gave a brief overview of the hand-out which outlines how the funding could enhance the current services provided by the City.

Staff responded to questions concerning the types of services currently provided and how these could be enhanced.

Council – January 27, 2010
The Board discussed the possible ramifications to the City if the Province discontinues 100% funding for this program after three years.

(McHattie/Morelli)
That Council request that the Ministry of Health and Long-term Care extend the funding of the Low Income Dental Program to include low income patients over 17 years of age.

CARRIED

(Clark/Jackson)
That staff be directed to indicate to the Province in the application letter that should the Provincial funding for the Low Income Dental Program be eliminated that the City shall not be responsible for any funding or incurred costs.
