RECOMMENDATION

(a) That Appendix “A” attached to Report (PW11029/LS11002) respecting a Municipal Access Agreement (MAA) with Mountain Cablevision Limited, an affiliate of Shaw Cablesystems Limited (Shaw) for the purpose of allowing Shaw access to the City’s Public Highways for a term of five years, with the option to renew for two additional five-year periods, be approved;

(b) That the Mayor and City Clerk be authorized and directed to execute the necessary MAA documentation with Shaw, all documents being in a form satisfactory to the City Solicitor;

(c) That Public Works report to Council at the completion of the first five-year term of the MAA with Shaw, to advise on the renewal of the agreement.

Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.

Values: Honesty, Accountability, Innovation, Leadership, Respect, Excellence, Teamwork
EXECUTIVE SUMMARY

This agreement is to address the use of the City’s highways by Shaw. It is part of an ongoing process to rationalize and modernize Right of Way (ROW) agreements within the City of Hamilton with all utilities, telecommunication providers and other agencies. This process started with Report PW06095/LS06011 that addressed the harmonization of agreements with Union Gas. Council approved this report at its meeting of August 9, 2006. Further agreements have since been executed with Bell Canada, Cogeco Cable, Rogers, and Atria Networks.

Shaw and its predecessor companies supply telecommunication services to the City of Hamilton. The City of Hamilton does not have a formal agreement with Shaw. Both parties agree that adopting an agreement that outlines the terms and conditions for access to the City’s Public Highways streamlines and coordinates business processes.

Staff has negotiated an agreement that meets the City of Hamilton’s needs and provides mechanisms to address future enhancements. This Municipal Access Agreement is attached as Appendix “A” and staff recommends that Council approve this Municipal Access Agreement.

It is the purpose of this report to seek council approval to enter into the Municipal Access Agreement with Shaw.

Alternatives for Consideration - See Page 4

FINANCIAL / STAFFING / LEGAL IMPLICATIONS

Financial: If adopted the City will receive a fee of $5,000 annually from Shaw. Having a single favourably negotiated agreement will provide a stable base to the City moving forward.

Staffing: There are no staffing implications.

Legal: Legal Services has assisted and directed negotiations with the telecommunications provider, and recommends that the City enter into the attached agreement.

HISTORICAL BACKGROUND

The business of Telecommunications services in Canada is regulated by the Canadian Radio-Television and Telecommunication Commission (CRTC). The CRTC implemented deregulation in the Telecommunication industry and that has created the need for access agreements (MAA). Agreements between municipalities and Telecommunication suppliers have evolved over the past ten years based on changing market conditions.

Telecommunication providers require different access techniques to deliver modern telecommunication services, such as internet and broadband access. This agreement is
a natural progression of issues that have been addressed through court decisions and directives from the Telecommunication industry regulator, the CRTC.

It is recommended that this agreement be executed.

**The Proposed Municipal Access Agreement**

Staff has negotiated the proposed MAA with Shaw that is recommended to Council for its consideration and approval. The proposed MAA reflects the current conditions of access to City highways as decided by Canadian courts and regulatory bodies.

Access to properties owned by the City other than City highways is not part of the scope of this agreement, i.e.: Cell Tower sites. Any project that proposes to cross City lands other than City highways will require an easement to be negotiated in a form satisfactory to the City of Hamilton.

City staff has negotiated the term of the Agreement to be five years, with options to automatically renew for two additional five year periods if both parties are satisfied with the operation of the agreement. This provides a reasonable opportunity for the City to revisit the terms and conditions of the Agreement since standards in the industry continue to change.

**POLICY IMPLICATIONS**

This agreement aligns with the Public Work strategic plan “Innovate Now” by integrating business planning processes between Shaw and the City Of Hamilton. The agreement formalizes the relationships and defines timelines for relocations of equipment, provides for a more integrated sharing of data and the return of as constructed records to the City for recording purposes.

The agreement aligns with the financial goals of the Public Works strategic plan “Innovate Now” as well by defining relocation costs allowing for more effective use of capital and obtaining annual fees.

**RELEVANT CONSULTATION**

Consultation with the Managers of Construction and Design sections within the Environment and Sustainable Infrastructure Division of Public Works has led to their agreement of this arrangement.

Consultation with Legal Services and Risk Management has led to the proposed new MAA. Legal Services has assisted in negotiating all aspects of contract law. Risk Management has negotiated the elements regarding liability and indemnity to the Cities’ satisfaction.
ANALYSIS / RATIONALE FOR RECOMMENDATION

The current lack of an agreement for relocation of equipment with Shaw places the financial responsibility with the City of Hamilton in certain instances. Those costs usually become part of a capital project.

Responsibility for the cost of relocating equipment installed in absence of an agreement is in accordance with the provisions of the Public Service Works on Highways Act. This Provincial legislation (Public Service Works on Highways Act) dictates that the costs are borne equally between the two parties. This agreement ensures that all plant installed 10 years prior to this agreement is the responsibility of Shaw, ensuring the City Of Hamilton has cost certainty in it's capital program going forward.

Responsibility for the cost of relocating Equipment installed after the execution of this Agreement and within four years of its installation shall be that of the Municipality.

Responsibility for the cost of relocating Equipment in subsequent years shall be based upon the following:

<table>
<thead>
<tr>
<th>YEAR</th>
<th>MUNICIPALITY</th>
<th>COMPANY</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sixth Year</td>
<td>75%</td>
<td>25%</td>
</tr>
<tr>
<td>Seventh Year</td>
<td>50%</td>
<td>50%</td>

<tr>
<td>Eighth Year</td>
<td>25%</td>
<td>75%</td>
</tr>
<tr>
<td>Ninth Year and subsequently</td>
<td>0%</td>
<td>100%</td>
</tr>
</tbody>
</table>

This MAA also provides specific timeframes for the relocation of Shaw Plant in anticipation of upcoming City work. Shaw must be given sixty days written notice to relocate its plant. This is a favourable condition for the City as construction timelines can be planned using this information.

Shaw is now obliged under the terms of this agreement to supply all of its plant information to the City in a form acceptable and usable in our engineering systems. This includes the right of the City to request “as-constructed” records of installations, providing the City a permanent, reliable, record of the installed utilities in its highways.

ALTERNATIVES FOR CONSIDERATION

Options exist to approach Shaw and develop an agreement that allows the City to charge a per meter fee or offset charge based on their current installations. These options have been tried by other municipalities and have met with significant resistance.

CRTC Decision 2007-08 allowed the Province of New Brunswick to collect a per km fee from a Telecommunications company to access its highways. Ontario law and regulations under the Municipal Act appear to bar that option to the City of Hamilton. Pursuing this option will require significant legal resources and may include a submission to the CRTC in support of this initiative.

Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.

Values: Honest, Accountability, Innovation, Leadership, Respect, Excellence, Teamwork
A second option exists to lobby the Provincial Government for legislative change. This option is underway through groups such as the Regional Public Works Commissioners of Ontario, but the timelines for these activities are uncertain.

Pending changes to the Telecommunications Act may not address all Municipal interests. In spite of lobbying efforts by the Federation of Canadian Municipalities all the changes suggested to the new Telecommunication Act that were favourable to Municipalities may not be implemented. As such an agreement with the Shaw under terms mutually agreed upon will protect the City’s interests directly.

**CORPORATE STRATEGIC PLAN**

**Financial Sustainability**

- Ensuring the proper allocation of costs are distributed between the parties allows more consistent budgeting and delivery of the City Of Hamilton’s’ capital.

**Growing Our Economy**

- Investment in Hamilton is enhanced and supported.
- A co-ordinated effective utility network that allows access from all properties in accordance with development standards enhances the economic well being of Hamilton.

**Environmental Stewardship**

- A sustainable utility network provides cohesive supply of telecommunications services. All work performed under this agreement meets all Provincial Environmental requirements.

Appendix “A”: Municipal Access Agreement between City of Hamilton and Mountain Cablevision Limited, An Affiliate of Shaw Cablesystems Limited
MUNICIPAL ACCESS AGREEMENT

THIS AGREEMENT made this day of 2011 (hereinafter called the “Effective Date”)

BETWEEN:

CITY OF HAMILTON
hereinafter called the “Municipality”

- and -

MOUNTAIN CABLEVISION LIMITED,
An Affiliate of SHAW CABLESYSTEMS LIMITED
hereinafter called the “Company”

WHEREAS the Company is a “Canadian carrier” as defined in section 2 of the Telecommunications Act, S.C. 1993, c.38 (the “Telecom Act”) and a “distribution undertaking” as defined in subsection 2(1) of the Broadcasting Act, S.C. 1991, c.11;

AND WHEREAS the Company wishes to enter on, occupy and use for the purposes of constructing, installing, maintaining, operating, repairing and removing its Equipment (as described herein) in, on, under, over, along or across (“Within”) highways, streets, road allowances, lanes, bridges or viaducts of the Municipality (singularly a “Highway” and collectively, the “Highways”);

AND WHEREAS, pursuant to section 43 of the Telecom Act, the Company requires the Municipality’s consent to construct its Equipment Within the Highways;

AND WHEREAS the Municipality is willing to consent to Company entering on, occupying and using its Highways for the purpose of the Company constructing, installing, maintaining, operating, repairing and removing the Company's Equipment where, in its judgment acting reasonably, such use will not unduly interfere with its own service requirements and the public use of the Highways, including the consideration of the economy, safety or any rights or privileges previously conferred or hereafter conferred by the Municipality by contract or otherwise on others not parties to this Agreement to use any of the Highways;

AND WHEREAS the Company acknowledges that it must not unduly interfere with the public use, enjoyment and safety of the Highways and must share the use of the Highways with other providers of services to the public when occupying and using the Highways as described herein;

NOW THEREFORE THIS AGREEMENT WITNESSES that in consideration of the mutual covenants herein contained and other good and valuable consideration, the receipt and

TERM

2. Term and Renewal. This Agreement shall commence on the Effective Date and shall, unless earlier terminated in accordance with this Agreement, expire five (5) years after the Effective Date (the "Initial Term"). This Agreement shall automatically renew for up to two (2) consecutive renewal periods of five (5) years each (each a "Renewal Term") unless either the Municipality or the Company gives written notice of its intention not to renew to the other party not less than six (6) months prior to the expiration of the Initial Term or any Renewal Term thereof.

3. Referral to Dispute Resolution or CRTC. If the Municipality and the Company are unable to agree upon the terms and conditions for a new municipal access agreement prior to the expiration of term of this Agreement such matter shall be subject to the dispute resolution process as provided herein. Notwithstanding any other provision contained hereunder to the contrary, the terms and conditions of this Agreement shall continue to govern until the parties have reached agreement on a new agreement.

USE OF THE HIGHWAYS

4. Consent to Use Highways. The Municipality hereby provides its consent to the Company to enter, occupy and use its Equipment within the Highways and to perform its Work subject to the terms and conditions herein and in accordance with all applicable federal, provincial and municipal statutes, laws and by-laws or other rules and regulations pertaining to the application and use of the Highways or the Equipment; provided, however, that said provincial and municipal statutes, laws and by-laws or other rules and regulations are not in conflict with the applicable federal statutes or regulations or with this Agreement.

5. No Ownership Rights. No use of a Highway under this Agreement shall create or vest in the Company any ownership of or property rights in a Highway, and the Company shall be and remain a mere non-exclusive occupant of the Highway and placement of the
Equipment in a Highway shall not create or vest in the Municipality any ownership in or property rights to the Equipment.

6. **No Rights to Third Parties.** Nothing in this Agreement shall be construed as affecting any rights or otherwise of others not a party to this Agreement to use any Highway in accordance with the Municipality’s legal authority.

7. **No Warranties.** Unless otherwise described in this Agreement, the Municipality makes no representations or warranties as to the state of repair of the Highways or the suitability of the Highways for any business, activity or purpose whatsoever and the Company hereby agrees to take the Highways on an “as is” basis.

8. **Consent Required for Work.** The Company shall not commence any Work Within a Highway that involves excavation, breaking up or otherwise breaching the surface of any Highway or disruption of the use of the Highway without first providing the Commissioner a description of the Work, and secondly, obtaining written consent of the Commissioner, which consent may establish the terms and conditions under which such Work may be conducted and may require the Company to provide detailed construction plans of such Work.

In the event that the Company wishes to commence or undertake Work in any other public place within the jurisdiction of the Municipality, the Company shall make separate application for written consent, which consent shall not be unreasonably withheld. The consent, if granted, may establish the terms and conditions under which such Work may be conducted.

9. **Municipality May Refuse to Grant Consent.** The Company acknowledges and agrees that the Municipality may refuse to grant its consent with regard to any proposed location of the Equipment for reasons related to bona fide municipal purposes. In such circumstances, the Commissioner shall make a good faith effort to provide and approve alternative suggestions, wherever possible, for routing the Equipment Within the Highway to assist the Company in the installation of its Equipment.

10. **Consent Not Required for Routine Work.** Despite Section 8 and Section 9, the Company, without the prior written consent of the Municipality, may:

    (a) utilize existing ducts or similar structures of the Equipment where no physical disruption or changes to the Highway or its use is required; and

    (b) carry out routine maintenance, repairs and field testing to its Equipment and install subscriber connections,

provided that in no case shall the Company carry out any physical disruption or change to the Highway or its use without the Municipality’s prior written consent, not to be unreasonably withheld.
11. **Emergency Work.** Notwithstanding Section 8, in the event of an Emergency, the Company shall be permitted to perform such remedial Work as is reasonably necessary to restore or maintain its services and to end such Emergency without the consent of the Municipality, provided that the Company notifies the Municipality of the occurrence of the Work within five (5) business days of completing the Work.

12. **Conditions of Work.** All Work conducted by the Company on a Highway is subject to the following conditions:

(a) The portions of the Equipment which pass over or under existing utilities' equipment or cross beneath streets shall be placed in a carrier pipe or be encased in concrete, and shall not place substantial point loading or bear directly on any existing pipe, conduit or structure unless otherwise approved by the Commissioner. Where practicable and approved by the Commissioner, underground Equipment that crosses under a paved roadway shall be constructed or installed using a trenchless method.

(b) If the Company breaks the paved surface of a Highway, it shall, upon completion of the Work, complete a temporary repair to restore the surface of the Highway to substantially the same condition it was in before the Work was undertaken, all in accordance with the Municipality's Procedure for the Installation of Utilities on Road Allowances, this Agreement and the Road Occupancy Permit, and to the satisfaction of the Commissioner. If the Company fails to complete the temporary repair to the satisfaction of the Commissioner within twenty-four (24) hours of being notified by the Municipality, the Municipality may effect such temporary repair and charge all of the Municipality's Costs related thereto to the Company.

(c) After completion of any Work, the Company shall notify the Commissioner of such completion and leave the Highway in a neat, tidy, and safe condition and free from nuisance, all to the satisfaction of the Commissioner acting reasonably.

(d) Immediately following the completion of the Work, the Company shall advise the Municipality of any paved surface of a Highway that requires permanent restoration, following which the Municipality shall complete the permanent restoration and the Company shall pay the Municipality's Costs related thereto forthwith upon receipt of an invoice from the Municipality accompanied by supporting documents. The Municipality shall use its best efforts to render its invoice to the Company within two (2) months following the completion of the restoration work.

(e) If the Municipality requires the Work to be stopped for any *bona fide* municipal purpose or cause relating to public health and safety, special events or any circumstances beyond its control, the Company shall cease all such Work forthwith upon receipt of verbal notice from the Municipality, which shall include the reasons for the Work stoppage. Within two (2) business days of issuing the verbal stop work order, the Commissioner will provide to the Company written
reasons for such order and a reasonable estimate of when the stop work order will be lifted. Upon the Municipality lifting the stop work order in writing to the Company, the Company may resume its Work.

(f) Unless otherwise set out in this Agreement, the Company is responsible for all construction, excavation, installation, maintenance and removal of its Equipment, including the cost of such Work.

(g) The Company shall comply with municipal tree protection requirements in place at the time the Work is undertaken and shall not cut down or trim trees or the roots of trees on any Highway without the prior permission of the Commissioner.

(h) The Company shall take all reasonable measures, to the satisfaction of the Municipality, to clean, remove or conceal graffiti or other unauthorized marks from the Equipment. Without limiting the generality of the foregoing, the Company will remove or conceal graffiti which is considered offensive or inflammatory within two (2) working days notice from the Municipality and all other graffiti within five (5) working days of notice from the Municipality or such other time period as mutually agreed to by the parties. In the event the Company does not remove or conceal the graffiti in accordance with this subsection, the Municipality may take such steps as it deems reasonable and necessary to remove or conceal the graffiti and charge the Municipal Costs related thereto to the Company.

(i) The Company shall ensure that all worksites have signage clearly identifying the Company or if a Contractor is working there on behalf of the Company, and the name and phone number of the Company. The Company shall ensure that all Contractors are working in accordance with current municipal standards, labour legislation and obtain any permits as may be reasonably required from time to time.

13. **Work to be in Conformity with all Applicable Laws.** The Company shall, in performing any and all Work in connection with this Agreement, ensure that:

(a) its employees and contractors are qualified for the activities they perform;

(b) safe work practices are used in carrying out the Work;

(c) any and all of its employees, agents and contractors, at all times, comply with all applicable laws, including but not limited to, the *Workplace Safety Insurance Act*, 1997, the *Occupational Health and Safety Act*, the *Canadian Labour Code Part II* and all applicable environmental laws; and

(d) all Work shall be in accordance with applicable law.
14. **WISB.** The Company agrees that it shall, at its own expense, procure and carry, or cause to be procured and carried and paid for, full coverage under the Ontario Workplace Safety and Insurance Board for itself and all workers, employees and other engaged in or upon any Work:

15. **Other Obligations of Company.** The Company covenants and agrees with the Municipality as follows.

(a) The Company shall not suffer or permit any lien to be filed or registered against a Highway as a result of the Company's Work. In this regard and, subject to any existing rights of the Company or consents granted to the Company by the Municipality, the Company shall, within twenty (20) days following notice from the Municipality, remove, or diligently commence to remove, from title any instrument claiming an estate, interest, property right or lien against the Highway that is directly related to the Equipment or the Work Within the Highway. If the Company fails to remove or commence to remove such instrument within the twenty (20) days noted above, then, in addition to any other right or remedy of the Municipality, the Municipality may discharge or vacate the instrument by paying into Court the amount required by statute to obtain a discharge, and the amount so paid by the Municipality, together with all Municipality's Costs including reasonable solicitor's fees (on a solicitor and his client basis), incurred by the Municipality in connection therewith, shall be due and payable by the Company to the Municipality on demand.

(b) The Company represents and warrants to the Municipality that it is a company in good standing under the applicable corporate and bankruptcy laws.

(c) The Company will circulate all of its permit applications to the Public Utilities Coordinating Committees ("PUCC") of the Municipality and obtain related approvals for its Work from the Municipality in accordance with the terms of this Agreement.

(d) The Company shall apply for and maintain active membership in the PUCC of the Municipality and bear a reasonable proportionate share of its costs of operation. The Company agrees to support the creation and costs of operation of any utility plan registries maintained by such committee, provided such utility plan registry is generally accepted in the industry and where such operation and costs are agreed to by the Company in accordance with a cost-sharing arrangement established by such committees from time to time.

**SUPPLY OF INFORMATION**

16. **“As-constructed” Drawings.** The Company shall provide to the Municipality, at its own expense and within two (2) months of completing any Work described in Section 8 hereof, “as constructed” record drawings in an electronic format compatible with the
Municipality's utility mapping system. Upon request from the Company, digital orthoimagery and/or mapping may be provided by the Municipality at the Company's expense.

17. **Locates.**

(a) Upon receiving a request from one party or its authorized agent to the other party, the responding party shall, at no cost to the requesting party, provide locates of its equipment:

   (i) in the event of an Emergency, within two (2) hours of receiving the request. The requesting party shall, using commercially reasonable efforts, have either a representative on-site or provide a contact number for a representative so that the locate can be completed in the affected area; and

   (ii) in all other cases, within a reasonable time to be agreed upon by the Company and the Municipality.

(b) The locates provided by the Company to the Municipality for pre-design shall contain sufficient design information and survey detail as required by the Commissioner.

(c) During the term of this Agreement, the Company shall at its sole discretion either be a member in good standing in a utility locate notification system used in Ontario or provide its own locate services to the same or similar standard as supplied by the utility locate notification system.

The Company shall, at the request of the Commissioner, make commercially reasonable efforts to provide to the Municipality, in a format satisfactory to the Municipality, a listing of the location of all the Equipment installed, relocated or removed by it, or on its behalf in the Highways prior to the commencement of this Agreement. The Company does not warrant or represent that such information provided to the Municipality is accurate.

18. **Emergency Contacts.** Each party shall provide to the other party a list of southern Ontario Emergency contact personnel who shall be available at all times, and shall ensure that the aforementioned list is current.

**FEES**

19. **Annual Administration Fee.** The Company shall pay to Municipality, upon execution of this Agreement and annually thereafter on the anniversary date of the execution of this Agreement, an annual fee in the amount of five thousand dollars ($5,000) plus all applicable taxes, as compensation to the Municipality for its causal costs in the administration of this Agreement.
20. **Permit Fees.** The Company agrees to pay to the Municipality a permit application fee in the amount of $350.00 (Three Hundred and Fifty dollars) for each permit application. The Municipality shall give notice to and consult with the Company with respect to any increase in such fees or the application thereof.

21. Payment terms are net forty-five (45) days under this Agreement. Overdue payments shall be charged interest at the rate of two percent (2%) per month compounded monthly or at the maximum lawful rate, which ever is lower.

**RELOCATION OF EQUIPMENT**

22. **Requirement to Relocate Equipment.** Upon receipt of no less than one hundred eighty (180) days written notice from the Municipality or such other reasonable time as mutually agreed to by the parties having consideration for the complexity and nature of the relocation and the potential for interruptions to the Company’s services, the Company shall commence to relocate its Equipment within a Highway or perform any Work in connection with the Highway, as may be required by the Municipality for bona fide municipal purposes.

23. **Relocation in the Event of an Emergency.** In cases of an Emergency, after first making a reasonable attempt to contact the Company and obtain an Equipment locate, the Municipality may take such temporary measures with respect to the Equipment it deems necessary to contain such Emergency and the Company shall reimburse the Municipality for the Municipality’s Costs thereby incurred which are directly related to the existence of the Equipment Within the Highway. The Municipality will make a good faith effort to avoid damage to the Equipment affected by the relocation and to assist the Company in its efforts to ensure uninterrupted service to its customers.

24. **If Company Fails to Complete Relocation.** If the Company fails to complete the relocation of the Equipment in accordance with the terms of this Agreement, the Municipality may complete such relocation or repair and the Company shall pay the Municipality the Municipality’s Costs related thereto.

25. **Suggested Locations for Relocation.** The Municipality will make a good faith effort to provide and approve alternative suggestions, wherever possible, for re-routing the Equipment affected by the relocation within the Highway to minimize any interruptions in the Company’s services.

26. **Reimbursement for Relocation Costs.** The Municipality shall reimburse the Company for its costs of relocating its Equipment as follows:

   (a) for Equipment installed more than ten (10) years prior to the Effective Date of this Agreement, the Company shall be responsible for all costs of relocating its Equipment;
(b) for Equipment installed less than ten (10) years prior to the Effective Date of this Agreement, the Municipality shall be responsible for 50% of all costs of relocating the Company’s Equipment.

(c) for Equipment installed after the execution of this Agreement and within five (5) years of its installation, the Municipality shall reimburse the Company for 100% of its relocation costs; and

(d) for Equipment installed after the execution of this Agreement in subsequent years, the Municipality shall reimburse the Company for its relocation costs based upon the following chart:

<table>
<thead>
<tr>
<th>Year After Installation of Equipment</th>
<th>Percentage of Relocation Costs Paid by Municipality</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sixth Year</td>
<td>75%</td>
</tr>
<tr>
<td>Seventh Year</td>
<td>50%</td>
</tr>
<tr>
<td>Eighth Year</td>
<td>25%</td>
</tr>
<tr>
<td>Ninth Year and subsequently</td>
<td>0%</td>
</tr>
</tbody>
</table>

27. **Exceptions to Reimbursement for Relocation Costs.** Notwithstanding the provisions of the previous Sections, the parties agree that, depending on the circumstances, any one or more of the following exceptions may apply:

(a) Special circumstances may arise with respect to a specific relocation whereby the parties may mutually agree to negotiate alternative cost sharing arrangements. Such alternative arrangements shall be mutually agreed upon in writing by both parties prior to approval of a new location and commencement of the relocation Work.

(b) The Company will be totally responsible for the cost of relocation if it installs Equipment and is required to relocate that Equipment within the period referred to in Section 23, despite the Municipality’s notification to the Company, at the time of the Company’s application, that the Municipality has projects scheduled within the Municipality’s five (5)-year plan that have the potential to conflict with the Equipment installed.

(c) The Municipality shall have no financial responsibility for costs incurred by the Company to obtain a private easement outside of the Highway resulting from relocations or adjustments provided the Municipality first satisfies its obligations under Section 26.

(d) The Company shall be solely responsible for any costs and expenses associated with the relocation of any Equipment by the Company and initiated at the Company’s sole behest.
(e) Where the Equipment is found to be in non-compliance with any aspect of the location in the corresponding approved Road Occupancy Permit and there arises a need to relocate that portion of Equipment, then the cost for relocating the non-compliant portion of the Equipment shall be paid for by the Company. Where records are non-existent or the Highway conditions may have changed, the parties agree to act reasonably in allocating relocation compensation.

(f) The Company will not be responsible for the cost of the relocations requested by parties other than the Municipality or relocations not required for municipal purposes.

(g) The Municipality shall not be liable for any relocation costs in circumstances where the Company has its Equipment attached to or utilizes support structures of a third party and such third party is required to relocate its support structures by the Municipality.

LIABILITY AND INDEMNIFICATION

28. **Indemnification by Company.** The Company shall defend, indemnify and save harmless the Municipality from and against all actions, causes of action, proceedings, claims and demands brought against the Municipality, and from and against all losses, costs, damages or expenses suffered or incurred by the Municipality, by reason of any damage to property, including property of the Municipality or any third party, or injury, including injury resulting in death, to persons, including the employees, servants, agents, licensees and invitees of the Municipality or any third party, caused by, resulting from or attributable to the negligent act or omission of the Company or any party for which the Company is responsible in law. Without limiting the above, the Company will defend, indemnify and save harmless the Municipality from any claims, demands, causes of action, loss, costs or damages, legal fees and disbursements that the Municipality may suffer, incur or be liable for, resulting from the Company providing inaccurate locates of its Equipment, or related to the placement of equipment in an non-approved location.

29. **Indemnification by Municipality.** The Municipality shall defend, indemnify and save harmless the Company from and against all actions, causes of action, proceedings, claims and demands brought against the Company, and from and against all losses, costs, damages or expenses suffered or incurred by the Company, by reason of any damage to property, including property of the Company or any third party, or injury, including injury resulting in death, to persons, including the employees, servants, agents, licensees and invitees of the Company or any third party, caused by, resulting from or attributable to the negligent act or omission of the Municipality or any party for which the Municipality is responsible in law.
30. **Survival.** The rights to indemnity provided for in this Section shall survive the expiration or any termination of the Agreement for so long as the Company operates its Equipment in the Highways.

31. **No Liability.** Despite anything contained in this Agreement, the Municipality and the Company shall not be liable to each other in any way for special, incidental, indirect or consequential losses, including damages for pure economic loss, howsoever caused or contributed to, in connection with this Agreement or the Highway even if advised of the possibility thereof.

**INSURANCE AND LETTER OF CREDIT**

32. **Company to Maintain Insurance.** The Company shall maintain insurance in an amount and description as set out below to protect the Company and the Municipality solely with respect to liability arising out of the negligence of the Company, its employees, agents and contractors, from claims for damages, personal injury including death, and for claims from physical damage to tangible property which may arise under this Agreement, including without limitation the Company's use or maintenance of the Equipment on or in the Highways or any act or omission of the Company's agents or employees while engaged in Work, and such coverage shall include all costs, charges and expenses reasonably incurred for any injury or damage for which the Company is responsible in law.

33. **Insurance Policies.** The Company shall obtain and maintain at its own expense the following policies of insurance:

   (a) Commercial General Liability Insurance, including but not limited to bodily and personal injury liability, property damage, products liability, completed operations liability, owners and contractors protective liability, and contingent employer's liability coverage, having an inclusive limit of not less than $4,000,000 per occurrence and an annual aggregate limit of not less than $4,000,000 for completed Work and subject to the following;

   (i) Where the description of the Work provides for or contemplates (A) the use of explosives for blasting, (B) vibration from pile driving or caisson work or (C) the removal or weakening of support of any property, building or land, whether such support be natural or otherwise, then explosion, collapse and underground (XCU) coverage shall be included and same shall be noted on the certificate of insurance.

   (ii) Non-owned automobile liability limit of not less than $1,000,000 per accident in respect of automobiles rented or otherwise not owned by the Company for a period not exceeding thirty (30) days that are used or operated on its behalf for the Work under this Agreement.

   (iii) Coverage shall include Cross Liability and Severability of Interest clauses.
(iv) The Municipality shall be added as an additional insured under the general liability policy but solely with respect to liability arising out of the negligence of the Company, its employees, agents and contractors.

(b) Standard Form Automobile Liability Insurance that complies with all requirements of the current legislation of the Province of Ontario, having an inclusive limit of not less than $2,000,000 per accident in respect of the use or operation of vehicles owned or leased by the Company for the Work under this Agreement.

(c) The required insurance limits for general liability and automobile insurance may be composed of any combination of primary and excess (or 'umbrella') insurance policies.

34. **Requirements of Policies.** The insurance policies required to be maintained by the Company shall:

   (a) be primary to the extent of the Municipality’s rights as additional insured and shall be placed with insurers licensed to carry on business in Ontario;

   (b) be maintained continuously during the course of carrying out of the Work;

   (c) provide that at least thirty (30) days prior written notice will be given to the Municipality prior to cancellation of such insurance.

35. **Company Still Liable.** Any insurance coverage acquired under the Agreement shall in no manner discharge, restrict or limit the liabilities assumed by the Company under the Agreement. The dollar limit of insurance coverage shall not be limited by the dollar amount of the Agreement.

36. **Proof of Insurance and Claims Protocol.**

   (a) The Company shall deposit with the Municipality on the execution of this Agreement certificates of insurance as well as renewal certificates thereafter.

   (b) The Company shall not do or omit to do anything that would impair or invalidate the insurance policies.

   (c) Delivery to and examination or approval by the Municipality of any certificates of insurance or other evidence of insurance shall not relieve the Company of any of its indemnification or insurance obligations under the Agreement. The Municipality shall be under no duty either to ascertain the existence of or to examine such certificates of insurance or to advise the Company in the event such insurance coverage is not in compliance with the requirements set out in the Agreement.
(d) Claims reported to the Company by a third party or by the Municipality (a “Claimant”) shall be promptly investigated by the Company and/or its insurers.

37. **Letter of Credit.** Upon the Municipality’s request, the Company shall provide to the Municipality security for the performance of its obligations in connection with Work performed under this Agreement consisting of a Letter of Credit in an amount that represents the projected restoration costs to the Highway resulting from the Company’s pending Work, and naming the Municipality as beneficiary for a one (1) year period after completion of the proposed Work in the Highway. If requested by the Municipality, the Letter of Credit shall be provided prior to starting the proposed Work.

**ENVIRONMENTAL RESPONSIBILITY**

38. The Company agrees to assume all environmental liability relating to its occupancy and use of the Highways, including but not limited to any liability for clean-up of any Hazardous Substance in, on, under, along, across and around the Highways which result from:

a) the operations of the Company in, on, under, along, across or around the Highways;

b) any products or goods brought in, on under, along, across or around the Highways by the Company, or by any other person with the express or implied consent of the Company:

39. Notwithstanding any provision contained hereunder to the contrary, the Company shall not be liable for any Hazardous Substance existing or which may or are present in, on, under, along and/or around the Highways prior to the Company’s Work or for any Hazardous Substance brought to the Highways by a third party without the Company’s express consent.

The Municipality agrees to provide notice to the Company of any liability arising under this provision in a reasonable period of time after the occurrence.

**TERMINATION**

40. **Termination for Default.**

(a) The Municipality and the Company mutually agree that should either party materially fail to carry out any of the terms, covenants and conditions herein contained or default in any of its obligations under the terms hereof and fail, within ninety (90) days after receiving written notice from the other party to correct or commence to correct any such default capable of correction, then this Agreement may be terminated by the non-defaulting party with written notice to be effective upon receipt, provided that each party shall continue to be liable to
the other party for all payments due and obligations incurred under the Agreement prior to such termination.

(b) Despite subsection 2(a), the Municipality may terminate this Agreement immediately and without prior notice in the event that:

(i) the Company becomes insolvent, makes an assignment for the benefit of its creditors, has a liquidator, receiver or trustee in bankruptcy appointed for it or becomes voluntarily subject as a debtor to the provisions of the Winding-Up Act, the Companies' Creditors Arrangement Act, the Bankruptcy and Insolvency Act; or

(ii) the Company transfers, assigns, or sublicenses any part or all of its interest in this Agreement other than in accordance with the provisions of this Agreement, or attempts to do same.

(c) Six (6) months prior to the termination of this Agreement for any reason the Company and the Municipality shall enter into meaningful negotiations for a new agreement and if the parties are not able to negotiate reasonable terms for a new agreement within such six (6) month period the matter shall be subject to the dispute resolution process as provided herein.

41. Obsolete and Abandoned Equipment. The Company shall notify the Municipality promptly when it abandons any Equipment situated in, on or under the Highways. Upon such notification, the Municipality may require the Company to remove the abandoned pedestals, vaults and structures located above the surface of the ground in any Highway hereunder (collectively, the "Surface Equipment") within a specified period of time, being no less than ninety (90) days from the date of the Company's notification, failing which the Municipality may remove such Equipment at the Company’s cost and expense or, at the Municipality’s discretion, the Surface Equipment shall be deemed to have been abandoned by the Company and title thereto shall vest in the Municipality. In the event the Company notifies the Municipality that it proposes to abandon Equipment located under a Highway and such abandoned Equipment is located in an area that has been indentified in the Municipality’s 5 year capital works plan as such exists at the time of abandonment as an area where the Municipality will be performing work within that 5 year period or such Equipment constitutes an imminent threat to public safety, the Company shall, at its cost, at the request of the Municipality, remove such buried abandoned Equipment from the Highway. All other abandoned Equipment located below the surface of any Highway which was not identified in the Municipality 5 year capital work plan as an area where the Municipality would be performing work the Municipality may at its sole discretion take ownership and title in such Equipment.

DISPUTE RESOLUTION

42. Dispute Resolution. The parties will attempt to resolve any dispute arising out of this Agreement promptly through discussions at the operational level. In the event a
resolution is not achieved, the disputing party shall provide the other party with written notice of the same and the parties shall attempt to resolve such dispute between senior officers who have the authority to settle such dispute. All negotiations conducted by such officers shall be confidential and shall be treated as compromise and settlement negotiations. If the parties fail to resolve such dispute within thirty (30) calendar days of the non-disputing party’s receipt of the written notice, either party may initiate legal proceedings and/or submit the matter to the Canadian Radio-television Telecommunications Commission for resolution.

ASSIGNMENT AND TRANSFERS

43. **When Consent Required.** This Agreement may be sub-licensed, granted, transferred or assigned:

   (a) by the Municipality or the Company in whole or in part to any sub-licensee, grantee, transferee or assignee with the other party’s prior written consent, which consent shall not be unreasonably withheld;

   (b) by the Company in whole or in part to a parent company, any Affiliate, subsidiary, partnership, joint venture or any other entity in the context of any corporate re-organization, with notice to the Municipality;

44. **Assignees to be Bound by Agreement.** Any sub-licensee, grantee, transferee or assignee shall be bound by the terms and conditions of this Agreement as those terms and conditions relate to the interest sub-licensed, granted, transferred or assigned and such sub-license, grant, transfer or assignment shall not release the Company from its obligations and liabilities under this Agreement until the Municipality has entered into a satisfactory agreement with the sub-licensee, grantee, transferee or assignee.

45. **Company May Pledge Agreement as Security.** The Company may pledge the licence granted by this Agreement as security without the consent of the Municipality to any person directly or indirectly providing financing to the Company but such pledge shall not release the Company from its obligations and liabilities under this Agreement.

NOTICE

46. Any notice required or permitted to be given hereunder or any tender or delivery of documents may be sufficiently given by personal delivery or, if other than the delivery of an original document, by facsimile transmission to the Municipality at the following address:

Any notice may also be given by prepaid registered mail mailed and such notice shall be effective five (5) days following the date of mailing, except in the event that there shall be a disruption in postal services at the date of mailing, in which case notice shall be effective by personal delivery or a facsimile transmission followed by receipt of original notice the next business day of transmission as stated above.

INTERPRETATION

47. This Agreement benefits and binds the Municipality and the Company and the successors and permitted assigns of each of them.

48. If any term of this Agreement is found to be invalid, illegal, or unenforceable by a court having the jurisdiction to do so, that term is to be considered to have been severed from this Agreement and the rest of this Agreement shall remain in force unaffected by the severance of that term.

49. Words having well known technical or trade meanings within the context of municipal construction and the communications industry shall be so construed, and all listings of items shall not be taken to be exclusive, but shall include other items, whether similar or dissimilar to those listed, as the context reasonably requires.

50. All references to statutes in this Agreement shall include amendments thereto, regulations thereof, and successor legislation thereafter.

51. If any payment is required to be made or other action is required to be taken pursuant to this Agreement on a day which is not a Business Day, then such payment or action shall be made or taken on the next Business Day.

52. Time shall be of the essence in this Agreement.
53. The relationship of the Company and the Municipality established by this Agreement is that of independent contractors, and nothing in this Agreement shall be construed:

(a) to give either party the power to direct or control the day-to-day activities of the other;

(b) to constitute the parties as partners, joint ventures, co-owners or otherwise as participants in a joint or common undertaking; or

(c) to allow either party to create or assume any obligations on behalf of the other party for any purposes whatsoever.

54. No alleged waiver or breach of this Agreement is effective unless it is an express waiver in writing of the breach in respect of which it is asserted against the party alleged to have given the waiver. No waiver by a party of any breach of this Agreement operates as a waiver of any other breach of this Agreement.

55. In this Agreement, unless the context otherwise requires, the singular includes the plural and the masculine includes the feminine gender and a corporation.

56. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, negotiations, discussions and understandings, whether written or oral between the parties. Except as provided in this Agreement, there are no conditions, covenants, agreements, representations, warranties, acknowledgments or other provisions, express or implied, collateral, statutory or otherwise, that form part of or affect this Agreement. The execution of this Agreement has not been induced by, nor do any of the parties rely upon or regard as material, any conditions, covenants, agreements, representations, warranties, acknowledgments, or other provisions not expressly made in this Agreement.

57. This Agreement shall be governed by and construed and enforced in accordance with the laws of the Province of Ontario and the laws of Canada which may be applicable to a party in the Province of Ontario.

58. In the performance of obligations and the exercising of rights or discretion under this Agreement, or whenever the approval, consent or a decision is requested or required from either party under this Agreement each party shall at all times act reasonably.
IN WITNESS WHEREOF the parties hereto have executed this Agreement by their duly authorized representatives.
